Sean O'Casey

Sean O'Casey A Biography:

Sean O'Casey Christopher Murray, 2004 In *Sean O'Casey Writer at Work* Christopher Murray takes a fresh look at the life of the last of the great writers of the Irish literary revival Re exploring the Dublin of O'Casey's childhood and the political situation in Ireland during his early life Murray sets them against O'Casey's autobiographies in an attempt to establish O'Casey's Ireland The second half of O'Casey's life was spent mostly outside Ireland and much of his income came from the United States Murray examines his rise as an international figure and contrasts his later more socialist work with his more nationalist early work Christopher Murray establishes O'Casey as a self-made man of letters an irrepressible fighter a man who combined political courage and innocence torn between a humanist vision of life rooted in his Dublin childhood and a utopian but blinkered loyalty to the Soviet Union Sean O'Casey *Writer at Work* reconstructs a life committed to writing as a moral endeavour While acknowledging that much of O'Casey's work was uneven flawed and overambitious Murray argues that at its best it was infused with a passion and generosity that place it among the best bodies of drama in the twentieth century
