

There is a word that holds many different meanings. It is a word that can be used in a lot of different ways. The definition of quiet is: "without any disturbance; a state of tranquillity when you are not disturbed by anyone or anything." There are also two different uses of the word. It can be used as a noun or as a verb. When it is used as a noun, it means a state of being calm or peaceful. When it is used as a verb, it means to make something quiet or to become quiet.

In 1944, representatives from 48 countries around the world met in San Francisco in the United States of America (USA) after the Second World War had ended. The world was behind a crisis. There was no longer trust between neighbouring countries and there was no longer any peace. The representatives from most of the 48 countries decided that they must do something to establish peace and a very important document was signed. The document was made up of four very important agreements. The document was:

- To ensure that international goods and services
- To develop friendly relations among nations based on respect for equal rights
- To reduce the tensions in connection with solving international problems
- To be a catalyst for harmonizing the actions of nations in the solution of these world

Jointly Owned Property

1. The first step is to identify the problem or goal.

Spending more is not necessarily a use of the money that we can help to spread more evenly the world. Spending more may just afford to move and up the class of costly, efficient ways. Some of them are:

- find common cause of interest with those who are different to us
- want to open to dialogue from all along a right road but meeting together for the common good takes a great deal of time and energy

11. **Answer: A**

For example, going to
a friend's house or visiting
a family is normally done
for a specific purpose
and there is a time limit
on it.
