Sea Island Diary Edith M. Dabbs,1983

The History of Beaufort County, South Carolina Lawrence S.

Rowland,Alexander Moore,George C. Rogers, Jr.,2020-06-22 The complex colorful history of South Carolina s southeastern corner In the first volume of The History of Beaufort County South Carolina three distinguished historians of the Palmetto State recount more than three centuries of Spanish and French exploration English and Huguenot agriculture and African slave labor as they trace the history of one of North America s oldest European settlements From the sixteenth century forays of the Spaniards to the invasion of Union forces in 1861 Lawrence S Rowland Alexander Moore and George C Rogers Jr chronicle the settlement and development of the geographical region comprised of what is now Beaufort Jasper Hampton and part of Allendale counties The authors describe the ill fated attempts of the Spanish and French to settle the Port Royal Sound area and the arrival of the British in 1663 which established the Beaufort District as the southern frontier of English North America They tell of the region s bloody Indian Wars participation in the American Revolution and golden age of prosperity and influence following the introduction of Sea Island cotton In charting the approach of civil war Rowland Moore and Rogers relate Beaufort District s decisive role in the Nullification Crisis and in the cultivation by some of the district s native sons of South Carolina s secessionist movement Of particular interest they profile the local African American or Gullah population a community that has become well known for the retention of its African cultural and linguistic heritage **Low**

Country Gullah Culture, Special Resource Study ,2003 **Fripp Island** Page Putnam Miller,2006-10-01 A small island along the South Carolina coast with a white beach live oaks palms pines and vast marshes Fripp Island captivates residents and visitors The ebb and flow of tides the fortunes and difficulties of developers and the fluctuations in the residential community have shaped Fripp s history In the years since 1963 when the bridge to Fripp was built two constants in the island s history have been the beauty of its natural setting and its dedicated residents Page Putnam Miller who for twenty years served as the lobbyist for the historical profession in Washington and for the past five years has been a Distinguished Visiting Lecturer in the graduate history program at the University of South Carolina has undertaken several years of extensive research to examine the intricate turns and twists in ownership of the resort and to explore the evolution of the residential community **Gullah Spirituals** Eric Sean Crawford,2021-07-16 In Gullah Spirituals musicologist Eric Crawford traces Gullah Geechee songs from their beginnings in West Africa to their height as songs for social change and Black identity in the twentieth century American South While much has been done to study preserve and interpret Gullah culture in the lowcountry and sea islands of South Carolina and Georgia some traditions like the shouting and rowing songs have been all but forgotten This work which focuses primarily on South Carolina s St Helena Island illuminates the remarkable history survival and influence of spirituals since the earliest recordings in the 1860s Grounded in an oral tradition with a dynamic and evolving character spirituals proved equally adaptable for use during social and political unrest and in unlikely

circumstances Most notably the island s songs were used at the turn of the century to help rally support for the United States involvement in World War I and to calm racial tensions between black and white soldiers In the 1960s civil rights activists adopted spirituals as freedom songs though many were unaware of their connection to the island Gullah Spirituals uses fieldwork personal recordings and oral interviews to build upon earlier studies and includes an appendix with more than fifty transcriptions of St Helena spirituals many no longer performed and more than half derived from Crawford s own transcriptions Through this work Crawford hopes to restore the cultural memory lost to time while tracing the long arc and historical significance of the St Helena spirituals *Educating a Working Society* Glenn P. Lauzon,2018-10-01 The future looks promising for the field of career and technical education CTE The Every Student Succeeds Act of 2015 eases the way to create multiple pathways for high school students to get to college and careers Philanthropic foundations are funding innovations in career preparation State departments of education are revamping program guidelines and graduation requirements In many states governors have made career preparation a priority While people plan CTE s future *Educating a Working Society* looks to its past This book explores twentieth century efforts to bring schooling and work closer together Chapters feature timely topics such as public controversy over vocational programs the influences of racism in philanthropic giving students choices in course taking teachers efforts to combine the academic and vocational missions of schooling and contemporary trends in college and career readiness initiatives Using schools to prepare youth for work has a long and troubled history The contributors to this book dive into that history bringing up compelling issues that challenge conventional wisdom about the history of education *Voices of Our Ancestors* Patricia Causey Nichols,2009 In *Voices of Our Ancestors* Patricia Causey Nichols offers the first detailed linguistic history of South Carolina as she explores the contacts between distinctive language cultures in the colonial and early federal eras and studies the dialects that evolved even as English became paramount in the state As language development reflects historical development Nichols s work also serves as a new avenue of inquiry into South Carolina s social history from the epoch of Native American primacy to the present day Publisher ***Bathed in Blood*** Nicolas W. Proctor,2002 Regardless of color or class men in the Old South hunted the meat hides and furs they brought home reinforced the hunters claims to patriarchal authority as providers for their households During the antebellum era many white men also began using the hunt as a venue for the display of increasingly complex ideas about gender race class and community Proctor history Simpson College explores the social drama of the hunt as it was conducted between 1800 and 1860 through accounts in books letters journals and periodicals He looks at the historical developments that shaped hunting as well as interactions between men and women and between owners and slaves Annotation copyrighted by Book News Inc Portland OR ***The New Encyclopedia of Southern Culture*** Richard Pillsbury,Charles Reagan Wilson,2014-02-01 The location of the South is hardly a settled or static geographic concept Culturally speaking are Florida and Arkansas really part of the same region Is Texas considered part of the South or the West

This volume of *The New Encyclopedia of Southern Culture* grapples with the contestable issue of where the cultural South is located both on maps and in the minds of Americans. Richard Pillsbury's introductory essay explores the evolution of geographic patterns of life within the region: agricultural practices, urban patterns, residential buildings, religious preferences, foodways, and language. The entries that follow address general topics of cultural geographic interest such as Appalachia, exiles and expatriates, Latino and Jewish populations, migration patterns, and the profound Disneyfication of central Florida. Entries with a more concentrated focus examine major cities such as Atlanta, New Orleans, and Memphis; the influence of black and white southern migrants on northern cities; and individual subregions such as the Piedmont, Piney Woods, Tidewater, and Delta. Putting together the disparate pieces that make up the place called the South, this volume sets the scene for the discussions in all the other volumes of *The New Encyclopedia of Southern Culture*.

Lowcountry Voodoo Terrance Zepke, 2009 When African slaves were brought to the American South to work the plantations, they brought with them their culture, traditions, and religion, including what came to be called voodoo. This unique blend of Christianity, herbalism, and folk magic is still practiced in South Carolina's Lowcountry. Though a beginner's guide, *Lowcountry Voodoo* offers a surprising wealth of information about this fascinating part of Lowcountry life. Learn about the Gullah and their ways, how to bring good luck and avoid bad luck spells and curses, and how to avoid them; how to cook up traditional good luck meals for New Year's Day; a real voodoo village you can visit; sweetgrass baskets; events and tours to acquaint you with Lowcountry culture. In a selection of Lowcountry tales that feature voodoo, meet a boo hag, a bride who sheds her skin at night, Dr. Buzzard, the most famous root doctor, a giant ghost dog, a young man whose love potion worked too well, George Powell, who outwitted a haint, Crook Neck Dick, who mostly outwitted a hangman, Doctor Trott, who captured a mermaid.

The Earth Knows My Name Patricia Klindienst, 2006 Description de l'auteur disponible à l'adresse ***Harvesting Freedom*** Akiko Ochiai, 2004-03-30 From early in the Civil War, the Sea Islands of South Carolina set the stage for an exciting experiment in freedpeople's independence. Lowcountry South Carolina is particularly significant not only for its aristocratic planters and its high profile in the secession, but for the degree of autonomy that the slaves acquired during seasons of absentee proprietorship. No place ever came closer to realizing the dream of Forty Acres and a Mule than this region, and consequently no place saw more vigorous struggles over land possession. Proving to the world their abilities to purchase lands, to organize cooperatives, and to participate in political parties, the African Americans of the lowcountry forged and fought for their own agrarian dreams. A highlight of Sea Island history was the Port Royal Experiment, when northern volunteer missionaries provided education to freedpeople, and General Rufus Saxton actively initiated Sherman's Field Orders, commandeering the coast for African American homesteaders. When freedom gave them the chance, this group embraced education and democratic self-rule with abilities that even their supporters underestimated. This is the true story of their triumphs and failures in the struggle to claim the lands on which their forefathers toiled and died.

Penn Center Orville Vernon Burton, Wilbur Cross, 2014-10-15

The Gullah people of St Helena Island still relate that their people wanted to catch the learning after northern abolitionists founded Penn School in 1862 less than six months after the Union army captured the South Carolina sea islands In this broad history Orville Vernon Burton and Wilbur Cross range across the past 150 years to reacquaint us with the far reaching impact of a place where many daring and innovative social justice endeavors had their beginnings Penn Center s earliest incarnation was as a refuge where escaped and liberated enslaved people could obtain formal liberal arts schooling even as the Civil War raged on sometimes just miles away Penn Center then earned a place in the history of education by providing agricultural and industrial arts training for African Americans after Reconstruction and through the Jim Crow era the Great Depression and two world wars Later during the civil rights movement Penn Center made history as a safe meeting place for organizations like Martin Luther King Jr s Southern Christian Leadership Conference and the Peace Corps Today Penn Center continues to build on its long tradition of leadership in progressive causes As a social services hub for local residents and as a museum conference and education complex Penn Center is a showcase for activism in such areas as cultural material and environmental preservation economic sustainability and access to health care and early learning Here is all of Penn Center s rich past and present as told through the experiences of its longtime Gullah inhabitants and countless visitors Including forty two extraordinary photographs that show Penn as it was and is now this book recounts Penn Center s many achievements and its many challenges reflected in the momentous events it both experienced and helped to shape **The South Carolina Historical Magazine** ,1984 Africanisms in American Culture, Second Edition Joseph E.

and along the Sea Islands all the way to Florida as well with Fort Frederick in 1734 having the earliest example of a diverse group of structures which included town houses seawalls planters homes barns agricultural buildings and slave quarters Tabby's insulating properties are excellent protection from long hot humid and sometimes deadly summers and on the islands particularly wealthy plantation owners built grand houses for themselves and improved dwellings for enslaved workers that after two hundred plus years still stand today An extraordinarily hardy material tabby has a history akin to some of the world's oldest building techniques and is referred to as rammed earth as well as *tapia* in Spanish *pis de terre* in French and *hangtu* in Chinese The form that tabby construction took along the Sea Islands however was born of necessity Here stone and brick were rare and expensive but the oyster shells that were used as the source for the tabby's lime base were plentiful Today these bits of shell often visible in the walls and forms constructed long ago give tabby its unique and iconic appearance Colin Brooker architect and expert on historic restoration has not only made an exhaustive foray into local tabby architecture and heritage he also has made a multinational tour as well in search of tabby origins evolution and diffusion from the Bahamas to Morocco to Andalusia which can be traced back as far as the tenth century Brooker has spent more than thirty years investigating the origins of tabby its chemistry its engineering and its limitations *The Shell Builders* lays out a sweeping in depth and fascinating investigative journey at once archaeological sociological and historical into the ways prior inhabitants used and shaped their environment in order to house and protect themselves leaving behind an architectural legacy that is both mysterious and beautiful Lawrence S Rowland a distinguished professor emeritus of history at the University of South Carolina Beaufort and past president of the South Carolina Historical Society provides a foreword
