Taylor,2004-01-01 This inspirational collection of sermons by the renowned preacher author and speaker is based on the Gospel of Matthew

Studying the Parables of Jesus Peter Rhea Jones,1999 Peter Rhea Jones has spent the majority of his career studying and teaching the parables Studying the Parables of Jesus is a primer on the historical and literary approaches to biblical study It informs and inspires in dialogue with contemporary methods and contemporary meanings It provides an introduction to the methods of interpretation of the parables as well as an opening chapter on the recent history of interpretation The chapters of exegesis approach a select group of parables for a more intensive analysis While reserving much of the technical details for the endnotes the text includes discussion of critical issues and alternative opinions Questions and exercises are appended at the close of each chapter for personal use or classroom discussion **The Gospel**

in Parable John R. Donahue,1988-01-01 Professor Donahue here argues that the parables of Jesus offer a Gospel in miniature while at the same time giving shape direction and meaning to the Gospels in which they appear To study the parables of the Gospels is to study the gospel in parable After surveying recent discussions of parable metaphor and narrative Donahue examines and interprets the parables of Mark Matthew and Luke as texts in the context of the theology of each of these Gospels Finally he outlines what The Gospel in Parable looks like and offers suggestions for the proclamation of parables today

The Sower and the Seeds,2008 Retells the parable Jesus taught about a farmer who scattered seeds on different types of ground *All the Parables of the Bible* Herbert Lockyer,1963 A study and analysis of the more than 250

parables in Scripture **Proclaiming the Parables** Thomas G. Long,2024-03-12 In Proclaiming the Parables noted preacher and scholar Thomas G Long moves away from past treatment of the parables primarily as literary devices and moves toward an emphasis on their theological impact as pointers to the kingdom of God While the parables are indeed significant poetic literary creations that have enchanted readers over the centuries their main power he claims lies in their

disclosure of the kingdom of God which is not merely an idea nor even just a complex symbol with generative and centrifugal force but an event the inbreaking of the life of God into human history and experience Long sees parables not merely as creative figures of speech but as GPS devices taking hearers to those places where the event of God is happening all around us This book provides two chapters for each synoptic Gospel The first focuses on the Gospel as a whole and the parables place in it and the second provides preachers and teachers with detailed exegetical and homiletical commentary for each major parable in that Gospel Two introductory chapters additionally situate this book in the history and theology of the parables interpretation and address questions that preachers have about preaching the parables Preachers who consult this volume will be informed about each major parable guided through the controversies regarding interpretation and stimulated to preach on the parable in fresh faithful and creative ways

Secrets, Suspects, Seeds and Soil Ken Stewart, 2021-07

The story of Jesus has often been referred to as The Greatest Story Ever Told Indeed it is However Jesus was also very skillful in the use of stories in His teaching These were not run of the mill stories They were filled with ordinary things like seeds dirt rocks and thorns Jesus referred to His stories as parables It is a rare and amazing gift to accomplish what Jesus did with this technique He could conceal or reveal great truth in just a few words Every parable had a definite purpose In some cases there was such revelation entwined in the story it has often been missed even when reading His explanation The parable comprising a large portion of Matthew chapter 13 is a great example It is packed with great insight into the way Jesus looks at the world in which we live Our job is to pay closer attention to the explanation of the parable than we do to the story itself Only then do we receive the benefit Jesus intended Expect your spiritual perspective to be challenged and enriched as you read what is written here It is not only far from ordinary it is rich with fresh revelation from the Holy Spirit
