## Mr Bundy:

**Mr. Bundy** Jane Martin, 1999 This powerful drama examines the fears of parents driven to do the right thing when the safety of their daughter is in doubt A mother and father who learn that the next door neighbor is a convicted child molester consider both vigilance and vigilantism before being forced into action by a pair of child advocacy crusaders The shocking climax hits a raw nerve leaving the audience to consider where the line between right and wrong lies Mr Bundy was a hit at the 1998 Humana Festival at Actors Theatre of Louisville Publisher's website

**Landmark Cases in Consumer Law** Jodi Gardner, Iain Ramsay, 2024-01-11 This book analyses the history of the common law foundations of consumer law and encourages readers to rethink the role that consumer law plays in our society Consumer law is often constructed as purely statute based law However as this collection will demonstrate this is far from the truth Much of the history of the common law concerns consumer transactions and markets Case law has often established or modified the ground rules of consumer markets has had a patterning effect on the economic organisation of markets and has expressed cultural visions of the market and consumers An analysis of landmark cases of consumer law allows many traditional cases to be viewed through a new and distinct lens providing significant academic and intellectual value The collection also includes a unique socio legal perspective considering the role that consumer law has played in addressing racial discrimination LGBTQ challenges and the rights of women This collection of landmark cases demonstrates the theoretical and practical significance of consumer law through a wide range of contributions by distinguished authors from the United Kingdom Europe the United States and Australia
