Canary Fever John Clute, 2016-11-24 Canary Fever is a collection of reviews about the most significant literatures of the twenty first century science fiction fantasy and horror the literatures Clute argues should be recognized as the central modes of fantastika in our times The title refers to the canary in the coal mine who whiffs gas and dies to save miners reviewers of fantastika can find themselves in a similar position though words can only hurt us *Climbing Mount Implausible* Damien Broderick, 2010-01-01 Climbing Mount Implausible showcases a writer s growth though nearly fifty years of questing into the future It includes his first published stories plus detailed notes on his own evolution as a writer his recent Philip K Dick tribute Dead Air and an outrageously funny collaboration with Paul Di Filippo Cockroach Love *Beyond the Moon Sea* Marcela Carbo, 2022-09-01 A rogue scholar defies his destiny and ventures into a forbidden mythical land on a perilous quest to unlock the ancient secrets of a lost empire s magic Known for immersing himself deeply within the cultures he studies Kores an infamous explorer now finds himself outliving his welcome at his beloved school He has become an enigma to his superiors who urge him to conform and retire to a comfortable life marrying into nobility But a stirring within his blood an agelessness he attributes to a connection with the lost Alcar Empire fuels his desire to understand the nature of magic a knowledge decimated when the Alcar s homeland Saylassa turned to ruin This relentless yearning drives him to a daring act during a tribal ritual He drinks from a blood filled cauldron mixed with the sacred dust of Saylassa openly defying the tenets of his school This choice sets him on a course he can t reverse and pushes him further from the future his superiors planned for him Upon his return a stack of letters awaits him most bearing the stern words of the headmaster But amongst these a golden sigil catches his eye an invitation from a mysterious lord whose residence lies a week s journey away This invitation along with an enchanted map bearing secret writing pulls him towards a land of dark power and mythical beings a forbidden continent he had dreamt of since his youth It s a dangerous path but one that promises answers to the mysteries he s been chasing Choosing a road less traveled the scholar sets off on a perilous quest to the enigmatic continent of Vailassa seeking an ancient Alcar portal that could unlock the secrets of a bygone era forever altering the fabric of their world The Practice of Power books can be read as standalones but also a series of interwoven stories Keywords fantasy epic fantasy epic dark fantasy dark ya fantasy gritty giant giants monsters mythological creatures magic standalone novel stand alone battle war emotion humanity fantasy author dark elf dark elves high fantasy middle aged protagonist soft magic Hope and the Nearness of God Teresa White, 2021-12-09 A reflection on the meaning and quality of Hope for the period of Lent and beyond In these days of pandemic war and political turbulence hope can seem to be in short supply But hope is one of the theological virtues and it is far more profound than mere optimism Today pessimism and despair seem all too prevalent What can we do about the poor and starving about those who seem to be locked in interminable conflict and families weighed down by the consequences of breakdown Sister Teresa White s book is an antidote to all this and it is written with beautiful simplicity and

directness There is no hiding behind complicated or technical language In one of the most forceful chapters in the book the author shows how hope breeds courage and courage breeds hope But hope is not a matter of wishful thinking Drawing on St Augustine the author shows moreover that hope has two essential components Not just courage but anger as well The expression of our anger can lead to greater clarity with our discernment and spiritual perception Hope too can lead us to understand God's solidarity with us in times of sorrow and struggle Teresa White in this Lent Book draws on inspiration from writers as diverse as Julian of Norwich and Karl Rahner Elizabeth Barrett Browning and Henri Nouwen but throughout the book there is strong scriptural underpinning which the author uses to great effect

The Sea and the City John Roman Baker, 2014-08-24 The city is a place of polarization Masculine is set against feminine strength against weakness existence against non existence A young man enters this world and begins a quest It is a quest that takes him through streets and squares that morph and change locations He encounters beings whose forms and natures also change and he is initiated in rituals of extreme sado masochistic sexuality and violence Rich in symbolic imagery THE SEA AND THE CITY cannot be defined or explained in simple terms Depending on the reader it may be set in this world or a parallel world

A Visit to the Sea Side, 1823

The Old Man and the Sea Anthony Smith, 2015-02-26 Octogenarian Anthony Smith's journey was originally inspired by both the Kontiki Expedition of Thor Heyerdahl who he knew and the incredible story of the survivors of a 1940 boat disaster who spent 70 days adrift in the Atlantic eventually reaching land emaciated and close to death While this might sound like a voyage no one would wish to emulate to octogenarian Anthony Smith it sounded like an adventure and he placed a typically straightforward advertisement in the Telegraph that read Fancy rafting across the Atlantic Famous traveller requires 3 crew Must be OAP Serious adventurers only In his inimitable style Smith details their voyage and the hardships they endured with a matter of fact air that makes his story seem all the more impressive His advanced age allows him a wider perspective not only on the journey but on life itself and his never say die attitude to the difficulty of the journey is inspirational Old men ought to be explorers said T S Eliot and this book certainly gives a compelling argument in his favour It is both a great story a huge storm on the final night of the voyage almost wrecked them on a reef and a call to action for the older generation do not go quietly says Anthony Smith but seek out adventure as long as you are able

Talk of Treasure Jane Carswell,2019-02-01 Jane Carswell began her working life at Pegasus Press shortly after its audacious publication of Janet Frame s novel *Owls Do Cry* and years later she went on to write an award winning memoir called *Under the Huang Jiao Tree* Two journeys in China The road between one book and the other was paved with both delight and self doubt the experience provoking Jane to write again this time about the transformation between the private interior worlds of reading and meditation and the noisy exterior world of publication between the books we read and treasure and the ones we write With a wry and engaging tone she invites us into her world and its jostling demands of music teaching writing friends and family a succession of Chinese guests and travels to a world of meditation and monasteries In the spirit of the works of Anne Lamott and Kate Llewellyn the daily activities of Jane s life are bound to small breakthroughs and quiet illuminations The author becomes a perfect companion to the reader as her life writing and meditation coalesce in profound ways But as the perfect ending to her own writing journey and understanding threatens to elude her Jane journeys to where Janet Frame grew up to find the courage and wisdom to complete her own story Lyrical and literary *Talk of Treasure* is a compelling memoir about how to be a writer and more simply just how to be Carswell s understated writing has a rare clarity and honesty The Dominion Post Her powers of description are so acute and tender An enjoyable and fascinating account of the ways in which our passions enable us to become fully human Ruth Fowler
