De Graaff,2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The

opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle **Rediscovering the Old Testament** It is a joyful journey of discovery finding new meaning in the Bible for our lives

The Psalms as Christian Worship Bruce K. Waltke, James M. Houston, 2010-11-22 This commentary uniquely combines a verse by verse exposition of the Hebrew text of selected Psalms with a history of their interpretation in the Church from the time of the apostles to the present Bruce K Waltke begins the collaboration by first skillfully establishing the meaning of the chosen psalms through careful exegesis in which each text is interpreted in light of its historical backgrounds its literary form and the poet s rhetoric James M Houston then expositis each text s relevance in conjunction with the Church s interpretation of it throughout her history To further the accuracy of this interpretation he commissioned fresh translations of numerous Latin and Middle English texts The authors purpose in creating this volume was not merely to produce a masterful commentary Rather they wished to aid in enriching the daily life of the contemporary Christian and to deepen the church s community Waltke and Houston here bring together the two voices of the Holy Spirit heard infallibly in Scripture and edifyingly in the Church s response in a rare and illuminating combination
