Nasreen Majid

Sculpture In Wood How To Make Understand Use:

Understanding Art Martin Wenham, 2003-04-22 The author provides the ways in which children's knowledge of visual elements of art can be developed through simple but creative activities

Understanding Art in Primary Schools Les Tickle, 2014-01-14 Even the youngest children in primary schools are now required not only to make art but also to study it developing an understanding of the huge variety of art and craft from different times and places But how do teachers actually tackle this when most have not studied art themselves This collection brings together case studies to show how a variety of teachers have used one particular art collection as a focus for practical art Throughout the voices of the children involved show us how they react to their encounters with art objects This wealth of first hand evidence and practical experience will benefit all teachers

The Art of Understanding Art Irina D. Costache, 2012-04-04 The Art of Understanding Art reveals to students and other readers new and meaningful ways of developing personal ideas and opinions about art and how to express them with confidence Offers an inquiry unique among introductory art texts into the learning process of understanding and appreciating art Examines the multiple issues and processes essential to making analyzing and evaluating art Uses cross cultural examples to help readers develop comprehensive yet personal ways of looking at and thinking about art Includes an annotated glossary of the Art World institutions and individuals that play a role in defining art as well as diagrams textboxes callouts and other visual elements to highlight information and enhance learning Richly illustrated with over 40 images Suggests innovative class assignments and projects useful for developing lesson plans and offers an online companion site for additional illustrations and information

Understanding Byzantium Takacs Sarolta,Paul Speck,2017-12-04 This book was first published in 2003 Paul Speck s work is acknowledged to be of profound importance for the study of the history and culture of the Byzantine world If at times controversial it has proved highly influential in terms of the approaches to be taken to historical and literary sources For many however it has remained largely inaccessible in its original German To help overcome this the selection of studies presented here have been specially translated into English Taken together they make a substantial contribution to a critical understanding of Byzantine writing and to an interpretation of history free from prejudice and stereotyped conceptions Their coverage extends from the foundation of Constantinople to current perceptions of Byzantine history but they focus in particular on the period from the 6th to the 9th centuries the Dark Ages and the Byzantine renaissance and the transformation of Byzantium that then took place **Building Age** ,1881 **Carpentry and Building** ,1879 **Sacred Art** Henry Glassie,Pravina Shukla,2017-11-20 Sacred art flourishes today in northeastern Brazil where European and African religious traditions have intersected for centuries Professional artists create images of both the Catholic saints and the African gods of Candomblé to meet the needs of a vast market of believers and art collectors Over the past decade Henry Glassie and Pravina Shukla conducted intense research in the states of Bahia and Pernambuco interviewing the artists at

length photographing their processes and products attending Catholic and Candomblé services and finally creating a comprehensive book governed by a deep understanding of the artists themselves Beginning with Edival Rosas who carves monumental baroque statues for churches and ending with Francisco Santos who paints images of the gods for Candomblé terreiros the book displays the diversity of Brazilian artistic techniques and religious interpretations Glassie and Shukla enhance their findings with comparisons from art and religion in the United States Nigeria Portugal Turkey India Bangladesh and Japan and gesture toward an encompassing theology of power and beauty that brings unity into the spiritual art of the world

Essential Subject Knowledge for Primary Teaching Nasreen Majid, 2023-03-25 As a trainee teacher you have a huge amount to grapple with when it comes to developing expertise in the suite of subjects within the primary national curriculum Subject knowledge cannot be developed in isolation it must relate to the curriculum knowledge and pedagogical knowledge enabling ways to teach the subject with confidence This book takes you through a journey of the national curriculum supporting you to think about each subject's positioning within the national curriculum the subject knowledge you need to know and how to teach each subject in a creative way Highlighting the importance of diversity equity and inclusion across all chapters this book enables new teachers to bring new voices and perspectives to the classroom It includes Key subject knowledge Examples of sequenced lessons Classroom ideas Links to further learning and subject associations A chapter exploring the subject knowledge needed to teach sustainability and climate change
