Magical Living Bob Makransky, 2014-04-26 Volume II of Bob's Introduction to Magic series and winner of the Sacramento Publishers Association awards for Best Nonfiction and Best Spiritual book of 2001 **Magical Living** is a collection of essays which give detailed how to instructions on channeling spirit guides communicating with plants and nature spirits developing your psychic vision together with inspirational essays on managing love relationships handling oppressive people and dealing with hurt I love this little book Carry this book with you read and reread the essays and connect with joy Kathryn Lanier InnerChange magazine He writes beautifully clearly elegantly he is incapable of an unoriginal thought Joseph Polansky Diamond Fire magazine **Parapsychology, New Age, and the Occult**, 1993 **Yearning for the New Age** Diane Sasson, 2018-11-01 This biography of an unconventional woman in late 19th Century America is a study of the search for individual autonomy and spiritual growth Laura Holloway Langford a rebel girl from Tennessee moved to New York City where she supported her family as a journalist She soon became famous as the author of *Ladies of the White House* which secured her financial independence Promoted to associate editor of the Brooklyn Daily Eagle she gave readings and lectures and became involved in progressive women's causes the temperance movement and theosophy even traveling to Europe to meet Madame Blavatsky the movement's leader and writing for the theosophist newspaper *The Word* In the early 1870s she began a correspondence with Eldress Anna White of the Mount Lebanon New York Shaker community with whom she shared belief in pacifism feminism vegetarianism and cremation Attracted by the simplicity of Shaker life she eventually bought a farm from the Canaan Shakers where she lived and continued to write until her death in 1930 In tracing the life of this spiritual seeker Diane Sasson underscores the significant role played by cultural mediators like Holloway Langford in bringing new religious ideas to the American public and contributing to a growing interest in eastern religions and alternative approaches to health and spirituality that would alter the cultural landscape of the nation A richly detailed biography that will deepen historical understandings of New Age movements in America American Studies **The New Age** Arthur Moore, 1926 [New Age and Neopagan Religions in America](#) Sarah M. Pike, 2004-07-07 From Shirley MacLaine's spiritual biography *Out on a Limb* to the teenage witches in the film *The Craft* New Age and Neopagan beliefs have made sensationalistic headlines In the mid to late 1990s several important scholarly studies of the New Age and Neopagan movements were published attesting to academic as well as popular recognition that these religions are a significant presence on the contemporary North American religious landscape Self help books by New Age channelers and psychics are a large and growing market annual spending on channeling self help businesses and alternative health care is at 10 to 14 billion an estimated 12 million Americans are involved with New Age activities and American Neopagans are estimated at around 200 000 **New Age and Neopagan Religions in America** introduces the beliefs and practices behind the public faces of these controversial movements which have been growing steadily in late twentieth and early twenty first century America

What is the New Age movement and how is it different from and similar to Neopaganism in its underlying beliefs and still evolving practices Where did these decentralized and eclectic movements come from and why have they grown and flourished at this point in American religious history What is the relationship between the New Age and Neopaganism and other religions in America particularly Christianity which is often construed as antagonistic to them Drawing on historical and ethnographic accounts Sarah Pike explores these questions and offers a sympathetic yet critical treatment of religious practices often marginalized yet soaring in popularity The book provides a general introduction to the varieties of New Age and Neopagan religions in the United States today as well as an account of their nineteenth century roots and emergence from the 1960s counterculture Covering such topics as healing gender and sexuality millennialism and ritual experience it also furnishes a rich description and analysis of the spiritual worlds and social networks created by participants

Spellbound Elizabeth Reis,1998 Spellbound Women and Witchcraft in America is a collection of twelve articles that revisit crucial events in the history of witchcraft and spiritual feminism in this country Beginning with the witches of colonial America Spellbound extends its focus through the nineteenth century to explore women s involvement with alternative spiritualities and culminates with examinations of the contemporary feminist neopagan and Goddess movements A valuable source for those interested in women s history women s studies and religious history Spellbound is also a crucial addition to the bookshelf of anyone tracing the evolution of spiritualism in America Magic and Mysticism Arthur Versluis,2007-05-22 Magic and Mysticism An Introduction to Western Esoteric Traditions is a concise overview from antiquity to the present of all the major Western religious esoteric movements Topics covered include alchemy Gnosticism Hermeticism Rosicrucianism Theosophy and many more Magic and Mysticism is ideal for students of Mysticism and New Religious Movements as well as for general readers of Metaphysics and Esoterica **The Nature of Magic** Susan Greenwood,2020-06-03 This book examines how and why practitioners of nature religion Western witches druids shamans seek to relate spiritually with nature through magical consciousness Magic and consciousness are concepts that are often fraught with prejudice and ambiguity respectively Greenwood develops a new theory of magical consciousness by arguing that magic ultimately has more to do with the workings of the human mind in terms of an expanded awareness than with socio cultural explanations She combines her own subjective insights gained from magical practice with practitioners in depth accounts and sustained academic theory on the process of magic She also tracks magical consciousness in philosophy myth folklore story telling and the hi tech discourse of postmodernity and asks important questions concerning nature religion s environmental credentials such as whether it as inherently ecological as many of its practitioners claim **The Cambridge History of Magic and Witchcraft in the West** David J. Collins, S. J.,2015-03-02 This book presents twenty chapters by experts in their fields providing a thorough and interdisciplinary overview of the theory and practice of magic in the West Its chronological scope extends from the Ancient Near East to twenty first century North America its objects of analysis range from Persian curse

tablets to US neo paganism For comparative purposes the volume includes chapters on developments in the Jewish and Muslim worlds evaluated not simply for what they contributed at various points to European notions of magic but also as models of alternative development in ancient Mediterranean legacy Similarly the volume highlights the transformative and challenging encounters of Europeans with non Europeans regarding the practice of magic in both early modern colonization and more recent decolonization Great War Modernisms and 'The New Age' Magazine Paul Jackson,2012-07-12 A study of the politics and philosophy of writers contributing to the Little Magazine The New Age during 1907 and 1922
