Sean O'Casey The Man His Work:

Sean O'Casey: the Man and His Work David Krause, 1975 Sean O'Casey David Krause, 1967 *Sean O'Casey* Christopher Murray, 2004-11-08 Sean O'Casey was the quintessential Dublin playwright. In critical works that include his Dublin Trilogy *The Shadow of a Gunman*, *Juno and the Paycock*, and *The Plough and the Stars*, he portrayed the traumatic birth of a nation and delved into the Irish national character. Christopher Murray's *Sean O'Casey: Writer at Work* takes a fresh look at the last of the great writers of the Irish literary revival. Sean O'Casey R. Ayling, 1969-02-01 *Sean O'Casey* David Krause, 1975 *Essays on Sean O'Casey's Autobiographies* Robert G. Lowery, 1981-06-18 Sean O'Casey Brooks Atkinson, 1982-06-18 *The Theatre of Sean O'Casey* James Moran, 2013-12-04 This Critical Companion to the work of one of Ireland's most famous and controversial playwrights, Sean O'Casey, is the first major study of the playwright's work to consider his oeuvre and the archival material that has appeared during the last decade. Published ahead of the centenary of the 1916 Easter Rising in Ireland, with which O'Casey's most famous plays are associated, it provides a clear and detailed study of the work in context and performance. James Moran shows that O'Casey not only remains the most performed playwright at Ireland's national theatre but that the playwright was also one of the most controversial and divisive literary figures whose work caused riots and who alienated many of his supporters. Since the start of the Troubles in the North of Ireland, his work has been associated with Irish historical revisionism and has become the subject of debate about Irish nationalism and revolutionary history. Moran's admirably clear study considers the writer's plays, autobiographical writings, and essays, paying special attention to the Dublin trilogy *The Shadow of a Gunman*, *Juno and the Paycock*, and *The Plough and the Stars*. It considers the work produced in exile during the war and the late plays. The Companion also features a number of interviews and essays by other leading scholars and practitioners, including Garry Hynes, Victor Merriman, and Paul Murphy, which provide further critical perspectives on the work. *O'Casey Annual No. 1* Robert G. Lowery, 1982-06-18 *The Routledge History of Irish America* Cian T. McMahon, Kathleen P. Costello-Sullivan, 2024-07-23 This volume gathers over 40 world-class scholars to explore the dynamics that have shaped the Irish experience in America from the seventeenth to the twenty-first centuries. From the early 1600s to the present, over 10 million Irish people emigrated to various points around the globe. Of them, more than six million settled in what we now call the United States of America. Some were emigrants, some were exiles, and some were refugees, but they all brought with them habits, ideas, and beliefs from Ireland, which played a role in shaping their new home. Organized chronologically, the chapters in this volume offer a cogent blend of historical perspectives from the pens of some of the world's leading scholars. Each section explores multiple themes, including gender, race, identity, class, work, religion, and politics. This book also offers essays that examine the literary and/or artistic production of each era. These studies investigate not only how Irish America saw itself or in turn was seen, but also how the historical moment influenced cultural representation. It demonstrates the ways in which Irish Americans have connected with other

groups such as African Americans and Native Americans and sets Irish America in the context of the global Irish diaspora This book will be of value to undergraduate and graduate students as well as instructors and scholars interested in American History Immigration History Irish Studies and Ethnic Studies more broadly *The Cambridge Companion to Twentieth-Century Irish Drama* Shaun Richards, 2004-01-29 The essays in this collection cover the whole range of Irish drama from the late nineteenth century melodramas which anticipated the rise of the Abbey Theatre to the contemporary Dublin of theatre festivals A team of international experts from Ireland the UK the USA and Europe provide individual studies of internationally known playwrights of the period of the Literary Revival Yeats Synge Lady Gregory Shaw Wilde O'Casey and contemporary playwrights Brian Friel Tom Murphy Frank McGuinness and Sebastian Barry in addition to emerging playwrights such as Martin McDonagh and Marina Carr Further to studies of individual playwrights the collection also includes examination of the relationship between the theatre and its political context as this is inflected through its ideology staging and programming With a full chronology and bibliography this collection is an indispensable introduction to one of the world's most vibrant theatre cultures *The Oxford Companion to Twentieth-century Literature in English* Jenny Stringer, 1996 Survey of twentieth century English language writers and writing from around the world celebrating all major genres with entries on literary movements periodicals more than 400 individual works and articles on approximately 2 400 authors *Continuum Companion to Twentieth Century Theatre* Colin Chambers, 2006-05-14 International in scope this book is designed to be the pre eminent reference work on the English speaking theatre in the twentieth century Arranged alphabetically it consists of some 2500 entries written by 280 contributors from 20 countries which include not only top level experts but uniquely leading professionals from the world of theatre A fascinating resource for anyone interested in theatre it includes Overviews of major concepts topics and issues Surveys of theatre institutions countries and genres Biographical entries on key performers playwrights directors designers choreographers and composers Articles by leading professionals on crafts skills and disciplines including acting design directing lighting sound and voice **Hegemony and Fantasy in Irish Drama, 1899-1949** P.
