Selected Critical Writings:

Selected Critical Writings David Herbert Lawrence, 1998 A critic must be able to feel the impact of a work of art in all its complexity and force To do so he must be a man of force and complexity himself A critic must be emotionally alive in every fibre intellectually capable and skilful in essential logic and then morally very honest These comments by D H Lawrence are as close a description as any of himself as a critic They come from his essay on fellow novelist John Galsworthy and there are many other pieces on novels and novelists in this selection But Lawrence s range of genres extends to poetry and plays and paintings and his critical writing encompasses an enormous variety of subjects from Aeschylus and the Apocalypse to symbolism and syphilis for his interests are philosophical psychological religious moral sociological historical and cultural as well as literary and artistic This selection is a treasure trove of thought adventures by one of literature s liveliest critical spirits *Selected Critical Writings of George Santayana* George Santayana, 1968 *Selected Critical Writings*, 1998

Selected Critical Writings George Santayana, 1968 *Liu Zaifu: Selected Critical Essays* Zaifu Liu, 2021-06-17 Liu Zaifu is a name that has already been ingrained within contemporary Chinese literary history This landmark volume presents Anglophone readers with Liu s profound reflections on Chinese literature and culture at different times The essays collected here demonstrate Liu s historical experience and trajectory as an exiled Chinese intellectual who persistently safeguards the individuality and the autonomy of literature refusing to succumb to political manipulation Liu s theory of literary subjectivity has opened ways for Chinese writers to thrive and innovate His panoramic view not only unravels the intricate interplay between literature and politics but also firmly regards the transcendental value of literature as a significant ground to subvert revolutionary dogmatism and criticize Chinese modernity Rather than drawing upon the existing paradigm he reinvents his own unique theoretical conceptions in order to exile the borrowed gods **Selected Critical Writings Vol 2** Santayana, 1968-09-02 George Santayana 1863 1952 was one of the leading philosophers of his era His range of interests was wide in addition to books and essays on philosophical subjects he wrote literary criticism of the first rank cultural criticism that remained fresh and valid up to the time of this book s publication in 1968 and autobiographical works which reveal a man of great charm with a deep interest and affection for his acquaintances This two volume selection of Santayana s writing is exceptionally comprehensive the editor has been careful to provide passages which adequately illustrate Santayana s views on a wide variety of subjects and his selection includes essays and excerpts from books that had long been unavailable Volume two contains selections of cultural and social criticism and philosophical writing **Selected critical writings, 1928-1960, ed** Richard Aldington, *Richard Aldington: Selected Critical Writings, 1928-1960* Richard Aldington, 1970 Alister Kershaw Aldington s closest friend from 1947 until his death in 1962 here presents ten trenchant and refreshing essays not previously published in book form by perhaps the last of the great literary critics to come to grips with the jubilant illiteracy of these times In his highly personal and reflective Introduction Kershaw discusses Aldington s deep involvement in

life the catholicity of his interests and his considerable erudition which gave his writing an unusual quality of spontaneity and eloquence *Selected Critical Writings; Ed. by N Henfrey* George Santayana, 1968 **Selected Critical Writings; Ed. by N Henfrey** George Santayana, 1968
