 Strategies** Rob Bellingham,2025-07-15 The book starts before creation because in the Jewish and Christian world view there
 was a prior conflict between God and Satan that spills over into human history It continues through to the twenty first
 century CE and hints at the climax of a war to the death with eternal destinations for humans in either heaven or hell This is
 all recorded in the Bible starting with Genesis and ending with Revelation But the devil is a mysterious figure mostly
 operating undercover behind the scenes and ignored by the majority of humans This book is an attempt at an exposé
 somewhat in the tradition of C S Lewis who wrote his Screwtape Letters more than sixty years ago There are eight sections
 within the book to guide us on our journey of understanding Section 1 The Genesis Story Section 2 The Exodus and Torah
 Period Section 3 The Tribes of Israel Section 4 The Judges of Israel Section 5 The Kings of Israel and Judah Section 6 The
 Prophets of Israel and Judah Section 7 The Builders and Other Leaders of Israel Section 8 Jesus versus Satan Some will love
 the battle of wits portrayed Others might dismiss it out of hand either as a diversion from learning about God and
 worshipping him or because they simply do not believe that a devil exists Other commentators who have ventured into this
 space have concluded that the greatest trick of Satan has been to convince people that he doesn't exist If you do open these
