Look To The North A Wolf Puppy Diary

Debra Mitts-Smith

Look To The North A Wolf Puppy Diary:

Look to the North Jean Craighead George, 1997 Brief diary entries that mark the passage of the seasons introduce the events in the lives of three wolves as they grow from helpless pups to participants in their small pack's hunt **Look to the North** Jean Craighead George, 1997 Brief diary entries that mark the passage of the seasons introduce the events in the lives of three wolves as they grow from helpless pups to participants in their small pack's hunt **Making Sense** Juli Kendall, Outey Khuon, 2005 Reading is all about understanding Many English language learners simply do not understand what they are reading whether it's a picture book a literature selection or a science textbook Juli Kendall and Outey Khuon believe that small group comprehension lessons have a key role to play in advancing students' understanding of texts Making Sense provides answers to many common questions asked by teachers of English language learners How do we organize small group comprehension instruction How do we select books to teach strategies How do we know our kids are getting it and what do we do when they don't get it It is an easy to use practical resource for ELD ESL and ESOL pull out teachers and for push in teachers working in class to support English language learners The book's five main sections are geared to the stages of language proficiency and lessons are divided into younger and older students spanning kindergarten through grade 8 The authors outline fifty-two lessons that teach students how to make connections ask questions visualize make mental images infer determine importance and synthesize Each lesson follows a four-part teaching framework Start Up Connection helping students build background and use prior knowledge to connect to the lesson Give Information explicitly telling students what they are going to learn and why they are learning it and then teaching them Active Involvement often occurs during the teaching as students practice what they are learning while the teacher checks for understanding and monitors and adjusts instruction Off You Go opportunities for students to practice what they learned with peers or independently Making Sense also explores the stages of language proficiency through descriptions of ten English language learners of different ages A chart of student characteristics for each stage shows how students demonstrate understanding and outlines the implications for planning instruction This book will appeal to experienced teachers seeking to expand their repertoire of lessons as well as new teachers just beginning the adventure of teaching comprehension to English language learners

Read It Again! Brenda Parkes, 2023-10-10 This book anchors shared reading as an essential element within a comprehensive and balanced literacy program Margaret Mooney In this book Brenda Parkes introduces new teachers to shared reading and helps experienced teachers revitalize this important teaching practice Starting with the bedtime story Read It Again outlines the essential elements and benefits of shared reading and provides detailed examples which show how a shared reading session unfolds in the classroom By including examples of implicit and explicit teaching Brenda demonstrates how shared reading helps children develop a range of strategies for reading and comprehending text You will find detailed strategies that support learners in developing self-extending systems through their understanding of content

and process and several examples of independent activities that consolidate and extend learning Good book selection is the key to successful shared reading experiences In discussing the criteria for quality book selection Brenda shows us how to critically assess the teaching and learning possibilities in shared reading books and how to use a variety of text types to model purpose content and form The book includes an analysis of supportive text features for the different needs of emergent early and fluent readers Annotated bibliographies provide a quick reference to quality books Read It Again refines and extends our understanding of shared reading and shows primary teachers how to put this valuable approach into practice

Mentor Texts Rose Cappelli,2023-10-10 In their first edition of Mentor Texts authors Lynne Dorfman and Rose Cappelli helped teachers across the country make the most of high quality children s literature in their writing instruction Mentor Texts Teaching Writing Through Children s Literature K 6 2nd Edition the authors continue to show teachers how to help students become confident accomplished writers by using literature as their foundation The second edition includes brand new Your Turn Lessons built around the gradual release of responsibility model offering suggestions for demonstrations and shared or guided writing Reflection is emphasized as a necessary component to understanding why mentor authors chose certain strategies literary devices sentence structures and words Dorfman and Cappelli offer new children s book titles in each chapter and in a carefully curated and annotated Treasure Chest At the end of each chapter a Think About It sTalk About It sWrite About It section invites reflection and conversation with colleagues The book is organized around the characteristics of good writing focus content organization style and conventions The authors write in a friendly and conversational style employing numerous anecdotes to help teachers visualize the process and offer strategies that can be immediately implemented in the classroom This practical resource demonstrates the power of learning to read like writers

A to Zoo Rebecca L. Thomas,2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have relied on this detailed subject guide to children s picture books for all aspects of children s services and this new edition does not disappoint Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children s picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles

Picturing the Wolf in Children's Literature Debra Mitts-Smith,2012-12-06 From the villainous beast of Little Red

Riding Hood and The Three Little Pigs to the nurturing wolves of Romulus and Remus and Rudyard Kipling's *The Jungle Book* the wolf has long been a part of the landscape of children's literature. Meanwhile since the 1960s and the popularization of scientific research on these animals children's books have begun to feature more nuanced views. In *Picturing the Wolf in Children's Literature* Mitts Smith analyzes visual images of the wolf in children's books published in Western Europe and North America from 1500 to the present. In particular she considers how wolves are depicted in and across particular works, the values and attitudes that inform these depictions and how the concept of the wolf has changed over time. What she discovers is that illustrations and photos in works for children impart social, cultural and scientific information not only about wolves but also about humans and human behavior. First encountered in childhood picture books act as a training ground where the young learn both how to decode the symbolic wolf across various contexts and how to make sense of real wolves. Mitts Smith studies sources including myths, legends, fables, folk and fairy tales, fractured tales, fictional stories and nonfiction, highlighting those instances in which images play a major role including illustrated anthologies, chapbooks, picture books and informational books. This book will be of interest to children's literature scholars as well as those interested in the figure of the wolf and how it has been informed over time. *Children's Literature in the Classroom* Diane M. Barone, 2010-09-23. This guide provides a wealth of ideas for incorporating high quality children's books of all kinds into K-6 classrooms. Numerous practical strategies are presented for engaging students with picturebooks, fiction, nonfiction and nontraditional texts from publisher description.

Don't Leave the Story in the Book Mary Hynes-Berry, 2015-04-24. Drawing from 30 years of teaching and professional development experience, this book offers a roadmap for using children's literature to provide authentic learning. Featuring a storyteller's voice, each chapter includes a case study about how a particular fiction or nonfiction work can be used in an early childhood classroom, a series of open-ended questions to help readers construct their own inquiry units and a bibliography of children's literature. This book provides a unique synthesis of ideas based on constructivist approaches to learning, including the importance of positive dispositions and learning communities, the nature of higher order thinking and the relationship between methods such as guided inquiry in the sciences and balanced literacy.

Social Emotional Stories Barbara A. Lewis, 2021-08-30. Make social emotional learning fun and engaging with 24 ready-to-use lessons about phenomenal plants and astonishing animals. Storytelling is a learning device used by humans for centuries and for good reason, storytelling is one of the best ways to increase critical thinking skills and social emotional learning (SEL). The award-winning *Social Emotional Stories* combines storytelling with thought-provoking lessons and activities to help elementary students improve their self-esteem, increase their engagement with school and give them a sense of empowerment. The book contains 24 individual lessons that include an SEL objective with specific keywords like inner strength, problem solving and responsibility. An engaging story that focuses on a distinctive quality of either a plant like the inner strength of bamboo or an animal like the courage of a pig. Multiple activities that are quick, easy and require few

supplies to help kids identify and dive deeper into the specific SEL concepts represented Educators can use these lessons individually with students in small groups or with an entire class The lessons are interdisciplinary and flexible with only minimal prep time required allowing educators to adapt them for their situation Extensive digital content supports the lessons with reproducible forms and a full color photo of each plant and animal

Cool Story Programs for the School-Age Crowd Rob Reid,2004-08-02 Offers eighteen offbeat literary programs featuring creepy dirty and stinky stories that will appeal to young readers

Pathways to Independence Jo Worthy,Karen Broaddus,Gay Ivey,2001-04-20 This comprehensive text presents a core of research based approaches to engaging effective literacy instruction in the middle grades Methods and materials are described to foster reading skills content mastery and writing in different formats and for different purposes The authors emphasize the need to tailor instruction to the needs strengths skill levels and interests of diverse students They offer recommendations for reading lists that incorporate critically acclaimed fiction and nonfiction popular series books and other student friendly materials Special features include case studies examples of teaching and assessment activities and commentary from middle school teachers and students Appendices contain reproducible forms and lists of recommended reading materials and resources

Supporting Newcomer Students Katharine Davies Samway,Lucinda Pease-Alvarez,Laura Alvarez,2020-05-19 Copublished with TESOL Press Newcomers need to draw on all their resources intellectual linguistic cultural as they make sense of new content and a new language In this much needed book the authors marshal research and several decades of their own experience to provide instructional practices and activities that will help teachers develop newcomers as readers and writers of English and engage them in content learning across the curriculum Equally important they show how teachers can advocate for these vulnerable students many of whom have experienced multiple challenges in their home countries or in the United States including poverty violence and political persecution With chapters on assessment and second language acquisition as well as reading writing speaking and content learning their book is a timely and comprehensive guide for any K 8 educator whose classroom or school includes newcomer students

Writing Sense Juli Kendall,Outey Khuon,2006 Writing is all about making meaning The prospect of teaching writing to a classroom full of students some who speak English and some who don t can be overwhelming When students learning English are at different levels the task is even more challenging Writing Sense Integrated Reading and Writing Lessons for English Language Learners outlines the classroom conditions necessary for successful writing instruction with English language learners whether in writing workshop and or small group instruction It includes 68 classroom tested lessons for grades K 8 that show kids at all levels of language acquisition how to make connections ask questions visualize make mental images infer determine importance synthesize monitor meaning and comprehension and use fix up strategies The five main sections are geared to the stages of language proficiency and lessons are divided into younger and older students spanning kindergarten through to grade eight There are extensive lists of suggested books for mentor texts as well

as lists of mentor authors to facilitate teachers planning and instruction Wolves Emily Green,2011-01-01 Developed by literacy experts for students in kindergarten through grade three this book introduces wolves to young readers through leveled text and related photos Provided by publisher Bridges to Reading, 3-6 Suzanne I. Barchers,1999-04-15 Now you can use quality children s literature to teach traditional reading skills Providing a balance between traditional and literature based instruction these books include stimulating and instructive lessons based on approximately 150 skills commonly found in basal readers These lessons utilize a variety of strategies that can be applied to teaching myriad skills from alphabet and alphabetization to word recognition skills Each featured book includes a variety of activities and a list of related books Semantic feature analysis attribute charts writing activities problem solving genre analysis wordplay and phonetic analysis are just some of the strategies covered Wonderful tools for enlivening reading instruction these resources reconcile the need to teach basic skills with the desire to use children s literature Cooking Up U.S. History Suzanne I. Barchers,Patricia Marden,1999-04-15 The second edition of this popular book contains loads of recipes readings and resources Students will delight in preparing their own porridge and pudding making candles soap and ink or trying out the pioneers recipe for sourdough biscuits as they explore different periods in U S history An ideal supplement for social studies classes and homeschoolers **Harcourt Science: Life science, [grade] 3, units A and B, teacher's ed** ,2000 *Newbery Award Winning Authors* , **Talking, Drawing, Writing** Martha Horn,Mary Giacobbe,2023-10-10 In the early grades talking and drawing can provide children with a natural pathway to writing yet these components are often overlooked In Talking Drawing Writing Lessons for Our Youngest Writers authors Martha Horn and Mary Ellen Giacobbe invite readers to join them in classrooms where they listen watch and talk with children then use what they learn to create lessons designed to meet children where they are and lead them into the world of writing The authors make a case for a broader definition of writing advocating for formal storytelling sessions in which children tell about what they know and for focused sketching sessions so that budding writers learn how to observe more carefully The book s lessons are organized by topic and include oral storytelling drawing writing words assessment introducing booklets and moving writers forward Based on the authors work in urban kindergarten and first grade classes the essence and structure of many of the lessons lend themselves to adaptation through fifth grade The lessons follow a consistent format What s going on in the classroom What do children need to learn next Materials needed to teach the lesson Language used in each lesson Reasons behind why certain books are chosen and suggestions for additional children s books The authors show the thinking behind their teaching decisions and provide a way to look at and assess children s writing giving us much more than a book of lessons they present a vision of what beginning writing can look and sound like Perhaps most powerfully they give us examples of the language they use with children that reveal a genuine respect for and trust in children as learners
