surprises Booklist Strange things happen in the picture postcard English village of Lindsay Carfax When a young man falls into a quarry it takes nine days to find the body When rowdy hippies descend on the village they re given nine days to leave When an outspoken schoolmaster is kidnapped for nine days he stays eerily quiet after his release Now Albert Campion has come to town meaning to investigate all this strangeness But whoever is behind the unusual goings on quickly makes it very clear that his nosing around is not welcome Undeterred by threats Campion is determined to expose the criminal

masterminds hiding in this sleepy village **Mr. Campion's Falcon** Youngman Carter,2014 Matthew James Matthew dies of natural causes whilst staying at the upmarket Drover s Arms in the Cotswolds Max Newgate the pompous manager of the inn is found dead miles away in a Suffolk river near an archaeological dig The star geologist of Omega Oils the brilliant but eccentric Francis Makepeace could be connected to both but he has disappeared and seems determined not to be found L C Corkran whose retirement from Her Majesty s security service has been greatly exaggerated now consults for the multi national Omega Oils and turns to his old friend Albert Campion who has always behaved like a civilised non entity but you

wouldn't play poker with him for help A carnival of delightful and not so delightful characters become involved in the hunt for the missing geologist the cool headed independent Miss Anthea Peregrine the love struck schoolboy Robert O'Coner Smith the rather dubious antique dealer Morris Jay known thug and small time villain Ginger Scott Appleyard a boorish Suffolk policeman and the grotesque repellent and very dangerous Claude Porteous But why is Makepeace a brilliant and successful man on the run Is it because of a failed Omega Oil exploration project in the new African republic of Serendi or connected to the archaeological excavation of a 4th Century Roman ship Could the missing Francis Makepeace and the dead Matthew James Matthew somehow be one and the same person It takes all Campion's guile and charm to get to the bottom of the mystery and ensure that the new youthful allies he recruits emerge unscathed **Literary Afterlife** Bernard A.

Abdication Mike Ripley,2017-11-01 So where exactly did Albert Campion stand on the Abdication Behind the throne slightly to the left suggested Commander Charles Luke Margery Allingham's Mr Campion finds himself masquerading as technical

advisor to a very suspicious but glamorous Italian film producer and her crew hunting for buried treasure that never was in the Suffolk village of Heronhoe near Pontisbright which used to host trysts between Edward VIII and Mrs Wallis Simpson When it came to the Abdication Crisis in 36 those dirty week ends in Heronhoe were quickly forgotten except not by the Prince The story goes that when he married Mrs Simpson in 1937 that would be he actually sent a valuable thank you gift to Heronhoe That was what became known as the Abdication Treasure although there s no record of anything going to Heronhoe Hall or of anybody ever receiving anything from the Duke of Windsor and nobody anywhere claims to have actually seen anything resembling treasure So how is Albert Campion involved You said the treasure doesn t exist It doesn t Lord Breeze said firmly and I have been instructed to tell you to tell Campion that unless he wants to risk embarrassing Buckingham Palace he d better lay off There s no such thing as the Abdication Treasure so there s nothing to find and Campion had better make sure he doesn t find it *Deadlier Than The Male* Jessica Mann,2015-01-12 Why are English women so good at murder Among the books which have survived for more than half a century always in print and always in demand are the murder mysteries by Dorothy L Sayers Agatha Christie and other women writers Yet their male competitors are mostly forgotten What is it about these womens work that has kept it alive And what was it about the authors that gave them such violent or cunning imaginations always hidden behind the most respectable of facades In this book first published in 1981 Jessica Mann brings the perception of a fellow crime writer to her investigation of her predecessors lives and work She discusses the changes in the mystery form over the years and its enduring worldwide popularity in a book that was described by one critic as e obligatory reading for any reader of crime fiction and of which another wrote e I cannot recall a better work of criticism devoted to the crime story e **Women of Mystery** Martha Hailey DuBose,2000-12-11 In this remarkable book Martha Hailey DuBose has given those multitudes of readers who love the mystery novel an indispensable addition to their libraries Unlike other works on the subject *Women of Mystery* is not merely a directory of the novelists and their publications with a few biographical details DuBose combines extensive research into the lives of significant women mystery writers from Anna Katherine Green and Mary Roberts Rinehart with critical essays on their work anecdotes contemporary reviews and opinions and some of the women s own comments She takes us through the Golden Age of the British women mystery writers Christie Sayers Marsh Allingham and Tey to the leading crime novelists of today focused on the women who have become legends of the genre And though she laments so many mysteries so little time she makes a good effort mentioning some of the best of the rest When DuBose writes of the lives of her principal players she relates them to their times their families their personal situations and above all to their books She subtly points out that Sayers whose experience with the men in her life was inevitably disastrous created in Lord Peter the ideal lover one who is all that a woman desires and needs DuBose gives us the curriculum vitae that Dorothy Sayers created to help her bring Peter Wimsey to a virtual actuality Ngaio Marsh would give up an active presence in the theatrical world she loved but she recreated it for

herself as well as her readers in many of her novels The biographies of these woman are as engrossing as the stories they wrote and Martha DuBose has shined a different intimate and intriguing light on them their works and the lives that informed those works This book is so full of treasure it s hard to see how any mystery enthusiast will be able to do without it And what a gift it would make for anyone on your list who has been heard to announce I love a mystery Some of the treats inside In the Beginning The Mothers of Detection Anna Katherine Green Mary Roberts Rinehart A Golden Era The Genteel Puzzlers Agatha Christie Dorothy L Sayers Ngaio Marsh Margery Allingham Josephine Tey Modern Motives Mysteries of the Murderous Mind Patricia Highsmith P D James Ruth Rendell Mary Higgins Clark Sue Grafton and more **Antique Trader Book Collector's Price Guide** Richard Russell,2009-11-13 This new edition of Antique Trader Book Collector s Price Guide provides readers with the information and values to carve a niche for themselves in a market where rare first editions of Jane Austen s Emma and J K Rowling s Harry Potter and the Philosophers Stone recently sold at auction for 254 610 dollars and 40 355 dollars respectively Organized in 13 categories including Americana banned paranormal and mystery this guide discusses identifying and grading books and provides collectors with details for identifying and assessing books in 8 000 listings *100 British Crime Writers* Esme Miskimmin,2020-11-12 100 British Crime Writers explores a history of British crime writing between 1855 and 2015 through 100 writers detailing their lives and significant writing and exploring their contributions to the genre Divided into four sections The Victorians Edwardians and World War One 1855 1918 The Golden Age and World War Two 1919 1945 Post War and Cold War 1946 1989 and To the Millennium and Beyond 1990 2015 each section offers an introduction to the significant features of these eras in crime fiction and discusses trends in publication readership and critical response With entries spanning the earliest authors of crime fiction to a selection of innovative contemporary novelists this book considers the development and progression of the genre in the light of historical and social events *In the Beginning* Mary Jean DeMarr,1995 Others concentrate more on analysis of the subject novel itself indicating more briefly how that book relates to those which follow it Some discuss such questions as what exactly is the first novel in some rather complex series and in several cases more than one initiating book is discussed No attempt has been made to include consideration of a representative sample of the various types of detective series but a variety of authors is covered ranging from such classics as Agatha Christie Rex Stout and Dorothy L Sayers to more recent authors like James McClure Joseph Hansen and Colin Dexter **And Then There Were Nine-- More Women of Mystery** Jane S. Bakerman,1985 Within the formulas of crime fiction this collection ranges from writers Daphne du Maurier and Margery Allingham whose names are synonymous with conventional subgenres of crime fiction through Patricia Highsmith and Shirley Jackson who deliberately set conventions aside or who moved those conventions into other realms Most important perhaps Jackson Highsmith and E X Ferrars depict civilizations that are not essentially orderly that are not founded upon a commonly understood concept of justice where one must make her own order *Shakespearean Allusion in Crime Fiction*

Lisa Hopkins, 2016-04-21 This book explores why crime fiction so often alludes to Shakespeare. It ranges widely over a variety of authors including classic golden age crime writers such as the four queens of crime Agatha Christie, Dorothy L. Sayers, Nicholas Blake and Edmund Crispin as well as more recent authors such as Reginald Hill, Kate Atkinson and Val McDermid. It also looks at the fondness for Shakespearean allusion in a number of television crime series, most notably *Midsomer Murders*, *Inspector Morse* and *Lewis*, and considers the special sub genre of detective stories in which a lost Shakespeare play is found. It shows how Shakespeare facilitates discussions about what constitutes justice, what authorises the detective to track down the villain, who owns the countryside, national and social identities and the question of how we measure cultural value.

Jolly Good Detecting Bruce Shaw, 2013-12-19 This book is an appreciation of selected authors who make extensive use of humor in English detective crime fiction. Works using humor as an amelioration of the serious have their heyday in the Golden Age of crime writing but they belong also to a long tradition. There is an identifiable lineage of humorous writing in crime fiction that ranges from mild wit to outright farce, burlesque, even slapstick. A mix of entertainment with instruction is a tradition in English letters. English crime fiction writers of the era circa 1913 to 1940 were raised in the mainstream literary tradition but turned their skills to detective fiction. And they are the humorists of the genre. This book is not an exhaustive study but an introduction into the best produced by the most capable and enjoyable authors. What the humorists seek is to surprise the reader by overturning their expectations using a repertoire of stylistic conceits and motifs, recurring incidents, devices, references. Humor has a liberating effect but is concerned too with comic contrast through ugliness and caricature. In crime fiction one effect is intellectual pleasure at solving or attempting to solve a puzzle. Another is entertainment but with serious undertones.
