Magical Moment? Gina Kloes,2015-08-04 Winner of a National Indie Excellence Award A guide to finding peace and authentic joy in this noisy modern world Everywhere you turn you see people on cell phones laptops and other devices People rarely look up to actually talk to one another Sadly many family dinners are spent answering calls and texting rather than sharing stories and building memories Amid the virtual technology of the modern world real life is passing many of us by But beyond this hectic fast paced demanding life there is a place and time where we can pause find meaning get clarity experience joy and rediscover experiences that illuminate our life The author of this inspiring book calls these our magical moments and shows us how to find them again *Mathematics in the K-8 Classroom and Library* Sueanne

McKinney,KaaVonnia Hinton,2010-05-11 Two experts on education offer a rich and diverse selection of children s literature

and teaching strategies for the K 8 mathematics classroom Taking advantage of quality motivating literature during mathematics instruction pays off especially when teachers and media specialists work together to convey crucial mathematical concepts and standards Mathematics in the K 8 Classroom and Library shows you how it s done After an introduction to the National Council of Teachers of Mathematics s NCTM Principles and Process Standards each remaining chapter is devoted to an NCTM content standard The book offers engaging research based strategies and booklists of specific titles that together can be used to increase student achievement The strategies suggested here provide a hands on student centered focus that allows students to make connections with prior learning personal experiences and good books Both the recommended children s books and the activities will appeal even to reluctant readers and students for whom mathematics might be a challenge Each chapter includes an extensive annotated list of texts dozens of hands on activities handouts and writing prompts

Mind, Morality and Magic Istvan Czachesz, Risto Uro, 2014-10-14 The cognitive science of religion that has emerged over the last twenty years is a multidisciplinary field that often challenges established theories in anthropology and comparative religion This new approach raises many questions for biblical studies as well What are the cross cultural cognitive mechanisms which explain the transmission of biblical texts How did the local and particular cultural traditions of ancient Israel and early Christianity develop What does the embodied and socially embedded nature of the human mind imply for the exegesis of biblical texts Mind Morality and Magic draws on a range of approaches to the study of the human mind including memory studies computer modeling cognitive theories of ritual social cognition evolutionary psychology biology of emotions and research on religious experience The volume explores how cognitive approaches to religion can shed light on classical concerns in biblical scholarship such as the transmission of traditions ritual and magic and ethics as well as uncover new questions and offer new methodologies

Tarot Angelo Nasios, 2016-05-28 The Tarot has always been shrouded in mystery with images and symbols often eluding interpretation Now you can unlock the Arcana to study the basics and beyond Gain understanding regarding symbolism and how the Tarot works to read reversals set the mood for readings and to explore your spiritual quest Discover your relationship with the seven deadly sins and healthy virtues determine and weigh your options and examine dream interpretations Consider your path through different layers of understanding including astrological influences numerology mythological connections philosophical relations and evaluate Court card psychological dimensions Work with powerful self reflective spreads unique to this book and review sample readings for major events broadcasted in the news and media Learn fundamental history debunk old time myths and discover the religious views on divination and the counterargument to its biblical objection There is much to learn when you unlock the Arcana Here s the key
