Pensees Catholiques Collections II Edward L. Helmrach, 2022-10-12 Within the Trinity only the second Person of the Trinity became man But the second Person of the Trinity always acts in union with the Father and the Holy Spirit Jesus was an only child but he lived in the unit of the Holy Family On the Cross Jesus death alone redeemed mankind but he was crucified with two others So while Jesus is the sole mediator between God and man we might look for two co redeemers And they would be Mary who stood at the foot of the Cross offering Jesus and herself to the God and Joseph who had died in their company The existence of co redeemers has implications for Our Lady of America this apparition was recently judged as being without error but not supernatural because Joseph was referred to as a co redeemer From the above and from the fact that this title is used by some of the Church Fathers for St Joseph maybe the status of this apparition can be reassessed If it is declared supernatural Mary's statue can be processed to and installed in the Basilica of the Immaculate Conception in Washington D C as she requested If that happens Mary promised a spiritual renewal of our country
