Search For The Ethics Of Love The:

In Search of the Good Life Corey Miller, 2019-10-01 What is the Good Life Learn from some of the greatest minds in Greek Jewish and Christian thought Comparing their thought reveals a new apex reached in the age old question concerning the relationship of Jerusalem and Athens faith and reason Few have been more influential in Judaism and Christianity than Moses Maimonides and Thomas Aquinas yet Aristotle influenced them both in significant ways By adopting and adapting some of Aristotle s best thinking we can appreciate Maimonides and Aquinas search for the Good Life from their respective views ranging from the fall to human perfectibility This examines human nature the human telos and how each would prescribe the route to the Good Life For all three it is ultimately about the knowledge of God But what does that mean The comparative approach is more illuminating than if considered in isolation Comparatively Aristotle s approach may be characterized as informational Maimonides as instructional and Aquinas as pneumatic relational The role of faith as a virtue in both Maimonides and Aquinas makes a substantive difference over Aristotle s in philosophical and practical ways It is used to exploit their accounts of the human fall moral perfection and ultimate human perfection the knowledge of God **In**

Search of Self J. Wentzel van Huyssteen, Erik P. Wiebe, 2011-04-29 Includes bibliographical references and indexes

Spinoza and the Philosophy of Love Michael Strawser, 2021-08-27 In Spinoza and the Philosophy of Love Michael Strawser provides a new reading of Spinoza as a philosopher of love and one who centers his thought on an ethically qualified conception of noble love Strawser examines the threefold conception of love found in Spinoza s Ethics and argues that what is most important for Spinoza s philosophy is a unified conception of love centered on nobility amor sive generositas This active conception of love can conquer hatred and bring people together Situating Spinoza s philosophy of love within both Jewish and Western philosophical traditions Strawser investigates questions in the philosophy of love together with Spinoza and thinkers such as Saadia Gaon Maimonides Leone Ebreo Tullia d Aragona and Ren Descartes He shows how Spinoza deepens our understanding of amorous perfectionism and how this reading of Spinoza s philosophy of love serves as both a corrective to problematic readings such as those found in Isaac Bashevis Singer and Emmanuel Levinas and a counter to speciesism With careful examination of Spinoza s writings Strawser demonstrates that the goal of his philosophy is best understood as the love of other people who are to be helped and united with in friendship Ultimately Spinoza s philosophy of love calls for collective nobility Ethics, Love, and Faith in Kierkegaard Edward F.

Mooney, 2008-07-17 Ethics Love and Faith in Kierkegaard collects essays from 13 leading scholars that center on key themes that characterize Kierkegaard s philosophy of religion With their unique focus on notions of the self views on the command to love one s neighbor thoughts on melancholy and despair and the articulation of religious vision the essays in this volume cover the breadth and depth of Kierkegaard s philosophical and religious writings Poised at the intersection of Kierkegaard s moral psychology and its religious significance they offer vivid testimony to the ongoing power of his unique and fervent

religious spirit Students and scholars alike will find new light shed on questions that define Kierkegaard's philosophy and religion today

The Heart in the Digital Era Pasquale De Marco, 2025-07-14 In *The Heart in the Digital Era* we embark on a poignant exploration of love and relationships in the 21st century a world indelibly shaped by technology As our lives become increasingly intertwined with the digital realm we find ourselves navigating a landscape of virtual connections and ever shifting boundaries between the physical and virtual worlds Through the eyes of diverse characters we witness the complexities of love in the digital age We follow their journeys as they navigate the challenges and opportunities of finding love maintaining intimacy and confronting the ethical dilemmas posed by technology The book delves into the unique experiences of digital natives those who have come of age in a world where technology is an inseparable part of life We explore how their perspectives on love and relationships are shaped by this digital context and the challenges they face in finding authentic connections in a world saturated with virtual interactions With sensitivity and insight the book also confronts the darker aspects of love in the digital age It sheds light on the potential for abuse and manipulation the complexities of digital infidelity and the unique challenges of grieving and loss in a world where our lives are increasingly mediated by technology Furthermore *The Heart in the Digital Era* looks to the future envisioning the potential trajectories of love and relationships in a world transformed by emerging technologies It explores the possibilities and pitfalls of artificial intelligence virtual reality and augmented reality examining their potential to enhance or hinder human connection Ultimately this book is not only a reflection on the impact of technology on love but also a celebration of the enduring power of human emotions in a digital world It is a call for a more ethical compassionate and human centered approach to love in the digital age a search for the balance between the virtual and the tangible the technological and the human If you like this book write a review

Elliot N. Dorff: In Search of the Good Life Hava Tirosh-Samuelson, Aaron W. Hughes, 2014-07-17 Rabbi Elliot N Dorff the Sol and Anne Dorff Distinguished Professor of Philosophy and Rector of American Jewish University in Los Angeles is one of today's leading Jewish ethicists Writing extensively on the intersection of law morality science religion and medicine Dorff offers an authoritative and non Orthodox interpretation of Jewish law As a leader in the Rabbinical Assembly's Committee on Jewish Law and Standards he has shaped the religious practices of Conservative Jews In serving on national advisory committees and task forces he has helped to articulate a distinctive Jewish voice on contested bioethical and biomedical issues An analytic philosopher by training Dorff has endorsed pluralism arguing that Jewishness best flourishes in the context of American pluralism and he has worked closely with non Jews to advance religious pluralism in America

Can You Hear My Pain Now? Michael G. Maness, Kevaghnn Mattis, 2022-05-05 Pastoral care and its theology get a gentle boost from some of the best in the business of caring for the soul When a person hurts they often look to God Several pathfinders give new light from their specialties each one speaking powerfully uniquely and artfully from decades of experience Dr Amos Yong's article on disability forwards the amazingly helpful term temporarily able bodied Greek Orthodox

Dr Vasileios Thermos and Roman Catholic Dr Robert Fastiggi enlighten next to the powerful testaments of Professor Godfrey Harold on South Africa and Dr Samuel Yonas Deressa on Ethiopia Each weathered author contributes universal insights into the grace of our great God and challenges pastors throughout the Christian world to kindly consider the heart of the afflicted These finely hewn stones can be used by anyone in the ministry to sharpen their serve Mattis and Maness offer this third collection from Testamentum Imperium with a prayer that these will open new avenues of sensitivity to the hearts and souls of those in travail and aid those who are called by God to serve those in pain

Do I Look at You with Love? Mark Freeman, 2021-02-15 Do I Look at You with Love were the words uttered by Mark Freeman s mother when she learned once again that he was her son This book explores the experience of dementia as it transpired during the course of the final twelve years of her life from the time of her diagnosis until her death in 2016 at age 93 As a longtime student of memory identity and narrative as well as the son of a woman with dementia he had a remarkable opportunity to try to understand and tell her story Much of the story is tragic But there were other periods and other dimensions of relationship that were beautiful and that could not have emerged without her very affliction In the midst of affliction there were gifts arriving unbidden that served to alert Freeman and his family to what is most precious and real These are part of the story too Part narrative psychology part memoir part meditation on the beauty and light that might be found amidst the ravages of time and memory Freeman s moving story is emblematic of nothing less than the bittersweet reality of life itself

Experiments in Love and Death Paul Komesaroff, 2014-06-03 *Experiments in Love and Death* is about the depth and complexity of the ethical issues that arise in illness and medicine In his concept of microethics Paul Komesaroff provides an alternative to the abstract debates about principles and consequences that have long dominated ethical thought He shows how ethical decisions are everywhere in small decisions in facial expressions in almost inconspicuous acts of recognition and trust Through powerful descriptions of case studies and clear and concise explanations of contemporary philosophical theory the book brings discussions about ethics in medicine back to where they belong to the level of the everyday experience where people live suffer and hope A fresh and evocative look at the changing world of ethics as it applies to health and illness this is an important book for all those touched by illness or suffering

Love Letter to a Conflicted Church Richard P. Olson, 2010-01-01 The book is organized into three divisions and as the title implies there is a brief letter in the form of a New Testament epistle to the contemporary church a portion of which begins each chapter The first division reexamines the gifts and redemptive possibilities of anger and conflict The barriers to healthy anger conflict are considered and addressed In the second attention is given to conflicts surrounding the Bible There is a chapter on conflict and reconciliation in the Bible followed by suggestions on how people who read the Bible differently from each other can resolve some of those differences Consideration is also given to discovering biblical priorities for the contemporary church The third division offers vistas of change and reconciliation Parables of hope and promise are provided Insights from the studies of persons and communities

as well as ethics and theology are summarized There is reflection on those unresolved conflicts that continue in spite of our best efforts Then moral imagination is engaged to visualize the opportunities for a church that moves beyond its present stalemates

In Search of the Hidden Treasure George Rapanos,2006-12-01 In Search of the Hidden Treasure The Pearl of Great Worth is a book dealing with religious transformation It is an aggregate of various sources as diverse as Buddha Meister Eckhart Edna St Vincent Millay Samuel Taylor Coleridge Walt Whitman and the Bible This book is both a spiritual autobiographical affirmation of my faith and encouragement to those who wish to follow a path that may lead them to spiritual fulfillment It evolved from a religious revelation which I had in 1984 and is an anguished forthright attempt to come to grips with the religious issues which I found hostile and unfriendly and contained in daily life It is not my intent to reveal a set of truths about God as much as it is an attempt to convey through prose poetry quotations parables wisdom tales and my own mythological story and poetic works the intuition of reality that touches the heart and burns and stirs the soul I have written what I feel is crucial and important in describing the reality of truth

Proceedings from Philosophy of Love Volume 1 Spring 2017 Dana Trusso,2017-06-14 Philosophy of Love is one of many courses offered at LaGuardia Community College CUNY in the Philosophy and Critical Thinking Program The journal is a collection of student work inspired by the readings and discussions from HUP 215 during the Spring 2017 semester Inside you will find each student s final paper along with a critical review and a response from the author The format reflects the dialectical process that we embarked on during class discussions up and down the ladder of love The ascent is a challenging struggle The dialectic continues motivated by a love for wisdom self and others chiseling away as we sculpt our characters in the pursuit of the good life

Love, Life and Death Chattopadhyaya, D. P.,2010 In Love Life and Death eminent philosopher and scholar D P Chattopadhyaya asks anew the fundamental question what is it to live love and die Exploring the lives writings and actions of some of the world s most influential poets philosophers and scientists from Copernicus to Keats and from Sankara to Aurobindo he wades through the stream of human consciousness and encounters traces of cultural universality

A Companion to Woody Allen Peter J. Bailey,Sam B. Girgus,2013-02-19 Edited by two renowned Allen experts A Companion to Woody Allen presents a collection of 26 original essays on the director s films Contributions offer a number of divergent critical perspectives while expanding the contexts in which his work is understood A timely companion by the authors of two of the most important books on Allen to date Illuminates the films of Woody Allen from a number of divergent critical perspectives Explores the contexts in which his work should be understood Assesses Allen s remarkable filmmaking career from its early beginnings and investigates the conflicts and contradictions that suffuse it Discusses Allen s recognition as a global cinematic figure

Unlimited Love Stephen G. Post,2003-05 What if we could prove that love heals mental illness and is vital to successful therapeutic outcomes in all areas of health care What if we could prove that people who live more for others than for self have greater psychological well being Professor Stephen G Post who heads the Institute for Research on Unlimited Love is developing a

new positive scientific program that integrates practice with high level empirical research and religious ethical ideas in order to explore these questions The goal is to understand how our complex brains unique imaginations communicative abilities reasoning powers moral sense and spiritual promptings give rise to the remarkable practice of unselfish love for our neighbors or for those we do not even know In *Unlimited Love* Post examines the question of what we mean by unlimited love his focus is not on falling into love which is altogether natural easy and delusional Rather he focuses on the difficult learned ascent that begins with insight into the need for tolerance of ubiquitous imperfection and matures into unselfish concern gratitude and compassion He considers social scientific and evolutionary perspectives on human altruistic motivations and he analyzes these perspectives in a wide interdisciplinary context at the interface of science ethics and religion Teilhard de Chardin commented that the scientific understanding of the power of unselfish love would be as significant in human history as the discovery of fire In *Unlimited Love* Stephen Post presents an argument for the creation of a new interdisciplinary field for the study of love and unlimited love engaging great minds and hoping to shape the human future away from endless acrimony hatred and violence

Sex, Love, and Friendship, 2022-07-18 This collection joins together sixty essays on the philosophy of love and sex Each was presented at a meeting of The Society for the Philosophy of Sex and Love held between 1977 and 1992 and later revised for this edition Topics addressed include ethical and political issues AIDS abortion homosexual rights and pornography conceptual matters the nature essence or definition of love friendship sexual desire and perversion the study of classical and historical figures Plato Aristotle Spinoza Kant and Kierkegaard and issues in feminist theory sexual objectification the social construction of female sexuality reproductive and marital arrangements Authors include Jerome Shaffer Sandra Harding Michael Ruse Richard Mohr Russell Vannoy Claudia Card M C Dillon Gene Fendt Steven Emmanuel T F Morris Timo Airaksinen and Sylvia Walsh The editor who is the author of *Pornography* 1986 *The Structure of Love* 1990 and *Sexual Investigations* 1996 has also contributed six pieces and an Introduction

Looking for Love in the Legal Discourse of Marriage Renata Grossi, 2014-09-01 This book examines the in visibility of romantic love in the legal discourse surrounding modern Australian marriage It looks at how romantic love has become a core part of modernity and a dominant part of the Western marriage discourse and considers how the ideologies of romantic love are or are not replicated in the legal meaning of marriage This examination raises two key issues If love has become central to people s understanding of marriage then it is important for the legitimacy of law that love is reflected in both the content and application of the law More fundamentally it requires us to reconsider how we understand law and to ask whether it is engaged with emotions or separate from them Along the way this book also considers the meaning of love itself in contemporary society and asks whether love is a radical force capable of breaking down conservative meanings embedded in institutions like marriage or whether it simply mirrors them This book will be of interest to everyone working on love marriage and sexuality in the disciplines of law sociology and philosophy

In Search of Radical Theology John D.

Caputo,2020-10-06 These sparkling essays from a seasoned scholar are a great breath of fresh air in our claustrophobic and catastrophic time Cornel West Capturing a career s worth of thought and erudition this rich volume treats readers to creative thought careful argumentation and sophisticated analysis transmitted through the lucid accessible prose that has earned the author a wide readership of academics and non academics alike In tackling radical theology John D Caputo has in mind the deeper stream that courses its way through various historical and confessional theologies upon which these theologies draw even while it disturbs them from within They are well served by this disturbance because it keeps them on their toes When we read about professional theologians losing their jobs in confessional institutions the chances are that by earnestly digging into what is going on in their tradition they have hit upon radical theological rock Unlike modernist dismissals of religion radical theology does not debunk but re invents the theological tradition Radical theology Caputo says is a double deconstruction of supernatural theology on the one hand and of transcendental reason on the other and therefore of the settled distinctions between the religious and the secular Caputo also addresses the challenge for radical theology to earn a spot in the curriculum given that the radical makes it suspect among the confessional seminaries while the theology renders it suspect among university seminars Journeying from the academy to contemporary American culture In Search of Radical Theology includes a captivating presentation of radical political theology for the time of Trump This utterly unique volume not only brings readers on an enlightening tour of Caputo s thought but also invites us to accompany the author as he travels into intriguing new territories

In Search of Jesus Christ Dhirendranath Chowdhuri,1927 **Modern European Philosophers** Wayne P. Pomerleau,2022-10-07 A comprehensive yet accessible account of the major figures and movements of modern European philosophy Modern European Philosophers explores the great Western thinkers of the seventeenth eighteenth and nineteenth centuries Author Wayne Pomerleau presents a thorough historical treatment of the key ideas and arguments of twenty one influential philosophers such as Ren Descartes John Locke Immanuel Kant John Stuart Mill S ren Kierkegaard and Friedrich Nietzsche Balancing depth and accessibility topically organized chapters examine the work of a particular philosopher concerning epistemology reality the divine human nature freedom versus determinism ethical theory and various issues of society Each chapter includes a brief topic overview and summary biographical background textual references and direct quotations from primary sources Examines early modern rationalism early modern empiricism German idealism and anti idealist alternatives Covers Rousseau Hobbes Leibniz Schopenhauer Hume Hegel Marx and other major European thinkers Contains an introductory chapter with background information on ancient philosophy medieval philosophy and renaissance thinkers Includes integrated coverage of nine women philosophers of modern Europe to illustrate alternative perspectives Modern European Philosophers is an excellent primary or supplementary text for undergraduate and graduate courses on the history of modern philosophy and a useful resource for general readers looking to learn about the modern Western intellectual tradition
