#BlessedMother Tommy Tighe,2020-07-27 Ah would that I could proclaim throughout the whole world the mercy that you have shown to me Would that everyone might know I should be already damned were it not for Mary Saint Louis de Montfort We post tweet share like heart double tap save pin and tag Like it or unlike it social media is an important way for Catholics today to share the Catholic Faith including our devotion to the BlessedMother But as is often the case in social media comments can be short cutting or downright hateful when friends or followers don t understand our Marian devotion And even the most confident Catholics can be at a loss as to how to respond In BlessedMother How to Follow Share and Defend Mary in the World of Social Media author podcaster and TV show host Tommy Tighe helps Catholics defend and explain our relationship with Our Lady with wisdom and grace in 280 characters or less BlessedMother will Strengthen your relationship with bvm Reinforce your knowledge of what the Church teaches about Mary and why Heighten your understanding of Mary s role in salvation Show with clarity how Mary always leads us to Jesus so retweeting her is retweeting him Deepen your prayer life with the blessedmother And more Social media can be a powerful tool for sharing Christ and Mary wants to be a part of that through you ABOUT THE AUTHOR Tommy Tighe is a Catholic husband and father of four boys living in the San Francisco Bay area where he works as a marriage and family therapist *In Search of Mary* Sally Cunneen,2010-12-15 Mary relic of the religious past or beacon of the future Mary is more alive today than she was in the early Christian church surfacing in art and worship in almost every culture on earth Her appeal bridges the gap between the devotional and the secular the uneducated and the sophisticated But who is Mary and what exactly does she symbolize How did a humble Jewish girl become the most honored woman in human history Why is there so little about Mary in the Bible and so much about her in the art and history of Christianity East and West And why in an age dominated by science and

technology does devotion to Mary persist In Search of Mary is Sally Cunneen s provocative response to these questions As Cunneen eloquently points out in order to see Mary whole it is important to look at all the different visions and versions of her revisiting history through the eyes of a present day searcher Including the latest findings by historians anthropologists and psychologists as well as art historians and religious scholars In Search of Mary reveals what we know about the life of Mary follows the history and development of her image over the last two thousand years and explores the different ways that Mary has transformed the lives of people today As we struggle for greater unity in a divided world In Search of Mary shows us a woman who can touch all people regardless of their backgrounds She is a profound reminder of the presence of the holy in ordinary life
