Look Out The Pentecostals Are Coming:

Look Out! the Pentecostals are Coming C. Peter Wagner, 1974 **The Changing Church** C. Peter Wagner, 2004-07-07 Peter Wagner tells readers exactly how they can contribute to the Church's worldwide fulfillment of God's kingdom on earth The Changing Church sheds light on the exciting things that are happening by the power of the Holy Spirit The Church is being aligned with God's plan for the Great Harvest While we might feel small in the scheme of things we can make a huge impact when we unite with what God is doing worldwide This new vision overlooks denominational barriers asking one and all to join together for the ultimate fulfillment of God's purposes *Azusa Street and Beyond* Grant McClung, 2005-12 A collection of essays by men and women who help shape the modern day Pentecostal Movement Contributors include Jack Hayford Wayne Warner David du Plessis Maynard Ketcham Gary Mcgee Vinson Synan and David Yonggi Cho among others **The Third Force in Missions** Paul Anthony Pomerville, 2022-05-03 The Third Force in Missions challenges readers to recognize the indispensable role of the Holy Spirit as power for mission It confronts the Western mentality that ignores the miraculous in its missions strategy and the global Pentecostal movement Paul Pomerville suggests that such activity prompted and controlled by the Spirit is key to fruitful biblical missions When The Third Force in Missions was first published in 1985 Paul Pomerville sought to draw attention to the Pentecostal contribution to missions At that time he argued there was an information gap regarding the size of this movement in spite of two waves of worldwide Pentecostal renewal He argued that this gap existed because of evangelical bias against Pentecostalism bias against charismatics in mainline churches ethnocentrism toward Pentecostals in the developing world and faulty reporting Thirty years later Pomerville once again argues the importance of the global Pentecostal movement seeking to correct the ongoing tunnel vision of world missions programs which since the Protestant Reformation have tended to ignore the Holy Spirit's work in today's missions In this book Pomerville exposes the serious methodological and theological flaws of such a one-sided position Facing West David R. Swartz, 2020-04-09 In 1974 nearly 3 000 evangelicals from 150 nations met at the Lausanne Congress on World Evangelization Amidst this cosmopolitan setting and in front of the most important white evangelical leaders of the United States members of the Latin American Theological Fraternity spoke out against the American Church Fiery speeches by Ecuadorian Ren Padilla and Peruvian Samuel Escobar revealed a global weariness with what they described as an American style of coldly efficient mission wedded to a myopic right leaning politics Their bold critiques electrified Christians from around the world The dramatic growth of Christianity around the world in the last century has shifted the balance of power within the faith away from traditional strongholds in Europe and the United States To be sure evangelical populists who voted for Donald Trump have resisted certain global pressures and Western missionaries have carried Christian Americanism abroad But the line of influence has also run the other way David R Swartz demonstrates that evangelicals in the Global South spoke back to American evangelicals on matters of race imperialism

theology sexuality and social justice From the left they pushed for racial egalitarianism ecumenism and more substantial development efforts From the right they advocated for a conservative sexual ethic grounded in postcolonial logic As Christian immigration to the United States burgeoned in the wake of the Immigration Act of 1965 global evangelicals forced many American Christians to think more critically about their own assumptions The United States is just one node of a sprawling global network that includes Korea India Switzerland the Philippines Guatemala Uganda and Thailand Telling stories of resistance accommodation and cooperation Swartz shows that evangelical networks not only go out to but also come from the ends of the earth

Called and Empowered Murray W. Dempster, Byron D. Klaus, Douglas Petersen, 1991-10-01 An unprecedented mix of pentecostal theology and mission practice virtually a manifesto for pentecostal missions The fullest and finest missiological treatise originating within classical Pentecostalism available Russell P Spittler

Bold Faith Ben Pugh, 2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals Bold Faith aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity

Azusa Street & Beyond, 1986 **An Evangelical Saga** Justice Anderson, 2005 **The Violent Take It by Force** Matthew D. Taylor, 2024 When charismatic believers wage spiritual battles ideas can take tangible form With scholarly precision and narrative force religion scholar Matthew D Taylor makes intelligible the language leaders and symbols of the New Apostolic Reformation which has galvanized support for Trump and far right leaders around the world

The Holiness-Pentecostal Tradition Vinson Synan, 1997-08-25 Called a pioneer contribution by Church History when it was first published in 1971 as The Holiness Pentecostal Movement in the United States this volume has now been revised and enlarged by Vinson Synan to account for the incredible changes that have occurred in the church world during the last quarter of the twentieth century Synan brings together the stories of the many movements usually listed as holiness pentecostal or charismatic and shows that there is an identifiable second blessing tradition in Christianity that began with the Catholic and Anglican mystics that was crystallized in the teaching of John Wesley and that was further perpetuated through the holiness and Keswick movements of the nineteenth and twentieth centuries to the appearance of modern Pentecostalism Synan then chronicles the story of the spread of Pentecostalism around the world after the heady days of the

Azusa Street awakening with special attention given to the beginnings of the movement in those nations where Pentecostalism has become a major religious force He also examines the rise of various mainline church charismatic movements that have their roots in Pentecostalism Because of the explosive growth of the Pentecostal movement in the last half of the century Pentecostals and Charismatics now constitute the second largest family of Christians in the world after the Roman Catholic Church This could well be the major story of Christianity in the twentieth century writes Synan Pentecostalism has grown beyond a mere passing movement and can now be seen as a major Christian tradition alongside the Roman Catholic Orthodox and Reformation Protestant traditions The Holiness Pentecostal Tradition will continue to be an important handbook for shaping our understanding of this phenomenon **The Study of Evangelism** Paul W.

Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism **An Eyewitness Remembers the Century of the Holy Spirit** Vinson Synan, 2010-04-01 Premier Pentecostal historian Vinson Synan shares for the first time his engaging personal assessment of and involvement in the extraordinary events of the last 100 years that gave birth to the charismatic and Pentecostal movements Because of his unique position and participation in most of these events Synan offers a rare and fascinating behind the scenes look at the phenomenal events that took place when the Holy Spirit fell at Azusa Street the subsequent formation of the Pentecostal denominations the surprising birth of the charismatic renewal the emergence of charismatic Catholicism the Toronto Blessing and beyond Because Synan is so widely respected across denominational lines for his scholarship and balance his candid eyewitness memoir will rivet all who walk in the fullness of the Holy Spirit as well as professors students and curious onlookers A once in a lifetime perspective **The Holy Spirit and Christian Mission** Roji T. George, 2019-09-10 This is a collection of articles from various church backgrounds and theological viewpoints It reaffirms the necessity and urgency of a pneumatic missiology It does not speak of God's saving mission as originating simply from God it highlights the central role of the Spirit in the effective mission of the church **The New Apostolic**

Reformation John Weaver, 2016-04-11 From Justin Bieber to Sarah Palin and Michele Bachmann to the controversial documentary Jesus Camp 2006 the New Apostolic Reformation's influence can be seen everywhere in mainstream America Beginning with an examination of the Latter Rain Church Growth and Shepherding movements this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life The author describes the New Apostolic Reformation's organization how the movement

spread and its national and international objectives **The Rise of Network Christianity** Brad Christerson, Richard W. Flory, 2017 The Rise of Network Christianity explains social forces behind the fastest growing form of Christianity in the U S which the authors have labeled Independent Network Charismatic INC This form of Christianity governed through networks emphasizes aggressive engagement with the supernatural including healing direct prophecies from God engaging in spiritual warfare against demonic spirits and social transformation **The Liberating Spirit** Eldin Villafane, 2021-03-23 This book takes a giant step both in theology and in social ethics It forces theologians to examine the worship and spirituality of Hispanic Pentecostals as a source of theological construction and pushes the Pentecostalists themselves to see the broader social implications of their own faith expressions With both Hispanic peoples and Pentecostalists forming a larger and larger portion of the American cultural and religious reality this is a vital book indeed an indispensable one for any person knowledgeable about our society to read and ponder Harvey Cox Harvard Divinity School Here is a pioneering book Villafane works a synthesis of the cultural and the spiritual and celebrates the capacity of Pentecostalism to appeal to Hispanic Americans The time is ripe for this important book which delves into the very passion of the human heart and offers an ethic of hope and liberation It should be read by anyone interested in the spiritual condition of Hispanics in a pluralistic society Jesse Miranda Azusa Pacific University The Liberating Spirit should be required reading for anyone interested in the study of social ethics Pentecostal theology or Hispanic American theology Dr Villafane has broken the long standing bifurcation of the profane and the sacred so often associated with Pentecostal theology The Liberating Spirit introduces us to a new and liberating way of being Christians led by the spirit in the modern world Samuel Solivan Andover Newton Theological School Fully aware of the pitfalls and promises of oral theology Villafane approaches his topic from inside an Hispanic Pentecostal understanding of the Spirit vividly describing the pains and joys of an Hispanic Pentecostal in the United States After reading this book it is impossible to paint the whole Pentecostal movement with the brush of right wing theological and political conservatism Walter Hollenweger University of Birmingham England *The Holy Spirit and Mission Dynamics* C. Douglas McConnell, 1997-09-15 The Holy Spirit and Mission Dynamics What role does the Holy Spirit play in church growth and missions This question has stimulated much conversation among theologians and missiologists Without reflecting on the matter practitioners are ill equipped to engage in spiritual warfare or discern the hand of God from counterfeit works of human strategy The ten chapters in The Holy Spirit and Mission Dynamics attempt to reflect on the most critical and controversial aspects of the debate The contributors draw from numerous specialties including philosophy hermeneutics historiography and theology Part one provides a biblical theological perspective that helps readers assess phenomena observed in both history and contemporary mission practice Part two gives multiple historical accounts of the Holy Spirit s ministry in various mission contexts Finally the five chapters in part three examine several contemporary concerns raised by Peter Wagner and four respondents This book prepares readers to reflect on their experience in light of theology and

exegesis Ultimately they will better understand the Holy Spirit's ministry in diverse missions contexts *Apostles of Reason* Molly Worthen, 2016 In *Apostles of Reason* Molly Worthen offers a sweeping history of modern American evangelicalism arguing that the faith has been shaped not by shared beliefs but by battles over the relationship between faith and reason

The Influences of Pentecostalism on Catholic Priests and Seminarians in Nigeria Hilary C. Achunike, 2019-05-24 This book is full of insights on the influences of Pentecostalism on Catholic priests and seminarians in Nigeria It is starred with Pentecostal features which seem rejected but are now gradually being recovered It raises the questions of dialogue among Christians in Nigeria particularly with the Pentecostals The many healing ministries run by some Catholic priests are an open invitation to be understood and enculturated within Nigeria's Catholic Christianity It is a book to be reckoned with read with deep interests by students and teachers and appreciated by Catholic and non Catholics
