Crouch,2024-11-07 Have you ever planted a seed Have you ever thought about its amazing journey For the seed to bear fruit its roots must reach deep into the soil absorbing the nutrients needed for the stem to grow upward searching for the sun Before we as Christians can bear fruit for God s kingdom seeds must first be planted We must dig deep into the scriptures to feed off God s Word which is necessary for spiritual growth We can then grow upward reaching for the Son Thus the title of this book It s All about the Seeds God often plants seeds inside of us so that we will be equipped to do the same in others We cannot plant a seed that we know nothing about This book takes you on a journey through real life experiences and events where lives were changed through the planting of seeds into fertile hearts Kathy uses scripture questions testimonies and poetry as each seed is introduced planted and then harvested Whether used as a personal or group Bible study you will dig deeper into the scriptures to fully understand the power of a seed Come and allow God to plant seeds into your heart so that you can plant seeds of your own Then when you enter the gates of heaven on that final day may you hear God whisper Welcome to my kingdom my good and faithful seed planter Come in and see the fruits of your labors Never underestimate the power of a seed
