Matt Regans Lady:

First Ladies of the United States National Portrait Gallery, 2020-12-01 A gorgeous publication that reveals the historical importance of first ladies through portraiture Each first lady has brought her own priorities and flair to the position that has never been officially defined They have served as hostesses trendsetters activists and political players *First Ladies of the United States* features 84 portraits of the nation's first ladies as varied in style and representation as the individual women they depict From watercolors and oil paintings to engravings and photographs this book celebrates the legacy of first ladies throughout history First ladies are some of the most scrutinized public figures in the country praised or criticized on everything from their fashion to their level of political involvement There's no better way to explore their visibility and lasting impact than with *First Ladies of the United States* which places remarkable portraits alongside an insightful essay and lively entries that illuminate the history of the women who have shaped the White House **Reagan's Comeback** Gilbert

Garcia, 2012-02-07 Never before has the story been told of the dramatic turning point when Ronald Reagan found his voice as a presidential contender and overcame the Republican establishment Reagan's Comeback is the story of how one state one man and one month changed national politics forever Chronicling how Reagan's political career nearly ended this turnabout story is told by those who made it happen campaign volunteers financiers political activists and media observers Positioning Reagan to win in 1980 the birth of the Reagan Democrat transformed Texas from Democratic stronghold to the reliably Republican powerhouse it is today since producing five Republican presidential candidates and two Republican presidents with more to follow Reagan's rise and victory against Ford in 1976 mirrors the current climate between the Tea Party movement and the GOP With the 2012 election in sight there is no better time to finally tell the whole story of how the Reagan Revolution found its launching point **Godey's Lady's Book**, 1876 **Georgia Women** Kathleen Ann Clark, Ann Short Chirhart, 2014-07-15 Women were leading actors in twentieth century developments in Georgia yet most histories minimize their contributions The essays in the second volume of *Georgia Women* edited by Ann Short Chirhart and Kathleen Ann Clark vividly portray a wide array of Georgia women who played an important role in the state's history from little known Progressive Era activists to famous present day figures such as Pulitzer Prize winning author Alice Walker and former First Lady Rosalynn Carter Georgia women were instrumental to state and national politics even before they achieved suffrage and as essays on Lillian Smith Frances Pauley Coretta Scott King and others demonstrate they played a key role in twentieth century struggles over civil rights gender equality and the proper size and reach of government Georgia women's contributions have been wide ranging in the arena of arts and culture and include the works of renowned blues singer Gertrude Ma Rainey and such nationally prominent literary figures as Margaret Mitchell Carson McCullers and Flannery O'Connor as well as Walker While many of the volume's essays take a fresh look at relatively well known figures readers will also have the opportunity to discover women who were vital to Georgia's history yet remain relatively obscure today such as

Atlanta educator and activist Lugenia Burns Hope World War II aviator Hazel Raines entrepreneur and carpet manufacturer Catherine Evans Whitener and rural activist and author Vara A Majette Collectively the life stories portrayed in this volume deepen our understanding of the multifaceted history of not only Georgia women but also the state itself *A Lady and Her Magic* Tammy Falkner,2019-06-28 Rules Are Made to be Disobeyed Sophia Thorne is new to the Regency s glittering high society which resembles her magical homeland only insofar as both places are filled with ridiculous rules Which means no matter where she goes she s bound for trouble And Scandals Are Meant to be Shocking The Duke of Robinsworth has flaunted and shocked society for years In a moment of fateful mischief Robinsworth encounters the enchanting and distinctly scandalous Sophia Between her streak of magical mischief and his penchant for scandal they re about to take rule breaking to a whole new level **Ditto** Karen Spowal- McKittrick,2023-10-27 Ditto is a suspense novel paralleling the lives of eleven month old twin baby girls I am asking you to run with me in different directions and meet me at chapter 25 One of the girls is taken from her stroller in New York The baby girl is then transported to California by desperate teenagers The remaining twin is physically unharmed and remains in New York with her affluent biological parents Ditto has intriguing components a missing baby girl serious conflicts suicide murder survival and the loss of people central to the storyline Thank you for your interest in Ditto Margaret Thatcher Peter Just,2025-07-29 A joy to read Andrew Roberts The story of Margaret Thatcher s post premiership years is a tale of high drama and low farce with at its heart one extraordinary woman Margaret Thatcher enjoyed perhaps one of the most consequential political afterlives in British history No longer in office but never really out of power she was not only one of the most impactful Prime Ministers the UK has ever had she was also one of the most impactful former Prime Ministers the UK has ever had British politics today undoubtedly reflects Thatcher s time in No 10 but it is also shaped by her later life and how people reacted and still react to it To mark the centenary of her birth Margaret Thatcher Life After Downing Street provides a radical reassessment of how Thatcher s premier emeritus years have been viewed to date Covering the four main areas of her work after Downing Street philosophy party policy and performance and analysing her continued and continuing influence on the Conservative leaders and Prime Ministers of all parties who followed her it demonstrates why however small the politics may or may not have got since 1990 Margaret Thatcher is still big The Kitchen Man Ira Wood,2009-06 A compassionate laugh out loud novel about food sex and a very modern romance Back in print after *Nancy Reagan* Kitty Kelley,2011-10-18 A shocking portrait of the 1980s America and the woman whose position helped shape the values and policies of the Reagan administration Through over 1 000 interviews collected during four years of exhaustive research and reporting Kelley reveals Nancy Reagan as a superb public performer a vain materialistic social climber a bitter foe and formidable strategist an American phenomenon Matt Regan's Lady Mary Brinker Post,1955
