Mariana Pineda:

Mariana Pineda Federico García Lorca, 1987 Mariana Pineda 1925 was Lorca's first success in the theatre Based on a popular Andalusian ballad it tells the story of Mariana Pineda who was garrotted in 1831 under the reactionary regime of Ferdinand VII for embroidering a Liberal flag and refusing to betray her lover Written during the dictatorship of Primo de Rivera the political message would not have escaped Lorca's audience But the play is primarily the work of a poet and its appeal lies in the delicate tension that results from a deft blend of lyricism and drama which culminates in an astonishing level of spirituality in the final scenes when Mariana awaits her execution in a prison convent The characteristic themes of Lorca's tragedies love frustration fate freedom death and womanhood flourish within the play's appropriate and exquisite romantic mood Spanish text with facing page translation introduction and commentary Love, Desire and Identity in the Theatre of Federico García Lorca Paul McDermid, 2007 Physical desire and metaphysical love in the theatre of Federico García Lorca A dialectical tension between physical desire and metaphysical love lies at the heart of the theatre works of Federico García Lorca and the deployment of queer theory's critique of gender and identity is surprisingly effective in this discussion of love versus desire Seldom is enough attention paid to the poet's early works and so this book offers a timely review of the religious tragedy *Cristo* as well as Mariana Pineda uncovering in these early offerings an explicit proposal of the supremacy of love over desire A meditation on the fragmentary and challenging *El público* yields a vivid panorama of identity in crisis and a paradigmatic Lorcan sacrifice of self for love The ostensibly more conventional tragedies of *Amor de Don Perlimplín* *Con Belisa en su jardín* and *Yerma* are also reassessed in terms of self sacrifice and self love The study concludes with an argument for a practical re-reading of *La casa de Bernarda Alba* which emphasises how the play might be saved from puffed realism with music humour and drag performance PAUL McDERMID lectures in Spanish at Queen's University Belfast

Lorca, Buñuel, Dalí Manuel Delgado, Alice Jan Poust, 2001 This volume of essays commemorates and celebrates the creative works of Federico García Lorca Salvador Dalí and Luis Buñuel three contemporaries and friends The essays suggest that the artistic creations of Lorca Dalí and Buñuel feature theoretical ideas on their contemporary art in general as well as on the particular art form cultivated by each ideas that help us to better understand their work as it relates to a wide range of aesthetic theories

A Companion to Federico García Lorca Federico Bonaddio, 2007 Lorca icon and polymath in all his manifestations **Baroque Lorca** Andrés Pérez-Simón, 2019-11-28 Baroque Lorca An Archaist Playwright for the New Stage defines Federico García Lorca's trajectory in the theater as a lifelong search for an audience It studies a wide range of dramatic writings that Lorca created for the theater in direct response to the conditions of his contemporary industry and situates the theory and praxis of his theatrical reform in dialogue with other modernist renovators of the stage This book makes special emphasis on how Lorca engaged with the tradition of Spanish Baroque in particular with Cervantes and Calderón to break away from the conventions of the illusionist stage The five chapters of the book analyze Lorca's different attempts

to change the dynamics of the Spanish stage from 1920 to his assassination in 1936 His initial incursions in the arenas of symbolist and historical drama *The Butterfly's Evil Spell* Mariana Pineda his interest in puppetry *The Billy Club Puppets* and *In the Frame of Don Cristóbal* and the two human farces *The Shoemaker's Prodigious Wife* and *The Love of Don Perlimplín* and *Belisa in the Garden* the central piece in his project of impossible theater *The Public* his most explicitly political play one that takes the violence to the spectators' seats *The Dream of Life* and his three plays adopting an altering the contemporary formula of rural drama *Blood Wedding* *Yerma* and *The House of Bernarda Alba* Chapter 5 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

The Theory and Analysis of Drama Manfred Pfister, 1988 Manfred Pfister's book is the first to provide a coherent comprehensive framework for the analysis of plays in all their dramatic and theatrical dimensions The material on which his analysis is based covers all genres and periods His approach is systematic rather than historical combining more abstract categorisations with detailed interpretations of sample texts

The Comic Spirit of Federico Garcia Lorca Virginia Higginbotham, 2014-02-19 During the years since his death Federico García Lorca Spain's best known twentieth century poet and playwright has generally been considered a writer of tragedy Three of his major plays are fatalistic stories of suffering and death and his poetry is filled with dread Yet most of Lorca's dramatic production consists of comedies and farces Throughout his poetry and prose as well as in his most somber plays runs an undercurrent of humor dark irony and satire that is in no way contradictory to his tragic view of life On the contrary as Virginia Higginbotham demonstrates through humor Lorca defines intensifies and tries to come to terms with what he sees as the essentially hopeless condition of humankind Although Lorca's comic moments and techniques have been discussed in isolated articles the importance of humor has largely been ignored in the fundamental studies of his work Higginbotham is concerned with Lorca's total output lyric poetry tragicomedies and farces avant garde prose and plays puppet farces and master plays She describes Lorca's place in the mainstream of the Spanish theater and shows his relationship to some relevant non Spanish dramatists Furthermore she discusses ways in which Lorca's work anticipates the modern theater of the absurd The result is a comprehensive study of an important but previously ignored aspect of Lorca's work *The Comic Spirit of Federico García Lorca* includes a Lorca chronology and an extensive bibliography

Traveler, There Is No Road Lisa Jackson-Schebetta, 2017-06-15 *Traveler There Is No Road* offers a compelling and complex vision of the decolonial imagination in the United States from 1931 to 1943 and beyond By examining the ways in which the war of interpretation that accompanied the Spanish Civil War 1936 1939 circulated through Spanish and English language theatre and performance in the United States Lisa Jackson Schebetta demonstrates that these works offered alternative histories that challenged the racial gender and national orthodoxies of modernity and coloniality Jackson Schebetta shows how performance in the US used histories of American empires Islamic legacies and African and Atlantic trades to fight against not only fascism and imperialism in the 1930s and 1940s but modernity and coloniality itself This book offers a unique perspective on 1930s theatre and performance encompassing the theatrical work of the Cuban Puerto Rican and Spanish diasporas in the United States as well as the better known Anglophone communities Jackson Schebetta situates well known figures such as Langston Hughes and Clifford Odets alongside lesser known ones such as Erasmo Vando Franca de Armi o and Manuel Aparicio The milicianas female soldiers of the Spanish Republic stride on stage alongside the male fighters of the Lincoln Brigade They and many others used the multiple visions of Spain forged during the civil war to foment decolonial practices across the pasts presents and futures of the Americas *Traveler* conclusively demonstrates that theatre and performance scholars must position US performances within the Americas writ broadly and in doing so they must recognize the centrality of the hemisphere s longest lived colonial power Spain *Southern Spain and Portugal* Findlay Muirhead, 1929
