fictional abuse of animals a snarky analysis of chick lit and a technical review from the belly dancing critic of a YA novel featuring that ancient art On a more serious note Campbell pleads for what she calls Godsearch in books for teens and pays tribute to her late friend Robert Cormier Without question the essays in Campbell's Scoop provide readers with the unique insights of an advocate who is passionate about young adult literature and its future **Young Adult Literature** Michael Cart, 2010-09-01 This insightful and often humorous work presents the evolution of YA lit in an appealing way making it equally useful for students of literary studies *Learning Curves* Beth Younger, 2009-07-09 Adolescence is a time of growth change and confusion for young women During this transition from childhood to adulthood sex and gender roles become more important Meanwhile depictions of females—from the hyper sexualized girls of music videos to the chaste repression of Purity Balls—send mixed messages to young women about their bodies and their sexuality Over the last several decades authors of young adult novels have been challenged to reflect this concern in their work and have responded with varying degrees of success In *Learning Curves* Body Image and Female Sexuality in Young Adult Literature Beth Younger examines how cultural assumptions and social constraints are reinforced and complicated through common representations of young women Each chapter analyzes a recurrent theme in the history of young adult literature including issues of body image pregnancy abortion lesbianism and romance By examining selected novels for their sexual content situating them within their social and historical context and analyzing their discursive qualities the author reveals the multitude of complex ways that society depicts teenagers and their sexualities and offers a critique of patriarchal culture that gives value to the female experience **The ABC Movie of the Week Companion** Michael Karol, 2008-11-13 Movies made for television were in their infancy when ABC came up with a novel idea a weekly series of films made exclusively for the small screen The ABC Movie of the Week became a great success and a cultural touchstone for a generation of Americans In this loving tribute to the classic series of TV films more than two hundred films in the series are reviewed including well remembered titles such as *Duel* *Tribes* *The Six Million Dollar Man* *Go Ask Alice* *Brian's Song* *The Night Stalker* *Bad Ronald* *Starsky and Hutch* *Trilogy of Terror* *That Certain Summer* and *Killdozer* In addition choice bits of trivia about the actors and films and exclusive pictures are sprinkled throughout the book So bit back relax and return to a time when the counterculture was in full swing and you could tune in every week for one or more original films made just for you *Peep Show* Joshua Braff, 2010-06-01 David Arbus will be graduating from high school in the spring of 1975 His divorced parents offer two options embrace his mother's Hasidic sect or go into his father's line of work running a porn theater in the heart of New York's Times Square He joins the family business What else would a healthy seventeen year old with an interest in photography do But he didn't think it would mean giving up his mother and sister altogether *Peep Show* is the bittersweet story of a young man torn between a mother trying to erase her past and a father struggling to maintain his dignity in a less than savory business As David peeps through the spaces in the screen that divides the men and the women in Hasidic homes we can't help but think of his father's
