Mail Order Murder:

Sexual Citizens Brenda Cossman, 2007 This book explores the relationship between sex and belonging in law and popular culture arguing that contemporary citizenship is sexed privatized and self disciplined Former sexual outlaws have challenged their exclusion and are being incorporated into citizenship But as citizenship becomes more sexed it also becomes privatized and self disciplined The author explores these contesting representations of sex and belonging in films television and legal decisions She examines a broad range of subjects from gay men and lesbians pornographers and hip hop artists to women selling vibrators adulterers and single mothers on welfare She observes cultural representations ranging from Queer Eye for the Straight Guy to Dr Phil Sex in the City to Desperate Housewives She reviews appellate court cases on sodomy and same sex marriage national welfare reform and obscenity regulation Finally the author argues that these representations shape the terms of belonging and governance producing good and bad sexual citizens based on the degree to which they abide by the codes of privatized and self disciplined sex

From My Cold, Dead Hands Emilie Raymond, 2006-08-18 Charlton Heston is perhaps most famous for his portrayal of Moses in Cecil B DeMille s epic The Ten Commandments and for his Academy Award winning performance in the 1959 classic Ben Hur Throughout his long career Heston used his cinematic status as a powerful moral force to effect social and political change Author Emilie Raymond examines Heston s role as a crusader for individual rights and his evolution into a major American political figure with a pivotal role in the conservative movement Heston s political activities were as varied as they were time consuming He worked with the Kennedy Johnson Nixon Reagan and first Bush administrations He marched in support of black civil rights served as the president of the Screen Actors Guild and helped shape policy for the National Endowment for the Arts before taking on his most high profile position president of the National Rifle Association Over the course of his career Heston became disillusioned with the Democrats he formally registered with the Republican Party in the 1980s arguing that the decision was in keeping with his longtime advocacy of individual rights From My Cold Dead Hands is far more than a biography it is a chronicle of the resurgence of American conservative thought and in particular the birth of neoconservatism Heston s brand of neoconservatism differed from that of the exclusively intellectual wing and he came to represent a previously ignored segment of neoconservatives operating on the basis of more common emotionally oriented concerns The neocons brought new life to the GOP and Raymond convincingly argues that Heston revitalized conservatism in general his

image of morality individualism and masculinity lent the conservative movement credibility with a larger public He effectively campaigned for conservative candidates and causes using his popularity and image to fuel and legitimize his political activities Heston s high degree of political engagement not only paved the way for many of today s Hollywood activists but also helped popularize many of the beliefs of the neoconservative movement A balanced look at Heston and his offscreen work *From My Cold Dead Hands* explains how this charismatic man of conviction propelled his personal beliefs into the political mainstream of America [The Marxist Goliath Among Us](#) Ronald J. Lawrence,2010-11 Many believe America is secure and we are safe because communism is dead That prevailing supposition is delusive Marxism is flourishing and no less venomous Christianity and family are predicted to collapse our freedom replaced with its tyranny Jesus prophesied They will deliver you to tribulation and will kill you So did Lenin Destroy the family you destroy the country Who are Marxism s covert operatives Ministers influenced by Marxist theology are helping create Christian Socialism A church group supports Cuban spies in America and has financed communist movements The unwanted the burdens on society are eliminated by euthanasia s hired killers as death with dignity Humanism a powerful weapon in Marxism s arsenal promotes individualism and marital infidelity insisting God is a mass sociopathic killer Marxism endorses drug trafficking to destroy our culture Planned Parenthood promotes youthful sex and disobedience to parental authority protects pedophiles and offers abortion It has advocated killing Christians The Communist Party insists it is tolerant of and cooperative with Christianity but it is no less atheistic Jesus is being crucified with evil words and depictions his crowns of thorns on Marxism s cross of decadence Satanism is prospering with its death rituals and immorality because Karl Marx was a committed emissary of Satan How can we rescue ourselves from this threat and save America God tells us in His Word We must confront the Marxist goliath as David did and annihilate it Ronald J Lawrence is a retired criminal investigative reporter for the St Louis Post Dispatch He gained knowledge of Marxism during the Vietnam War when he infiltrated the Young Socialist Alliance an influential communist organization rose to second in command and later testified before the U S House Committee on Internal Security He is a committed Christian and has dedicated his life to God *Mail Order Murder* Patricia Springer,1999 Widower Jack Reeves found his wife Emelita Villa in a magazine offering mail order brides from the Philippines When Emelita s friends reported her missing on October 11 1994 police made some grisly discoveries about Reeves s first three marriages and suspected him of killing at least two of his wives As a result Reeves was convicted on two counts of murder and was sent to prison for 99 years Photos **The Truth about Belle Gunness** Lillian de la Torre,2017-06-06 Edgar Award Finalist The true story of the female Norwegian immigrant who led a secret life as a serial killer in the early twentieth century Midwest On the morning of April 27 1908 the farmhand on a lonely property outside La Porte Indiana woke to the smell of smoke He tried to rouse the lady of the house the towering Belle Poulsdatter Sorenson Gunness and he called the names of her three children but they didn t answer and the farmhand barely escaped alive The house burned to the foundation and in the rubble

firemen found the corpses of Belle her two daughters and her son The discovery raised two chilling questions Who started the fire and who cut off Belle s head As investigators searched the property they uncovered something astonishing The remains of a dozen or more men and children who had been murdered with poison or cleaver were buried beneath the hog pen It turned out Belle Gunness was one of the most prolific serial killers in American history And when the investigation revealed that the body found in the fire might not have been hers the people of La Porte were forced to confront the terrifying realization that Belle might have gotten out alive Nominated for an Edgar Award for best factual crime story The Truth about Belle Gunness is based on extensive interviews with witnesses and residents of La Porte who knew Belle and her family Perfect for fans of In Cold Blood or The Devil in the White City it is a magnificent and brilliantly written exploration of a highly unusual murderer The New York Times *Proposed Amendments to Firearms Acts* United States.
