By a Clergyman [i.e. John Hooper. With the Text]. John HOOPER (Rector of Albury.),1850 **The Times and Seasons** ,1845
The Living Church ,1909 **Topics in the Book of Revelation** William R. Horsley,2017-03-06 Topics in the Book of Revelation by William R Horsley What is the Book of Revelation Is it a prophecy foretelling the end of the world Is it a vision of the apocalypse If Hollywood and a certain subset of preachers are to be believed John s final message to Christians is one only of doom and destruction But what if the real message was one of hope What if Revelation was less foresight and more history How would you look at the final book of the Bible if you could read it and feel overjoyed rather than frightened In Topics in the Book of Revelation William R Horsley presents definitive arguments for a reinterpretation of John s writings Rather than a warning meant to resound throughout history Horsley shows that John was writing primarily to the early church and its people using language and symbols that would have been familiar to them Revelation carries a message of hope to all Christians Horsley sees lessons to Christians to be encouraged faithful and victorious to the end The way is right and worthy is the Lamb Thru the Bible: Genesis through Revelation J. Vernon McGee,1984-01-04 Radio messages from J Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding of the Scripture Now enjoy his personable yet scholarly style in this 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight Each volume includes introductory sections detailed outlines and a thorough paragraph by paragraph discussion of the text A great choice for pastors and even better choice for the average Bible reader and student Unity ,1904 **The Gospel Message** ,1917 **Gospel Herald** ,1915 Christian Science Sentinel ,1913 *The Key of David* Gary Robinson,2025-03-17 It took me thirty years of studying before I did it but I did write this book from the voice of God my Lord and Savior When God speaks I run to greet Him I wrote about 150 Bible studies in the last thirty years all with one finger and was about going to work for our in just teaching So I always ask God what He wants me to do next No answer It took two weeks I was sitting in my Bible room and I prayed for God to tell me what next And this soft voice said I want you to write a book on the key of David So I followed what our Father asked This book has the strait and narrow way If this book doesn t get you on your knees and pray to our Lord Jesus Christ for forgiveness of your poor sick flesh you cannot stop sinning without the Lord Jesus Christ Read the book and learn the key of David You can t go wrong Do you know why Read Revelation 3 7 and be blessed **Library of Congress Subject Headings** Library of Congress,Library of Congress. Suutarinen, 2022-06-29 A Book about Current Events in Light of Apocalyptic Trumpets Trumpets were signaling devices in ancient Israel and a metaphorical and amazing message is hidden in them for the modern human being The relationship between freedom and responsibility is a very current topic Who has the authority to define the limits of freedom and responsibility Which entity has the authority to decide who has the right to access freedoms The forces of evil including the Antichrist aim to take the hold of this authority by deception The great controversy between light and darkness concentrates on these issues and it is a battle for our mindset and attitudes Jesus Christ will have victory in the end However it is important to know the means of the hoax of Satan and the Antichrist so that we would not be deceived A global medical deception is part of the hoax Liberty of conscience not totalitarianism is at the heart of God s mindset and government The interpretation of the trumpets has a long tradition This book continues the tradition by concentrating on the fifth and the sixth trumpet Often in Protestantism the events of the fifth and the sixth trumpet are either situated into the past so called traditional interpretation in Adventism or they are seen to reach until the present time In this book we unite the two views and think that the trumpets are repeated in history We aim to let the Bible interpret itself Both global deception and freedom of conscience are issues which are grounded on God s Word The book is a self published work and it contains 259 pages
