**Gray for Guilt** John D. MacDonald,2013-05-21 From a beloved master of crime fiction Pale Gray for Guilt is one of many

classic novels featuring Travis McGee the hard boiled detective who lives on a houseboat Travis McGee's old football buddy Tush Bannon is resisting pressure to sell off his floundering motel and marina to a group of influential movers and shakers Then he's found dead For a big man Tush was a pussycat devoted to his wife and three kids and always optimistic about his business even when things were at their worst So even though his death is ruled a suicide McGee suspects murder and a vile conspiracy As a young writer all I ever wanted was to touch readers as powerfully as John D MacDonald touched me Dean Koontz Tush Bannon was in the wrong spot at the wrong time His measly plot of land just so happened to sit right in the middle of a rich parcel of five hundred riverfront acres that big money real estate interests decided they simply must have It didn't matter that Tush was a nice guy with a family or that he never knew he was dealing with a criminal element They squashed him like a bug and walked away counting their change But one thing they never counted on the gentle giant had a not so gentle friend in Travis McGee And now he's going to make them pay Features a new Introduction by Lee Child
