Search For Truth The seeker begins... BRYAN RADZIN, 2014-08-18 I don't have so much tricks up my sleeve as much as journalistic fundamentals to take down powerful and influential people that think they're completely above the law and won't ever get caught I want to show them that we're watching and they will be held accountable So if a politician is only in it for the money and say they want illegals to leave is there a possibility they don't want them to leave Is there a chance they really want them here because immigrant labor is cheaper than American Are politicians making money hand over fist because the companies that employ immigrants make truckloads of it themselves and therefore contribute more to campaigns The vigilante types are probably linked to the corrupt politicians who both stand to lose equally if immigrants were made legal The politicians would lose the status quo of cheap labor they can take advantage of and the vigilantes would have to deal with a multi racial society which is all meant to benefit the status quo **Search For Truth: The next step...**
