Nonfiction Breaks down the most commonly held misconceptions about lesbian gay bisexual and transgender people and their lives In You Can Tell Just by Looking three scholars and activists come together to unpack enduring popular and deeply held myths about lesbian gay bisexual and transgender people culture and life in America Myths such as All Religions Condemn Homosexuality and Transgender People Are Mentally Ill have been used to justify discrimination and oppression of LGBT people Others such as Homosexuals Are Born That Way have been embraced by LGBT communities and their allies In discussing and dispelling these myths including gay positive ones the authors challenge readers to question their own beliefs and to grapple with the complexities of what it means to be queer in the broadest social political and cultural sense

Queer Looks Martha Gever,Pratibha Parmar,John Greyson,2013-06-17 Queer Looks is a collection of writing by video artists filmmakers and critics which explores the recent explosion of lesbian and gay independent media culture A compelling compilation of artists statements and critical theory producer interviews and image text works this anthology demonstrates the vitality of queer artists under attack and fighting back Each maker and writer deploys a surprising array of techniques and tactics negotiating the difficult terrain between street pragmatism and theoretical inquiry finding voices rich in chutzpah and subtlety From guerilla Super 8 in Manila to AIDS video activism in New York Queer Looks zooms in on this very queer place in media culture revealing a wealth of strategies a plurality of aesthetics and an artillery of resistances *Lesbian, Gay, Bisexual, and Transgender Aging* Douglas Kimmel,Tara Rose,Steven David,2006-05-09 Lesbian Gay Bisexual and Transgender Aging brings together cutting edge research practical information and innovative thinking regarding the characteristics and processes of aging among lesbian gay bisexual and transgender individuals Written by experts in the field the book covers a range of subjects and provides a comprehensive knowledge base for practitioners students and researchers Contributors address topics such as sexuality relationships legal issues retirement planning physical and mental health substance abuse community needs gay and lesbian grandparents and a model agency dedicated to delivering services to the senior LGBT population Their writing takes a gay affirmative approach that focuses on resilience coping and successful adaptation to aging and is sensitive to the importance of historical oppression in the lives of older members of sexual minorities The authors also pay close attention to ethnic and cultural issues and identify where further research is needed *Lesbian Gay Bisexual and Transgender Aging* is a groundbreaking collection of some of the most significant voices in this area of research today Gerontologists and those who serve the LGBT community are in great need of the information contained in this singular and definitive resource *Lives of Lesbian Elders* J Dianne Garner,D. Merilee Clunis,Pat A. Freeman,Nancy M. Nystrom,Karen I. Fredriksen-Goldsen,2014-07-16 The untold history of lesbian life from those who have lived it *Lives of Lesbian Elders Looking Back Looking Forward* illuminates the hopes fears issues and concerns of gay women as they grow older Based on interviews with 62 lesbians ranging in age from 55 to 95 this very special book provides a historical account of the shared experiences of the lesbian community that is so often invisible or ignored in contemporary

society The book gives voice to their thoughts and feelings on a wide range of issues including coming out identity and the meaning of life the role of family and personal relationships work and retirement adversity and individual sources of strength and resilience Cast off and overlooked at best or victims of scorn and prejudice at worst lesbians in the twentieth century lived dual lives their full voices unheard until now Lives of Lesbian Elders chronicles the life choices they made and their reasons for making them set against the contexts of culture politics and the social mores of the eras in which they lived Their stories of courage resilience resourcefulness pride and independence help restore lesbian history that has been forgotten distorted or disregarded and provide the information necessary to meet the future needs of aging lesbians Lives of Lesbian Elders gives aging lesbians a chance to discuss their thoughts on a variety of topics including Coming out You didn't talk about it Until two years ago I never even referred to a lesbian or would I allow the word to pass my lips I used to sneak into libraries and read about homosexuality and back in that era it was not classy it was classified as a disorder of some type Identity The only difference between me and anybody else is that I just happen to be sleeping with a woman I think I grew up not really knowing who I was and I think probably fighting all my life trying to find out who I was Family I feel very connected with the lesbian community here I guess I would call that family Many years ago my sister said I think when they're ready you need to explain to the nieces what a lesbian is because I want them to hear the correct story I want them to hear what it really is and not all these stupid rumors that go around Work I was going to become a youth minister at one point and it dawned on me in high school that there was no way the church was going to let me work with kids I didn't really finish my career I still have dreams about the military and about not finishing It was my choice but it wasn't really my choice Aging and the Future I think financing of course is a real big problem for lesbian women I have a concern that if anything should happen to my partner in growing older of being isolated from the gay community and much more Lives of Lesbian Elders Looking Back Looking Forward also includes appendices that present demographic data on the women who were interviewed for the book information on historical timelines and suggested readings on lesbian history The book is an invaluable addition to the growing collective history of lesbians in the United States

The Lives of Older Lesbians Jane Traies, 2016-06-24 This unique book sheds new light on the most invisible members of the lesbian gay bisexual and transgender LGBT community Hidden from view by a combination of prevailing cultural assumptions and their own unwillingness to be seen older lesbians have been consistently under represented in both popular culture and research This ground breaking study based on an unprecedentedly large research sample of nearly four hundred lesbian identified women between the ages of 60 and 90 offers a fascinating insight into the lives of older lesbians in the UK Drawing on data from a comprehensive questionnaire survey and illustrated with vivid personal testimonies it explores both the diversity and the distinct collective identity of the older lesbian community arguing that understanding their past experience is crucial to providing for their needs in the future It is essential reading for scholars in the fields of women's studies and genders and sexualities and will also appeal to

sociologists political scientists anthropologists social and cultural historians and experts in ageing gerontology nursing and social work **The World** ,1994
