Mr Big Ozzy Sharon And My Life As The Godfather Of Rock:

Two Riders Were Approaching: The Life & Death of Jimi Hendrix Mick Wall, 2019-11-14 Jimmy was a down at heel guitarist in New York relying on his latest lovers to support him while he tried to emulate his hero Bob Dylan A black guy playing white rock music he wanted to be all things to all people But when Jimmy arrived in England and became Jimi the cream of swinging London fell under his spell It wasn't that Jimi could play with his teeth play with his guitar behind his back It was that he could really play Journeying through the purple haze of idealism and paranoia of the sixties Jimi Hendrix was the man who made Eric Clapton consider quitting to whom Bob Dylan deferred on his own song All Along the Watchtower who forced Miles Davis to reconsider his buttoned down ways and whose Star Spangled Banner defined Woodstock And when his star which had burned so brightly was extinguished far too young his legend lived on in the music and the intrigue surrounding his death Eschewing the traditional rock biography format *Two Riders Were Approaching* is a fittingly psychedelic and kaleidoscopic exploration of the life and death of Jimi Hendrix and a journey into the dark heart of the sixties While the groupies lined up the drugs got increasingly heavy and the dream of the sixties burned in the fire and blood of the Vietnam War the assassination of Martin Luther King and the election of President Richard Nixon Acclaimed writer Mick Wall author of *When Giants Walked the Earth* has drawn upon his own interviews and extensive research to produce an inimitable novelistic telling of this tale the definitive portrait of the Guitar God at whose altar other guitar gods worship Jimi Hendrix's is a story that has been told many times before but never quite like this *Bring It On Home* Mark Blake, 2025-05-01 The authorized biography of the most notorious rock manager of all time Peter Grant best known for his work with Led Zeppelin Peter Grant is the most famous music manager of all time Often acknowledged as the fifth member of Led Zeppelin Grant's story has appeared in fragments across countless Zeppelin biographies but none has explored who this brilliant and intuitive manager yet flawed and sometimes dangerous man truly was No one has successfully captured the scope of his personality or his long lasting impact on the music business Acclaimed author and journalist Mark Blake seeks to rectify that *Bring It On Home* is the first book to tell the complete uncensored story of this industry giant With support from Grant's family interviews with Led Zeppelin's surviving band members and access to Grant's extensive archive and scores of unpublished material including his never before published final interview Blake sheds new light on the history of Led Zeppelin and on the wider story of rock music in the 1960s and 70s Full of new insights into Grant's early life as an actor wrestler and road manager for rock n roll pioneers Chuck Berry and Little Richard the formation of Led Zeppelin his seclusion following the demise of the band and his recovery from substance abuse *Bring It On Home* reveals a man who after the extraordinary highs and lows of a career in rock n roll found peace and happiness in a more ordinary life It is a celebration a cautionary tale and a compelling human drama **Life in the Fast Lane** Mick Wall, 2023-07-11 Surely make you lose your mind So the Eagles warn us about the outrageous and ruthless lifestyle of the ambitious rock n roller In fact

Don Henley could barely listen to the track Life in the Fast Lane when they were recording it He was so high that it made him sick The band that embodied the American dream with globe straddling success impossibly luxurious lives and almost supernatural talent also descended into nightmare with bloodletting betrayal hate filled hubris the skeletons of perceived enemies brutally discarded lovers and former band mates left unburied in the road behind them The Eagles story is a truly gothic American fable one of ultimate power and rivers of money of sex and drugs at a time when both were the lingua franca of sophisticated So Cal living of a band who sang of peaceful easy feelings in public while threatening to kill each other in private Now legendary rock journalist Mick Wall delivers definitive insight into America s best selling band of all time a band that has sold more records than Led Zeppelin and the Rolling Stones combined exploring their meteoric rise to fame and the hedonistic days of the 70s music scene in LA when American music was taking over the world **Jeff Lynne** John Van der Kiste,2017-01-21 *Sharon Osbourne* Sue Crawford,2013-10-01 This book explores the real woman behind the relentless media circus tracing Sharon s life from her rebellious adolescence to the drink and drug fuelled years on the road with Ozzy right through to her current incarnation as an X Factor judge and popular TV star When Giants Walked the Earth Mick Wall,2010-11-09 This fantastic account of Led Zeppelin s wild and decadent heyday is as detailed and definitive as music biographies get London Lite The first significant fresh reporting on the legendary band in twenty years built on interviews with all surviving band members and revealing a never before seen side of the genius and debauchery that defined their heyday Veteran rock journalist Mick Wall unflinchingly tells the story of the band that pushed the envelope on both creativity and excess even by rock n roll standards Led Zeppelin was the last great band of the 1960s and the first great band of the 1970s and When Giants Walked the Earth is the full enthralling story of Zep from the inside written by a former confidante of both Jimmy Page and Robert Plant Rich and revealing it bores into not only the disaster addiction and death that haunted the band but also into the real relationship between Page and Plant including how it was influenced by Page s interest in the occult Comprehensive and yet intimately detailed When Giants Walked the Earth literally gets into the principals heads to bring to life both an unforgettable band and an unrepeatable slice of rock history Wall does well to shine light on the myths and music magic of Led Zep rendering what could have been cartoonish real and sincere Time Out Chicago So this is the big one a fat juicy biography of the biggest band ever Mick Wall the veteran rock journalist lays it all bare in a book that can only be described as definitive The Daily Telegraph **Black Sabbath** , **W.A.R.** Mike Wall,2024-06-04 A biography that captures the runaway train spirit of Guns N Roses singer Axl Rose and delves into what shaped him as a man and a musician Kirkus Reviews Even in the world of rock and roll someone like Axl Rose doesn t come along very often Mercurial and brilliant deluded and imperious Rose defies easy description or analysis Few people have studied Rose as closely as Mick Wall has Traveling with Guns N Roses and writing about them in the late 1980s and early 1990s Wall first earned Axl s trust and later his fury W A R goes back to the beginning revealing Rose s childhood influences and how he got his name and

tracking the birth of the band and their enormous success with albums like *Appetite for Destruction* and *Use Your Illusion*. With fame and money came substance abuse and infighting and a lead singer who morphed from eccentric to seemingly unhinged. Wall's book is richly detailed and offers surprising new views of a variety of Guns N' Roses and Axl Rose incidents including the death of two fans at a concert in England, Rose's eventual split from every one of the other original band members, fights with perceived enemies like Kurt Cobain, Motley Crue's Vince Neil, and fashion designer Tommy Hilfiger, Rose's refusal to show up at concerts throughout his career and his many years as a virtual recluse at his Malibu mansion. *W A R* is about great music, bad relationships, and the public and private personas of one of the most controversial performers of our time. The best rock biography that has ever landed on my desk turns the story of Axl Rose into a profound examination of the pain of fame. *The Tribune UK*: A catalog of lawsuits, sackings, and all-round appalling behavior. *The Daily Telegraph UK*: It's easy to paint Rose as a wrathful tyrant, but Wall has you sympathizing with him. *Entertainment Weekly*.

Electric Light Orchestra John Van der Kiste, 2017-08-19. ELO Electric Light Orchestra were formed by Roy Wood and Jeff Lynne of The Move as a fusion of rock and contemporary classical style music combining orchestral instruments, guitars, keyboards, and drums in the same line-up. Their aim was to continue from where The Beatles *I Am the Walrus* left off. After the release of their eponymous debut album in 1971 and a few live dates at home and in Europe, it became increasingly apparent that both leaders' objectives were incompatible. Wood left Lynne in charge of the group to refine their sound, and their ambitious progressive rock epics gradually gave way to a more accessible style. Keyboard player Richard Tandy and drummer Bev Bevan were the only other constant members in an ever-changing line-up. By the end of the decade, the group were rarely out of the British and American charts. After disbanding in 1986, ELO Part II minus Lynne returned for two albums, but Lynne reclaimed the name with an album in 2001, followed by a long-awaited reappearance in 2014 as Jeff Lynne's ELO Electric Light Orchestra. *Song by Song* provides a brief biographical overview of the band's contributors, in addition to a comprehensive examination of all the group's studio albums.

Foo Fighters Mick Wall, 2024-06-04. There's a reason why Dave Grohl is known, however naively, as the nicest man in rock. A reason why millions have bought his Foo Fighters albums and DVDs, his concert and festival tickets. A reason why generations have bought into his story, his dream, his self-fulfilling prophecies. Dave may not have the savant glamour of Nirvana's Kurt Cobain, but whereas Kurt dwelled in darkness, Dave was a lover, not a loner, a bringer of light. Foo Fighters *Learning to Fly* is his story, and therefore the true story of the Foo Fighters, like it's never been told before. From Grohl's days as the new kid in Nirvana to becoming the Grunge Ringo of the Foo Fighters to where he is now, one of the biggest, most popular male rock stars in the world. Internationally acclaimed rock writer Mick Wall tells us how and why none of this happened by accident, in a style that pulses with rock's own rhythms. With testimony from true insiders, including former band mates like Nirvana bass player Krist Novoselic, producers, record company executives, and those closest to Grohl and the Foos, this is the first full, explosive, no-holds-barred biography of the

before reality television was invented Ozzy Osbourne was subversive and dark Ozzy was the singer in the heavy metal band Black Sabbath and they meant business In an era when rock bands were measured by how heavy they were no one was weightier than Black Sabbath All four founding members of the original Black Sabbath grew up within half a mile of each other in a tiny Birmingham suburb Though all shared a deep love of music The Beatles for Ozzy the Mothers of Invention for Geezer the Shadows and Chet Atkins for Iommi and Gene Kruppa for Ward they formed their group as the quickest way out of the slums This is the story of how they made that dream come true and how it then turned into a nightmare for all of them At the height of their fame Sabbath discovered they d been so badly ripped off by their managers they didn t even own their own songs They looked for salvation from Don Arden an even more notorious gangster figure who resurrected their career but still left them indebted to him financially and personally It finally came to a head when in 1979 they sacked Ozzy For being too out of control even for us as Bill Ward put it The next fifteen years were a war between the post Ozzy Sabbath and Ozzy himself whose solo career overshadowed Sabbath so much that a reunion was entirely on his terms Or rather those of his wife and manager to add a further bitter twist for Sabbath daughter of Don Arden Sharon Osbourne Appetite for Destruction Mick Wall,2010-03-11 APPETITE FOR DESTRUCTION has the best of Wall s Kerrang features each bolstered by new insightful post scripts You won t read a funnier rock book MOJO Wall is firing on all cylinders CLASSIC ROCK This hilarious tome is a collection of his finest moments Wall had a great knack from getting under the skin of interviewees BIG ISSUE Whether it s hanging around with Marillion s Fish in Berlin seeing Whitesnake fail to ignite 1985 s Rock in Rio talking through old times with Jimmy Page in his Berkshire pile or following Ozzy Osbourne to Moscow there isn t a rock luminary that Wall hasn t cross examined or kept the flame burning with at some point over the last thirty years Here amongst several pieces he catches Lars Ullrich just on the cusp of world domination has dinner with Ritchie Blackmore on the eve of a Deep Purple comeback and is up all night in LA with W Axl Rose APPETITE FOR DESTRUCTION gathers together Wall s journalism for Kerrang for whom he was the star writer in their eighties heyday It also features brand new introductions to all the pieces written with maybe less hair but also the benefit of twenty years hindsight **Lou Reed** Mick Wall,2013-12-09 This sincere speed written blood spattered tribute strings together the raciest anecdotes and does it rather well SUNDAY TIMES Mick Wall has written in a rough and unsentimental style that suits his subject THE TIMES Lou Reed died in 2013 This is the critically acclaimed biography of the songwriter Velvet Underground member and musician Rock n roll was Lou Reed s life From recording one of the most critically acclaimed albums of all time with THE VELVET UNDERGROUND NICO 1967 to heavy drug abuse and performing in front of the Pope Lou Reed s story is one of great peaks and deep lows Forever dedicated to his art he became one of modern music s most legendary and seismic figures Although a controversial outspoken and undoubtedly misunderstood musician Lou Reed s influence on popular culture cannot be overstated He brought avant garde to the mainstream with the Velvet Underground and his solo work was pronounced a revelation Hit
