Marital Myths Revisited A Fresh Look:

Marital Myths Revisited Arnold A. Lazarus, 2001 Many people contend that marriage is a relationship that carries the principle of friendship to its ultimate and most intimate degree I think they are mistaken One of the most influential psychotherapists of our time revisits his two dozen myths two decades later Surprises aplenty in this no holds barred conversation with readers about the myths that get married couples in trouble The notions that Husbands and wives should be best friends Marriage should be a 50 50 partnership and An unhappy marriage is better than a broken home are explored debunked and re examined in the light of 21st century hindsight This is a provocative insightful sometimes disturbing look at some of our most cherished beliefs about marriage

Making Intimate Connections Albert Ellis, Ted Crawford, 2000 This is the first book to apply Dr Ellis s famous Rational Emotive Behavior Therapy principles to intimate relationships The seven guidelines for better couple communication offered in this user friendly guide emphasize non blaming acceptance integrity mutual support appreciation replacing irrational ideas and expectations with realistic attitudes An effective resource for couples seeking greater closeness intimate partners who are willing to make unilateral changes marriage and family therapists a breakthrough relationship guide from the father of rational therapy

[Can Your Relationship Be Saved?](#) Michael S. Broder, 2002 The title of this book captures one of the most commonly explored issues that I have dealt with in my office over the past three decades as a practicing clinical psychologist Thus begins Dr Broder s wise and compassionate guide to assessing a faltering love relationship and answering the fundamental question asked by the book s title Broder addresses individuals and couples in marriages or any other type of love relationship or romance long or short term and of any sexual orientation His 40 item Can Your Relationship Be Saved Inventory asks the rights questions But readers are not left there The chapters that follow gently guide them in exploration of what is likely to happen if What if I go What if I stay Readers will find direction in answering those questions for themselves and the information and strategies to help them act on their decisions Can Your Relationship Be Saved speaks in a warm unabashedly upbeat and optimistic manner directly to the painful ambivalence that results when you are unable to determine how you really feel Broder s guidance is packed with practical road maps and direction finders avoiding glibness cliches pat answers or someone else s value judgments that will rarely hold up for you in the end

Corsini, 2008 Wedding and Corsini's CASE STUDIES IN PSYCHOTHERAPY offers classic and contemporary cases that bring concepts to life for your students. The Fifth Edition of this popular casebook maintains its parallel structure with Corsini and Wedding's CURRENT PSYCHOTHERAPIES. The Fifth Edition retains classic case studies by L. Bryce Boyer, Barbara Sullivan, Harold Mosak, Carl Rogers, Albert Ellis, Arnold Lazarus and Peggy Papp. At the same time, the authors include compelling new cases that illustrate the clinical applications of psychodrama and experiential psychotherapy.

Romance Revisited Lynne Pearce, Jackie Stacey, 1995-10 After decades of feminism and deconstruction, romance remains firmly in place as a central preoccupation in the lives of most women. Divorce rates skyrocket, the traditional family is challenged from all sides, and yet romance seems indestructible. In terms of its cultural representation, the popularity of romance also appears unchallenged. Popular fiction, Hollywood cinema, television soap operas, and the media in general all display a seemingly bottomless appetite for romantic subjects. The

trappings of classic romance white weddings love songs Valentine's Day are as commercially viable as ever In this anthology of original essays romance is revisited from a wide spectrum of perspectives not just in fiction and film but in a whole range of cultural phenomena Essays range over such issues as Valentine's Day interracial relationships medieval erotic visions and modern romance fiction the relationship between the lesbian poet H D and Bryher the pervasive whiteness of romantic desire lesbian erotica in the age of AIDS and the public romance of Charles and Diana
