Longman Girl:

Longman's Magazine Charles James Longman,1905 All About the Girl Anita Harris,2004-10-29 The essays cover girlhood around the world and cover such key areas as schooling sexuality popular culture and identity **Longman's Magazine** ,1905 *Pamela, Or Virtue Rewarded* Samuel Richardson,2021-01-01 This novel published 1740 created an epoch in the history of English fiction and with its successors exerted a wide influence upon Continental literature It is appropriately included in a series which is designed to form a group of studies of English life by the masters of English fiction For it marked the transition from the novel of adventure to the novel of character from the narration of entertaining events to the study of men and of manners of motives and of sentiments In it the romantic interest of the story which is of the slightest is subordinated to the moral interest in the conduct of its characters in the various situations in which they are placed Upon this aspect of the drama of human life Richardson cast a most observant if not always a penetrating glance His works are an almost microscopically detailed picture of English domestic life in the early part of the eighteenth century Preface **A Girl's Wanderings in Hungary** H. Ellen Browning,1896 *Longman's Magazine* ,1896 Pamela Samuel Richardson,2015-06-09 In a series of letters to her parents 15 year old Pamela Andrews recounts her tribulations as a servant in the house of Mr B The infatuated master s repeated attempts at seduction foiled again and again by the quick witted maid lead to Pamela s abduction and imprisonment in a remote country house where the unlikely couple truly come to know one another Samuel Richardson one of England s early novelists published *Pamela or Virtue Rewarded* anonymously in 1740 The first bestseller in English fiction *Pamela* excited a storm of controversy in which it was both denounced as thinly veiled pornography and praised for setting an example of righteous conduct Its publication marks a defining moment in the development of the modern novel in which the genre suddenly and irrevocably developed the potential for moral seriousness Three centuries later Richardson s novel remains an engaging tale of psychological complexity *Pamela; or, Virtue rewarded [by S. Richardson].* Samuel Richardson,1811 Pamela Samuel Richardson,1902 **Novelist's Library** Samuel Richardson,1824 *A History of the Girl* Mary O'Dowd,June Purvis,2018-04-10 This book is centered on the history of the girl from the medieval period through to the early twenty first century Authored by an international team of scholars the volume explores the transition from adolescent girlhood to young womanhood the formation and education of girls in the home and in school and paid work undertaken by girls in different parts of the world and at different times It highlights the value of a comparative approach to the history of the girl as the contributors point to shared attitudes to girlhood and the similarity of the experiences of girls in workplaces across the world Contributions to the volume also emphasise the central role of girls in the global economy from their participation in the textile industry in the eighteenth century through to the migration of girls to urban centres in twentieth century Africa and China Pamela; Or Virtue Rewarded Richardson,1816 Girl's Schooling During The Progressive Era Karen Graves,2014-06-03 This work traces the impact of a differentiated

curriculum on girls education in St Louis public schools from 1870 to 1930 Its central argument is that the premise upon which a differentiated curriculum is founded that schooling ought to differ among students in order prepare each for his or her place in the social order actually led to academic decline The attention given to the intersection of gender race and social class and its combined effect on girls schooling places this text in the new wave of critical historical scholarship in the field of educational research *Longman's School Grammar* David Salmon,1893 **Ballantyne's Novelist's Library** James Ballantyne,1824 The Greatest Historical Romance Novels of All Time Charlotte Brontë,Anne Brontë,Emily Brontë,Henry James,Samuel Richardson,Jane Austen,Thomas Hardy,Edith Wharton,Maria Edgeworth,Henry Fielding,Alexandre Dumas,Mary Wollstonecraft,Nathaniel Hawthorne,William Makepeace Thackeray,Grace Livingston Hill,Fanny Burney,Georgette Heyer,Eliza Haywood,Leo Tolstoy,Pierre Choderlos de Laclos,Mrs. Olifant,2023-12-16 The anthology *The Greatest Historical Romance Novels of All Time* encapsulates the enduring allure of romance through the perplexing corridors of history This meticulously curated collection traverses a wide spectrum of literary styles from the brooding Gothic ambiance of the Brontës to the elegant satirical wit of Jane Austen The narratives craft rich tapestries of love conflict and societal intrigue offering glimpses into the timeless dynamics of human relationships Among its pages readers will encounter the passion of forbidden love the complexity of human emotions and the societal constructs that challenge or nurture romance The collection not only entertains but also illuminates the shared human experiences across different historical landscapes The contributors to this magnificent anthology represent a formidable assembly of literary titans whose voices have shaped the course of romantic narratives through centuries Each author from the pioneering Mary Wollstonecraft to the incisive Henry James brings a unique perspective shaped by the social and cultural milieu of their eras The collection aligns with significant literary movements from the rise of realism to the undercurrents of feminism presenting a rich dialogue that speaks to both historical accuracy and creative imagination These varied voices crystallize the essence of historical romance transcending time and place This collection is a treasure trove for any reader seeking to explore the multiplicity of perspectives that define the evolution of romance in literature It offers a singular opportunity to examine the breadth of themes styles and narratives within one volume making it an essential resource for both literary enthusiasts and scholars The *Greatest Historical Romance Novels of All Time* serves not only as an enriching educational experience but also as a conduit for engaging with the reflective beauty and the transformative impact of romance throughout literary history In this enriched edition we have carefully created added value for your reading experience An Introduction draws the threads together discussing why these diverse authors and texts belong in one collection Historical Context explores the cultural and intellectual currents that shaped these works offering insight into the shared or contrasting eras that influenced each writer A combined Synopsis Selection briefly outlines the key plots or arguments of the included pieces helping readers grasp the anthology's overall scope without giving away essential twists A collective Analysis highlights common themes stylistic
