Sean Julie Maude Miller,1999-10-01 Many families have lost a child to cancer including Miller whose 14 year old son died of the disease This year long journal offers a unique insight into a parent s grief **The Child Sex Scandal and Modern Irish Literature** Joseph Valente,Margot Gayle Backus,2020 Even though the Irish child sex abuse scandals in the Catholic Church have appeared steadily in the media many children remain in peril In *The Child Sex Scandal and Modern Irish Literature* Joseph Valente and Margot Gayle Backus examine modern cultural responses to child sex abuse in Ireland Using descriptions of these scandals found in newspapers historiographical analysis and 20th and 21st century literature Valente and Backus expose a public sphere ardently committed to Irish children s souls and piously oblivious to their physical welfare They offer historically contextualized and psychoanalytically informed readings of scandal narratives by nine notable modern Irish authors who actively pointedly and persistently question Ireland s responsibilities regarding its children Through close critical readings a more nuanced and troubling account emerges of how Ireland s postcolonial heritage has served to enable such abuse *The Child Sex Scandal and Modern Irish Literature* refines the debates on why so many Irish children were lost by offering insight into the lived experience of both the children and those who failed them *Shadows of Death* Jason N. Wilson,2009-03-30 Sean Washington was born with a gift He has the ability to see when someone is going to die His visions allow him to see people in a frightening gray hue On July 17th 1990 Sean was a high school junior on a class trip to New York City with his classmates when a terrorist left a bomb on the train killing six hundred and ninety seven people Sean was only able to save one of his classmates his best friend Reginald Kane Now Sean is a homicide detective searching for an elusive crafty and violent serial killer that leaves his victims handcuffed making escape for the killers victims all but impossible While the detective is on the case the killer discovers that Sean is after him The killer gives a terrifying ultimatum Step down from the case or the ones closest to you will die one by one Will Sean find the killer or will he succumb to his shadows of death

Shelter From The Storm Joanne Hilden,Daniel Tobin,Karen Lindsey,2009-04-28 Critically ill and unlikely to survive A recent Harvard University study on pediatric end of life care has shown that the medical community is failing such children and their families Indeed in their effort to be ever hopeful and cure oriented in the face of a child s terminal illness they neglect to advise parents on the basics of emotional support for all family members pediatric pain medication and the need for making plans and worst case preparations Based on the National Advanced Illness Coordinated Care program and the stories and advice gleaned from co author Joanne Hilden s years of work as a pediatric oncologist *Shelter from the Storm* fills this advice and caregiving void A compassionate road map to what the family may have to face what they may be asked to decide and how they might want to involve their child in the decision making *Shelter from the Storm* will help parents and caregivers make informed loving and protective choices on behalf of their children in the most trying of times **Case Studies in Child and Adolescent Counseling** Larry B. Golden,2002 This award winning book presents a realistic picture

of therapy's rewards and challenges through sixteen actual cases involving children and adolescents. Readers are exposed to a variety of counseling theories and the real live counselors who use them. The cases deal with major problem areas such as sexual abuse, dual diagnoses, seriously dysfunctional families, and addictions. A five-part organization of each case covers an introduction that discusses the presenting problem and background information about the client, conceptualization of therapeutic goals and strategies, process descriptions of actual client contacts, it explains what happened in sessions and how the therapist's relationship with the client changed over time, outcome sections describing the result of the work done between therapist and client, and discussion explanations of what the author/therapist might have done differently. In addition, the author describes his or her personal and professional growth that resulted from this encounter with a troubled youngster.

For child and adolescent counselors beginning their journey as therapists      **Dolly Mixtures** Sarah Franklin, 2007-04-11

A cultural analysis of Dolly the cloned sheep      *Life Came to a Standstill* Gwendolyn Broadmore, 2017-11-16

How does a parent live through the death of a child? This profound and poignant compilation of the courageous personal journeys of seven grieving mothers and one grieving sister offers a road map of how to cope with the anguish of traumatic unexpected loss, giving inspiration for continuing to live. Each narrative lovingly remembers the deceased, honestly conveys the shock of death, and details the grief work that the survivors and their extended family members have done to move toward healing and make a new life without their loved one. Though these are stories of painful loss, they are also inspiring accounts of strength, hope, and love, lighting the way from the darkest sorrow to the first shimmer of hope. An extensive addendum includes helpful supplementary material with valuable professional insights and guidance to help you navigate when your once familiar world feels like an alien landscape.

*Young Men Surviving Child Sexual Abuse* Andrew Durham, 2003-08-01

Young Men Surviving Child Sexual Abuse examines a largely neglected area in child protection: the sexual abuse of boys. Andrew Durham, a consultant social work practitioner, describes his original research undertaken with young men close to or in the midst of adolescence. The book features extensive narrative as the life story approach taken allows the young men to theorise their own experience and to understand how and why child sexual abuse has had a harmful and long-lasting impact on their day-to-day lives. Alongside the research stories, the author presents a theoretical framework for understanding male sexual abuse as well as a wide range of accessible practice materials. This book will be invaluable to those working with children and young people who are recovering from child sexual abuse.

The Matter of Little Losses Rachel Marie Kang, 2024-02-06

Life is full of love, but it is also full of loss. Like paper cuts to the heart, every big and seemingly insignificant loss—the loss of friendships, faith, dreams, health, community, and everything in between—grieves us more than we think it will and often more than we let on. Why? Because they matter. In this compassionate and deeply personal book, Rachel Marie Kang invites you to see and be seen in the midst of your sorrow, your suffering, your story. Through prose and poetry that gives voice to all the things we lose along the way, this gracious book will help you ponder your loss without judgment, remember what was, and make meaning of

your memories reflect on what is yet to be as you heal with hope You don t have to bury your pain and you don t have to pretend you re over it just because the world thinks you should be Let Rachel walk hand in hand with you giving space for sorrow and welcoming you as you find your way along the path to healing      **The Christmas Encyclopedia, 4th ed.**

Take Care of Them Like My Own Ala Stanford, 2024-08-06 The founder of the Black Doctors Consortium highlights the devastating racial injustices in our healthcare system in this inspirational memoir and empowering call to action Dr Ala Stanford knew she wanted to be a doctor by the time she was eight years old But role models were few and far between in her working class North Philly neighborhood Her teachers were dismissive and the realities of racism sexism and poverty threatened to derail her at every turn Nevertheless thanks to her faith family and the sheer strength of her will today she is one of the vanishingly small number of Black women surgeons in America and an unrelenting force in the fight for health justice In Take Care of Them Like My Own Dr Stanford shares an unflinching account of her story explaining how her experiences on both sides of the scalpel have informed her understanding of America's racial health gap an insidious and lethal form of inequality that exacts a devastating toll on Black communities across the country affluent and underserved alike When Covid 19 arrived in her hometown of Philadelphia she knew it would disproportionately affect the Black population As the city stood idly by unwilling or unable to protect its most vulnerable citizens Dr Stanford took matters into her own hands She rented a van made some calls and began administering tests in church parking lots Soon she found herself at the helm of a powerful grassroots campaign that successfully vaccinated tens of thousands of Philadelphians She

and her movement are living proof that by drawing on faith community and inner strength everyday people can affect tremendous change Part memoir part manifesto for health equality and justice Take Care of Them Like My Own offers urgent lessons about the power of communities working together to take care of one another and the importance of fighting for a healthcare system that truly fulfills its promise to all Americans [S.C.A.R.E.
