

What Does "POG" Mean?

POG MEANING

"Play of The Game"

- Before the spread of the internet and gaming culture, "pog" was a small, circular piece of cardboard commonly used to play a game by children and young adults in the 1990s. Now, "POG" is often used in gaming to mean "**play of the game**."
- It is commonly used in online games like Overwatch and League of Legends and on streaming services like Twitch and YouTube.

OTHER MEANING

One of other meanings is used in a military setting. In this case "**POG**" can mean "**person other than grunt**." A grunt is a frontline soldier who does something dangerous or combat-related so here a "POG" is someone who performs some supporting duties but does not really fight or march like the others.
