Secrets To Lasting Love Uncovering The Keys To Life Long Intimacy:

Secrets To Lasting Love Gary Smalley, 2001-02-08 Gary Smalley is one of the world's foremost speakers and experts on love and relationships. His gift for helping couples create more meaningful communication and deeper understanding so that they can establish an unwavering bond is the inspiration behind *Secrets to Lasting Love*, the culmination of Smalley's decades of work. In it, he outlines the three essential skills that move couples to the highest levels of intimacy: Respect your spouse for all of his or her individual qualities and differences from you; Communicate with each other in a way that moves conversations into deeper realms of understanding; Renew and recharge your spouse emotionally, mentally, physically, and spiritually constantly. It is not easy to recognize and then apply these skills. But *Secrets to Lasting Love* shows everyone how to do just that so they can reach what Smalley calls the fifth or ultimate level of intimacy where there's a marital bond strong enough to withstand the inevitable highs and lows of life. With Gary Smalley, you will have the tools to create a heightened sense of commitment that will allow you to reach your spouse's heart and spirit. Secrets to Lasting Love Gary Smalley, 2000

Seniors in Love Robert Wolley, 2005 Is love only for the young? *Seniors in Love* deals with the emotional, financial, physical, and other relevant issues facing seniors when considering a new intimate relationship. Topics covered include: What is love? Should one fall in love again at an advanced age? What will the children say? What rewards are possible? What happens when love fails? How does one express and receive love?

Marriage Ministry Guide Focus on the Family, 2003-05-21 This resource is much more than a mere leader's guide for the Focus on the Family Marriage Series; it is a manual for developing and sustaining a ministry to marriages in your church and community. With marriages in our culture and even the Church in dire straits, there is a desperate need for the Church and its leaders to stand in the gap for families and marriages. Gleaned from ministries around the nation, this manual contains information on how and where to begin, types of ministry settings, staffing, and organization of the ministry. It also includes basic information on learning styles and how to teach adults, develop lessons, and encourage discussion. It will also include reproducible forms, publicity aids, and clip art, as well as a listing of additional resources.

More Than a Match Michael Smalley, Amy Smalley, 2009-09-15 Prepare Yourself for Lasting Love. You've searched a lifetime for that special person, but how can you be absolutely certain that you've found The One? And more important, how can you hold on to that love for the rest of your life? *More Than a Match* explores the compatibility factor, demystifying the science behind matchmaking and giving you the tools you need to find the love you want. You'll learn how to apply the specifics of good compatibility to a prospective date or mate, as well as how to break things off when you find yourself in the wrong relationship. But since great relationships aren't built on compatibility alone, marriage experts Michael and Amy Smalley also delve into the forever factor, giving you the skills you need to turn your romance into a lifelong love affair. You'll learn how to deal with conflict, how to develop a healthy sex life, and how to recover when you inevitably hurt one another. Fantastic marriages begin long before the exchange of the rings; they start when two people in

search of love commit themselves to learning to how to love well and forever Because finding and keeping the love of your life is about much More Than a Match

Menopause Lisa Friedman Bloch, Kathy Silverman, 2012-09-04

There are countless books about menopause on the market We ve all accepted that women change at midlife However there

is another much ignored change that affects hundreds of millions of women across the globe menopause the changes that all men go through starting at about age 40 In this groundbreaking book Lisa Friedman Bloch and Kathy Kirtland Silverman look at men s changes from a new and uplifting perspective Aimed at women Manopause explores how biological and psychological factors collide with the societal pressures men face and provides advice on how women can help themselves and their men move through and enjoy this sometimes challenging phase Laying out the commonly accepted rules of what it means to be a man rules like Your worth is only as great as your power money and status Push down your emotions and Always be aggressive and strong the authors explore how men strive to live up to these expectations and how shouldering this burden becomes harder at midlife Both physical changes and emotional realizations play in to men s fear that they are losing their grip And yet as the authors explain it is these very changes that can open the door to a far richer and more fulfilling life With a goal of creating greater understanding and compassion for the subject of menopause Bloch and Silverman solidly ground readers with information about men s changes before guiding them through a practical discussion of how to handle the outward effects they experience They address emotional reactions behavioral issues hormone loss sex and intimacy and family and work relationships with an eye to how all can be immeasurably improved By bringing this topic more into the public eye they hope to help women and men everywhere learn to better alleviate the confusion misunderstanding and discontent of menopause
