Love @ First Sight Arun Arora, 2012-05

Every love story has a childhood in it We all have fallen in love during our adolescent years That tender love sometimes vanishes as we grow older into the realities of this practical world and sometimes grows along with us inside our hearts rooted deep within our thoughts growing into a much stronger bond with each passing moment This is the story of one such beautiful love bond that sprouted when a young boy of 13 years of age saw the most beautiful face of his life Love First Sight recounts how the attraction felt by this young boy went on to grow into the deepest of feelings of love selflessness and dedication The boy knew from all his heart that he was in love with the girl and desired her throughout his school life But he couldn't tell her anything as he couldn't find ways to express his feelings He couldn't talk to her during the whole five years of their schooling together it's another thing that she was his classmate The love remained one-sided at least the boy thought it to be so Love has the power to change How love brought in the most amazing and rewarding changes in his life to make it a positively better one to live is something you will love too So go on and enjoy what love can do to your life to your living to you Happy Living Happy Loving *Bahamas View-Scope, As Seen Through ToneyS Wong's Memoir 4* ToneyS Wong,

I Liked You Until . . . Beverly Green, 2016-01-26 There is a popular saying You need to kiss a lot of toads before you meet your prince Most movies and books tell the story of the prince Not mine This is a story about the toads This book is about my failed relationships and dating stories so awful you have to laugh This book is for women as we go through the same breakups makeups heartaches and overall relationship roller coaster rides And this book is for men to educate the male population on what not to do when you actually like a girl Now able to smile at my single status approaching thirty I share the stories and toast the men who have impacted my life for better and worse
