Marquand's popular series of espionage adventures features an Australian mercenary, a Mongolian prince, and a Japanese spymaster. Eager to escape his complicated past, Calvin Gates boards a train bound for Inner Mongolia where he plans to join an archaeological dig. Also en route to the Gilbreth Expedition is Sylvia Dillaway, a beautiful young artist with a fierce independent streak. The two Americans become unwitting players in a high stakes game of international intrigue when Sylvia's Australian guide gives her a silver inlaid cigarette case containing a coded message. With the clouds of war looming, various factions of the Japanese, Russian, and Chinese governments will stop at nothing to get their hands on the case, including murder. Calvin and Sylvia's only hope for survival is a fellow passenger, the charming and mysterious Mr. Moto. He is Imperial Japan's top secret agent, and his mission is to ensure the safe delivery of the cigarette case to its rightful destination. To do so, he must protect the innocent Americans, but on a speeding train headed deep into dangerous territory, even his considerable skills might not be enough to save the day. First serialized in the Saturday Evening Post, John P. Marquand's popular and acclaimed Mr. Moto novels were the inspiration for 8 films starring Peter Lorre. **Last Laugh, Mr. Moto** John P. By the time he places the Kingmans' strange accents and realizes what they hope to recover from the deserted island, it's too late. He is caught in the middle of an international espionage plot with grave implications for the wars raging across Europe and Asia. To keep a powerful military secret from falling into the wrong hands, Bob must dig deep within himself to locate hidden reserves of courage. First serialized in the *Saturday Evening Post*, John P. Marquand's popular and acclaimed *Mr. Moto* novels were the inspiration for 8 films starring Peter Lorre. *Think Fast, Mr. Moto* (John P. Marquand, 2022-07-21) is John P. Marquand's espionage thriller. *Think Fast, Mr. Moto* is a riveting entry into the canon of pre-World War II spy novels, drawing readers into a world of danger and international intrigue set against the exotic backdrop of Honolulu. Through precise prose and sharp dialogue, Marquand crafts a narrative that is as stylish as it is suspenseful, unfolding a complex plot where a young American's innocence clashes with familial treachery. At the heart of this novel is the enigmatic Mr. Moto, whose astute intelligence and allegiance to his emperor epitomize the characteristics of the classic literary spy, adding depth to the geopolitical tensions playing out on the Hitchings Plantation gambling house.

John P. Marquand, an eminent figure in 20th-century American literature, brings authenticity and acute insight to this novel, having been a keen observer of cultural and political nuances during his times as a reporter. *Think Fast, Mr. Moto*, written in 1937, aptly reflects Marquand's understanding of the era's shifting alliances and the undercurrents of the impending global conflict, elements which he masterfully weaves into the characters' personal struggles, particularly in the contrasting motives of Wilson Hitchings and Eva.

*Think Fast, Mr. Moto* is a tour de force for readers who appreciate historical thrillers and the delicate craft of espionage storytelling. Marquand transports his audience to a time when global politics simmered beneath polite society's veneer, making this novel an essential read for those fascinated by a blend of history, suspense, and rich characterization. *Mr. Moto* stands as a testament to Marquand's skill at interlacing cultural commentary with page-turning narrative, making this book as entertaining as it is enlightening.

**Stopover: Tokyo** (John P. Marquand) is Marquand's final novel featuring Mr. Moto, set in Japan shortly after the Korean War. Jack Rhyce is an American secret agent in Japan, hunting a Russian agent. He's travelling with a female American agent; the two are posing as a couple. In Japan, they encounter Mr. Moto, who's also after the Russian agent.

*The Mr. Moto Novels Volume One* (John P. Marquand, 2016-06-28) is John P. Marquand's classic espionage series, featuring Imperial Japan's most skillful spy and the cloak-and-dagger intrigue of Asia between the world wars. In *Your Turn, Mr. Moto*, the abrupt cancellation of a transpacific flight strands World War I flying ace Casey Lee in Tokyo, leaving him with little choice but to accept a lucrative job offer from Japanese secret agent Mr. Moto. The mission begins on a steamship bound for Shanghai, where Casey's fellow passengers

Japan Drawing on American and Japanese songs slogans cartoons propaganda films secret reports and a wealth of other documents of the time Dower opens up a whole new way of looking at that bitter struggle of four and a half decades ago and its ramifications in our lives today As Edwin O Reischauer former ambassador to Japan has pointed out this book offers a lesson that the postwar generations need most with eloquence crushing detail and power *The Impact of Race on U.S. Foreign Policy* Michael L. Krenn, 2020-08-26 This book shows that race has played an important role in the nation's foreign relations from the time the first English colonists clambered onto the shores of the North American continent It also shows that the colonists had already progressed rather far in defining themselves in racial terms Race and U.S. Foreign Policy from 1900 Through World War II Michael L. Krenn, 2020-12-17 Explores the concept of race The term race which originally denoted genealogical or class identity has in the comparatively brief span of 300 years taken on an entirely new meaning In the wake of the Enlightenment it came to be applied to social groups This ideological transformation coupled with a dogmatic insistence that the groups so designated were natural and not socially created gave birth to the modern notion of races as genetically distinct entities The results of this view were the encoding of race and racial hierarchies in law literature and culture How racial categories facilitate social control The articles in the series demonstrate that the classification of humans according to selected physical characteristics was an arbitrary decision that was not based on valid scientific method They also examine the impact of colonialism on the propagation of the concept and note that racial categorization is a powerful social force that is often used to promote the interests of dominant social groups Finally the collection surveys how laws based on race have been enacted around the world to deny power to minority groups A multidisciplinary resource This collection of outstanding articles brings multiple perspectives to bear on race theory and draws on a wider range of periodicals than even the largest library usually holds Even if all the articles were available on campus chances are that a student would have to track them down in several libraries and microfilm collections Providing of course that no journals were reserved for graduate students out for binding or simply missing This convenient set saves students substantial time and effort by making available all the key articles in one reliable source Authoritative commentary The series editor has put together a balanced selection of the most significant works accompanied by expert commentary A general introduction gives important background information and outlines fundamental issues current scholarship and scholarly controversies Introductions to individual volumes put the articles in context and draw attention to germinal ideas and major shifts in the field After reading the material even a beginning student will have an excellent grasp of the basics of the subject **The Late John Marquand** Stephen Birmingham, 2024-05-14 The acclaimed social historian and author of *Our Crowd* presents a colorful portrait of the Pulitzer Prize winning writer John Marquand the great literary satirist and chronicler of New England elites could have been a character in one of his own beloved novels Here Stephen Birmingham presents a lively narrative of Marquand's life drawing on personal interviews with friends and family Raised in Newburyport Massachusetts Marquand

was both an insider and outcast of the old money set After attending Harvard and serving overseas in World War I he began writing stories that captured the lives manners and morals of wealthy families confined by their own privilege Marquand himself joined the ranks of these exclusive families by marrying into them twice In *The Late John Marquand* Birmingham provides an intimate portrait of the man behind such works as *H M Pulham Esquire* and *The Late George Apley* which won the Pulitzer Prize in 1938
