Matricide At St Marthas:

Matricide at St. Martha's Ruth Dudley Edwards, 2011-09-30 The clever plot takes second place to the ebullience of the writing and spot on inventiveness of the satire The Times St Martha's College Cambridge had been staggering along on a shoestring for decades Then alumna Alice Toon leaves her old school a huge fortune The dons immediately fall to fighting over the spoils The Virgins led by Dame Maud Theodosia Buckbarrow believe the bequests should be spent on scholarships The Dykes fewer in number but better street fighters want to raise a center of Gender and Ethnic Studies The Old Women mostly men dream of fine vintages to be laid down in a decent new wine cellar Impasse They've reckoned without the Bursar Jack Troutbeck She elects to infiltrate this maelstrom of politics with her own agent Robert Amiss a former civil servant with a talent for sorting things out No sooner does he arrive on the scene where the Virgins are getting the upper hand than Dame Maud is murdered leading into what Mike Ripley of The Daily Telegraph described as An acidly funny romp Superbly bitchy on the none too fragrant groves of academe

The Saint Valentine's Day Murders Ruth Dudley Edwards, 2024-04-02 The plotting and the mechanics of the solution are in the best traditions of the classic British mystery Try not to miss this one New York Times Life in a dismal bureaucratic cul de sac is not what Robert Amiss expects when the British civil service lends him for a year to the British Conservation Corporation In fact he finds himself condemned to a non job in a backwater managing disgruntled and demoralized timeservers who deeply resent him Morale is not improved by the arrival of Melissa a radical feminist lesbian separatist Only Amiss's sense of humour and the joys of visiting Rachel his new love in Paris keep him sane The malice envy and anger that burgeons among the filing cabinets is first expressed in pettiness and then in unpleasant practical jokes Then it escalates and finally culminates in callous murder by means of boxes of poisoned chocolates sent to the bureaucrats wives With the help of Ellis Pooley a young detective obsessed with fictional sleuths Amiss and his friend Superintendent Milton search for motives in an office where marital discord and broken dreams might drive anyone to murder

Matricide at St. Martha's Ruth Dudley Edwards, 1995-09 **Murder in a Cathedral** Ruth Dudley Edwards, 2024-04-02 This blithe series puts itself on the side of the angels by merrily and staunchly subverting every tenet of political correctness The Independent For many years Westonbury Cathedral has been dominated by a clique of High Church gays so when Norman Cooper an austere intolerant happy clappy evangelist is appointed dean there is shock outrage and fear David Elworthy the gentle and politically innocent new bishop is distraught at the prospect of warfare between the factions contentious issues include the camp lady chapel and the gay memorial under construction in the deanery garden Desperate for help Elworthy cries on the shoulder of his old friend the redoubtable Baroness Troutbeck who forces her unofficial troubleshooter Robert Amiss to move into the bishop's palace Amiss Troutbeck and the cat Plutarch address themselves in their various ways to the bishop's problems which very soon include a clerical corpse in the cathedral Is it suicide Or is it murder And who is likely to be next

Killing the Emperors Ruth Dudley Edwards, 2012-09 Lady Jack Troutbeck is missing So too is Sir Henry Fortune celebrity curator and his partner in love and money louche art dealer Jason Pringle Panic begins in the London art world when no one can locate Anastasia Holliday sensational abject artist Jake Thorogood the critic who catapulted her into stardom or Dr Hortense Wilde notorious for having influenced generations of art students to despise craftsmanship Spotting that the victims common link is that their careers blossomed when they whole heartedly embraced newly fashionable conceptual art there is media hysteria Are they hostages If so why Ransom Revenge What bewilders the police and her friends is that Baroness Troutbeck is a standard bearer of conservative values in education and art who recently publicly described admirers of conceptual art as knaves and fools Can Troutbeck s friends rescue her before her own worst fantasies are turned into reality

The Anglo-Irish Murders Ruth Dudley Edwards, 2024-04-02 Foolishly the British and Irish governments have chosen the tactless and impatient Baroness Troutbeck to chair a conference on Anglo Irish cultural sensitivities She instantly press gangs Robert Amiss her young friend and reluctant accomplice into becoming conference organizer It is a conference to remember in more ways than one When a delegate plummets off the battlements no one not even the authorities can decide whether it was by accident or design The next death poses the same problem and causes warring factions to accuse each other of murder even as the politicians are busily trying to brush everything under the carpet in the name of peace

Murdering Americans Ruth Dudley Edwards, 2024-04-02 Academia n a profession filled with bad food knee jerk liberalism and murder Being a member of the House of Lords and Mistress of St Marthas College in Cambridge might seem enough to keep anyone busy but Baroness Jack Troutbeck likes new challenges When a combination of weddings work and spookery deprives her of five of her closest allies she leaps at an invitation to become a Distinguished Visiting Professor on an American campus With her head full of romantic fantasies inspired by 1950s Hollywood and accompanied by Horace her loquacious and disconcerting parrot this intellectually rigorous right winger sets off from England blissfully unaware that academia in the United States is dominated by knee jerk liberalism contempt for Western civilization and the institutionalisation of a form of insane political correctness Will the bonne viveuse Baroness Troutbeck be able to cope with the culinary and vinous desert that is New Paddington Indiana Can this insensitive and tactless human battering ram defeat the thought police who run Freeman State University like a gulag Does she believe the late Provost was murdered If so what should she do about it And will she manage to persuade Robert Amiss who describes himself bitterly as Watson to her Holmes and Goodwin to her Nero Wolfeto abandon his honeymoon and fly to her side

Beckett/Philosophy Matthew Feldman, Karim Mamdani, 2014-03-01 This collection of essays most of which return to or renew something of an empirical or archival approach to the issues represents the most comprehensive analysis of Beckett s relationship to philosophy in print how philosophical issues conundrums and themes play out amid narrative intricacies The volume is thus

both an astonishingly comprehensive overview and a series of detailed readings of the intersection between philosophical texts and Samuel Beckett's oeuvre offered by a plurality of voices and bookended by an historical introduction and a thematic conclusion S E Gontarski *Journal of Beckett Studies* This is an important contribution to ongoing attempts to understand the relationship of Beckett's work to philosophy It breaks some new ground and helps us to consider not only how Beckett made use of philosophy but how his own thought might be understood philosophical Anthony Uhlmann University of Western Sydney

Two Irelands Rebecca Pelan, 2005-06-27 The very different histories of the North and South are reflected in their literature While women in the Republic of Ireland have tended to write about social issues sexism crime unemployment and domestic violence women in Northern Ireland focused on their society's historical tension and primarily nationalist and unionist politics However Pelan maintains that feminist ideology has provided contemporary Irish women with an alternate political stance that incorporates gender and nationality ethnicity and allows them to move beyond the usual binaries of politics history and language Irish and English In an analysis enriched by a sophisticated but accessible engagement with contemporary feminist and gender theory Pelan concludes that Irish women's writing whether at the community or mainstream level North or South consistently articulates political issues of direct relevance to the lives of Irish women today As a result such work retains close links with the initial impetus of the second wave of feminism as a political movement and questions the legitimacy of long standing social religious and political conventions From within the framework provided by this second wave argues Pelan Irish women can critique certain masculine ideologies nationalist unionist imperialist and capitalist without forfeiting their own sense of gender and national or ethnic identity The book's significance lies in its placement of women's writing in the center of contemporary political discourse in Ireland and in ensuring that the writing from this period much of it long out of print continues to exist as sociological as well as literary records It will be of interest to a general and scholarly audience especially those in the fields of contemporary Irish writing feminism and literary history
