Under a Blood Red Sun John J.

Domagalski, 2016-11-30 The author of *Into the Dark Water* balances scholarly research with accessible storytelling to tell the heroic WWII account of Torpedo Boat Squadron 3 Midwest Book Review During the opening days of World War II in the Pacific a small group of American sailors in the Philippines were propelled into the forefront of the fighting against the navy and air power of Imperial Japan They were manned with six small wooden PT boats and led by a courageous larger than life character in Lt John D Bulkeley As America's defense of the Philippines crumbled under the weight of a massive Japanese assault the courageous activities of Bulkeley's Torpedo Boat Squadron 3 made headlines across the United States often as the only good news coming from the bleak Pacific front The unit achieved everlasting fame by evacuating Gen Douglas MacArthur from the front Then the squadron continued to fight on until all six of its torpedo boats were lost under fire The fate of the doomed American defenders was sealed when the Japanese won the battle for the islands in the spring of 1942 The exploits of the unit were immortalized in the blockbuster 1945 movie *They Were Expendable* starring John Wayne and Robert Montgomery but since then the saga of Bulkeley and his men has slipped into history *Under a Blood Red Sun* revives the story of the Philippine PT boats through the intertwined accounts of Bulkeley and his subordinate officers and men It is a story of the courage and sacrifice of men thousands of miles from their homeland representing American gallantry and fighting prowess giving the Japanese a taste of what was to come their way *The Philippines in World War II, 1941-1945* Walter F. Bell, 1999-12-30 Because of their strategic location the Philippines exercised a profound influence in the thinking of both Japanese and American strategists before and during World War II A number of controversies surrounding the preparations for war the initial defense of the islands the Japanese occupation the conduct of guerrilla operations and the 1944-1945 American campaign to retake the islands still draw the interest of students and scholars This work provides a finding aid for individuals seeking to deal with these issues A bibliographic overview of available periodical and book literature in English this book is multidimensional encompassing all aspects military political economic and social of the Pacific War as it relates to developments in the archipelago The book is an essential source for those looking for insights into the war's impact on Philippine society and also into military operations in and around the islands With a chronological summary of wartime events in the islands as well as the bibliography the work constitutes a major contribution to the furtherance of historical inquiry on World War II in the Philippines *Conduct Under Fire* John A. Glusman, 2006-04-25 The fierce bloody battles of Bataan and Corregidor in the Philippines are legendary in the annals of World War II Those who survived faced the horrors of life as prisoners of the Japanese In *Conduct Under Fire* John A. Glusman chronicles these events through the eyes of his father Murray and three fellow navy doctors captured on Corregidor in May 1942 Here are the dramatic stories of the fall of Bataan the siege of the Rock and the daily struggles to tend the sick wounded and dying during

some of the heaviest bombardments of World War II Here also is the desperate war doctors and corpsmen waged against disease and starvation amid an enemy that viewed surrender as a disgrace To survive the POWs functioned as a family But the ties that bind couldn't protect them from a ruthless counteroffensive waged by American submarines or from the B 29 raids that burned Japan's major cities to the ground Based on extensive interviews with American British Australian and Japanese veterans as well as diaries letters and war crimes testimony this is a harrowing account of a brutal clash of cultures of a race war that escalated into total war Like *Flags of Our Fathers* and *Ghost Soldiers* *Conduct Under Fire* is a story of bravery on the battlefield and ingenuity behind barbed wire one that reveals the long shadow the war cast on the lives of those who fought it

Into the Dark Water John J. Domagalski, 2020-01-10 The complete World War II record of one of the most celebrated warships in American history made famous by her final commanding officer John F Kennedy *Fleshing out* the little known chronicle of this patrol torpedo boat under two officers during the swirling battles around Guadalcanal John Domagalski brings PT 109 and her crew back to life once again and in doing so honors all who served in the patrol torpedo service *Military Review* In these mainly nocturnal fights when the Japanese navy was at its apex America's small fast boat flotillas darted in among the enemy fleet like a barroom brawl with the lights turned out Bryant Larson and Rollin Westholm preceded Kennedy as commanders of PT 109 and their fights leading the ship and its brave crew hold second to none in the chronicles of US Navy daring As the battles moved on across the Pacific the PT boat flotillas gained confidence even as the Japanese too learned lessons on how to destroy them Under its third and final commander Kennedy PT 109 met its fate as a Japanese destroyer suddenly emerged from a dark mist and rammed it in half Two crewmen were killed immediately but Kennedy formerly on the swim team at Harvard was able to shepherd his wounded and others to refuge His unsurpassed gallantry cannot resist retelling yet the courage of the book's previous commanders have not until now seen the light of day This book provides the complete record of PT 109 in the Pacific as well as a valuable glimpse of how the American Navy's daring and initiative found its full playing field in World War II

Guantánamo Jonathan M. Hansen, 2011-10-11 An on the ground history of American empire Say the word Guantánamo and orange jumpsuits chain link fences torture and indefinite detention come to mind To critics the world over Guantánamo Bay Cuba is a striking symbol of American hypocrisy But the prison isn't the whole story For more than two centuries Guantánamo has been at the center of American imperial ambition first as an object of desire then as a convenient staging ground In *Guantánamo An American History* Jonathan M Hansen presents the first complete account of this fascinating place The U S presence at Guantánamo predates even the nation itself as the bay figured centrally in the imperial expansion plans of colonist and British sailor Lawrence Washington half brother of the future president George As the young United States rose in power Thomas Jefferson and his followers envisioned a vast empire of liberty which hinged on U S control of the Gulf of Mexico and the Caribbean Sea Politically and geographically Guantánamo Bay was the key to this strategy So when Cubans took up arms against their Spanish rulers in 1898 America

swooped in to ensure that Guant namo would end up firmly in its control Over the next century the American navy turned the bay into an idyllic modern Mayberry complete with bungalows cul de sacs and country clubs which base residents still enjoy In many ways Guant namo remains more quintessentially American than America itself a distillation of the idealism and arrogance that has characterized U S national identity and foreign policy from the very beginning Despite the Obama administration s repeated efforts to shutter the notorious prison the naval base is in no danger of closing anytime soon Places like Guant namo which fall between the clear borders of law and sovereignty continue to serve a purpose regardless of which leaders left right or center hold the reins of power

Last Stand on Bataan Christopher L. Kolakowski,2016-03-11 In the opening days of World War II a joint U S Filipino army fought desperately to defend Manila Bay and the Philippines against a Japanese invasion Much of the five month campaign was waged on the Bataan Peninsula and Corregidor Island Despite dwindling supplies and dim prospects for support the garrison held out as long as possible and significantly delayed the Japanese timetable for conquest in the Pacific In the end the Japanese forced the largest capitulation in U S military history The defenders were hailed as heroes and the legacy of their determined resistance marks the Philippines today Drawing on accounts from American and Filipino participants and archival sources this book chronicles these critical months of the Pacific War from the first air strikes to the fall of Bataan and Corregidor

World War II in Literature for Youth Patricia Hachten Wee,Robert James Wee,2004 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource
