Connecticut Inventors and Innovators Peter Hubbard, 2022-11-07 Throughout its history Connecticut frequently led all states in the average number of U S patents awarded per person The list of products invented there is stunning from the lollipop cupcake and Frisbee to the dirigible helicopter and submarine The workplace improved with tape measures portable typewriters postage meters and elevators American consumers benefited from sewing machines diapers ironing boards vacuum cleaners can openers lawn mowers and flat bottomed paper bags Pioneering surgeon William Beaumont and Nobel Prize winner Dr Barbara McClintock both hail from the Nutmeg State Join local author Peter Hubbard as he reveals Connecticut's role in the invention of the Hubble Space Telescope vaccines the Internet and much more *The Northeastern Dictionary of Women's Biography* Jennifer S. Uglow, 1999 The most comprehensive reference book of its kind with more than 60 new entries in this third edition *Boss Lady* Edith Sparks, 2017-05-08 Too often depictions of women's rise in corporate America leave out the first generation of breakthrough women entrepreneurs Here Edith Sparks restores the careers of three pioneering businesswomen Tillie Lewis founder of Flotill Products Olive Ann Beech cofounder of Beech

Aircraft and Margaret Rudkin founder of Pepperidge Farm who started their own manufacturing companies in the 1930s sold them to major corporations in the 1960s and 1970s and became members of their corporate boards These leaders began their ascent to the highest echelons of the business world before women had widespread access to higher education and before there were federal programs to incentivize women entrepreneurs or laws to prohibit credit discrimination In telling their stories Sparks demonstrates how these women at once rejected cultural prescriptions and manipulated them to their advantage leveraged familial connections and seized government opportunities all while advocating for themselves in business environments that were not designed for women let alone for women leaders By contextualizing the careers of these hugely successful yet largely forgotten entrepreneurs Sparks adds a vital dimension to the history of twentieth century corporate America and provides a powerful lesson on what it took for women to succeed in this male dominated business world

The Man Who Ate Too Much John Birdsall, 2020-10-06 A Finalist for the 2022 James Beard Foundation Cookbook Award Writing The definitive biography of America's best known and least understood food personality and the modern culinary landscape he shaped In the first portrait of James Beard in twenty five years John Birdsall accomplishes what no prior telling of Beard's life and work has done He looks beyond the public image of the Dean of American Cookery to give voice to the gourmet's complex queer life and in the process illuminates the history of American food in the twentieth century At a time when stuffy French restaurants and soulless Continental cuisine prevailed Beard invented something strange and new the notion of an American cuisine Informed by previously overlooked correspondence years of archival research and a close reading of everything Beard wrote this majestic biography traces the emergence of personality in American food while reckoning with the outwardly gregarious Beard's own need for love and connection arguing that Beard turned an unapologetic pursuit of pleasure into a new model for food authors and experts Born in Portland Oregon in 1903 Beard would journey from the pristine Pacific Coast to New York's Greenwich Village by way of gay undergrounds in London and Paris of the 1920s The failed actor turned Manhattan canap hawker turned author and cooking teacher was the jovial bachelor uncle presiding over America's kitchens for nearly four decades In the 1940s he hosted one of the first television cooking shows and by flouting the rules of publishing would end up crafting some of the most expressive cookbooks of the twentieth century with recipes and stories that laid the groundwork for how we cook and eat today In stirring novelistic detail The Man Who Ate Too Much brings to life a towering figure a man who still represents the best in eating and yet has never been fully understood until now This is biography of the highest order a book about the rise of America's food written by the celebrated writer who fills in Beard's life with the color and meaning earlier generations were afraid to examine
