Matisse The Master A Life Of Henri Matisse The Conquest Of Colour 1909 1954:

Matisse the Master Hilary Spurling, 2005 With unprecedented and unrestricted access to his family correspondence and other new material in private archives Spurling documents a lifetime of desperation and self doubt exacerbated by Matisse's attempts to counteract the violence of the 20th century in paintings

Matisse the Master Hilary Spurling, 2007 This book uncovers the secret life of Matisse whose paintings shocked and infuriated his contemporaries while paving the way for modern art This second volume tells the story of Matisse's growing artistic maturity and the relationship between his life and art from 1909 to 1954

Matisse the Master Hilary Spurling, 2017-12-14 Winner of the Whitbread Book of the Year 2005 Shortlisted for the Samuel Johnson Prize 2005 The second in Hilary Spurling's sweeping two volume biography of Henri Matisse one of the most influential and beloved artists of the twentieth century This fascinating exploration of Matisse's world uncovers the secret life of the artist whose paintings shocked his contemporaries while paving the way for modern art Tracing the artist's story through growing maturity and success *Matisse the Master* unveils the intimate relationship between his life and his work Spanning from 1909 to 1954 this triumphant second volume in Spurling's essential biography captures the glory years of Henri Matisse

Matisse the Master Hilary Spurling, 2007-10-02 If my story were ever to be written down truthfully from start to finish it would amaze everyone wrote Henri Matisse It is hard to believe today that Matisse whose exhibitions draw huge crowds worldwide was once almost universally reviled and ridiculed His response was neither to protest nor to retreat he simply pushed on from one innovation to the next and left the world to draw its own conclusions Unfortunately these were generally false and often damaging Throughout his life and afterward people fantasized about his models and circulated baseless fabrications about his private life Fifty years after his death *Matisse the Master* the second half of the biography that began with the acclaimed *The Unknown Matisse* shows us the painter as he saw himself With unprecedented and unrestricted access to his voluminous family correspondence and other new material in private archives Hilary Spurling documents a lifetime of desperation and self doubt exacerbated by Matisse's attempts to counteract the violence and disruption of the twentieth century in paintings that now seem effortlessly serene radiant and stable Here for the first time is the truth about Matisse's models especially two Russians his pupil Olga Meerson and the extraordinary Lydia Delectorskaya who became his studio manager secretary and companion in the last two decades of his life But every woman who played an important part in Matisse's life was remarkable in her own right not least his beloved daughter Marguerite whose honesty and courage surmounted all ordeals including interrogation and torture by the Gestapo in the Second World War If you have ever wondered how anyone with such a tame public image as Matisse could have painted such rich powerful mysteriously moving pictures let alone produced the radical cut paper and stained glass inventions of his last years here is the answer They were made by the real Matisse whose true story has been written down at last from start to finish by his first biographer Hilary Spurling

Matisse the Master Hilary Spurling, 2005 The widespread

general impression of Matisse as on one hand a somewhat frivolous painter and on the other a rather dull and uninteresting person is long overdue for revision This revealing biography closely examines the relationship between his life and his art

The Unknown Matisse Hilary Spurling,1998 Shortlisted for the Whitbread Biography Prize in 1999 A Life of Henri Matisse Hilary Spurling,1998 *Modern Art on Display* K. Porter Aichele,2016-05-19 *Modern Art on Display* The Legacies of Six Collectors is structured as a sequence of case studies that pair collectors of modern art with artists they particularly favored Duncan Phillips and Augustus Vincent Tack Albert Barnes and Chaim Soutine Albert Eugene Gallatin and Juan Gris Lillie Bliss and Paul C zanne Etta Cone and Henri Matisse G David Thompson and Paul Klee The case studies are linked by a thematic focus on the integral relationship between the collectors acquired knowledge about the work they amassed and their innovative display models This focus brings a new perspective to the history of collecting and interpreting modern art in America for nearly half a century 1915 1960 By examining the books the collectors themselves read and analyzing archival photographs of their displays the author makes a case for the historical significance of how the collectors presented the art they acquired before their collections were institutionalized *When Paris Sizzled* Mary McAuliffe,2016-09-15 *When Paris Sizzled* vividly portrays the City of Light during the fabulous 1920s les Ann es folles when Parisians emerged from the horrors of war to find that a new world greeted them one that reverberated with the hard metallic clang of the assembly line the roar of automobiles and the beat of jazz Mary McAuliffe traces a decade that saw seismic change on almost every front from art and architecture to music literature fashion entertainment transportation and most notably behavior The epicenter of all this creativity as well as of the era s good times was Montparnasse where impoverished artists and writers found colleagues and caf s and tourists discovered the Paris of their dreams Major figures on the Paris scene such as Gertrude Stein Jean Cocteau Picasso Stravinsky Diaghilev and Proust continued to hold sway while others now came to prominence including Ernest Hemingway Coco Chanel Cole Porter and Josephine Baker as well as Andr Citro n Le Corbusier Man Ray Sylvia Beach James Joyce and the irrepressible Kiki of Montparnasse Paris of the 1920s unquestionably sizzled Yet rather than being a decade of unmitigated bliss les Ann es folles also saw an undercurrent of despair as well as the rise of ruthless organizations of the extreme right aimed at annihilating whatever threatened tradition and order a struggle that would escalate in the years ahead Through rich illustrations and evocative narrative Mary McAuliffe brings this vibrant era to life
