Lyrics in Search of Music Terry L. Rath, 2018-11-20 I have composed the following collection of poetry for more than four decades This is my second published book of verse Once again it has been inspired by people places and life episodes that have been a large part of my life Writing has become a great passion for me as it occupies such a large part of my life In this book I cover several darker subjects from the less popular side of life that I didn't feature in depth in my first book Working in downtown Denver for more than ten years I encountered people that were struggling to just survive rather than actually living life My goal in compiling this collection is to present a strong mix of poetic subjects Terry L Rath

In Search of Mary Shelley Fiona Sampson, 2018-06-05 We know the facts of Mary Shelley's life in some detail the death of her mother Mary Wollstonecraft within days of her birth the upbringing in the house of her father William Godwin in a house full of radical thinkers poets philosophers and writers her elopement at the age of seventeen with Percy Shelley the years of peripatetic travel across Europe that followed But there has been no literary biography written this century and previous books have ignored the real person what she actually thought and felt and why she did what she did despite the fact that Mary and her group of second generation Romantics were extremely interested in the psychological aspect of life In this probing narrative Fiona Sampson pursues Mary Shelley through her turbulent life much as Victor Frankenstein tracked his monster across the arctic wastes Sampson has written a book that finally answers the question of how it was that a nineteen year old came to write a novel so

dark mysterious anguished and psychologically astute that it continues to resonate two centuries later No previous biographer has ever truly considered this question let alone answered it
