,1996 *Managing Marketing Information (RLE Marketing)* Nigel Piercy, Martin Evans, 2014-09-15 A good marketing information system is an essential ingredient of all successful marketing. This book provides a comprehensive introduction to this key subject. This book not only covers market research techniques but also shows how research techniques should fit into a broader market information system which is skilfully and intelligently designed to suit the particular corporate context.

Marketing management Benson P. Shapiro, 1985 *Integrated Marketing Communications* Philip J. Kitchen, Patrick de Pelsmacker, 2004 This textbook is the first introductory primer on integrated marketing communications. It combines theory and practice to show students of marketing how different aspects of integrated marketing communications (IMC) work together. Setting the scene in which IMC has emerged, the authors explain each component of the promotional mix and go on to explain the process of functional integration. The text includes key case studies on companies including Procter and Gamble, NSPCC and Ardi, illustrating the practical side of IMC in addition to an introduction to the main theories at work. Including an additional Study Guide at the back, this book will be a valuable resource for students of marketing and marketing communications.
