Mr. Potter of Texas Archibald Clavering Gunter,2015-07-07 Excerpt from Mr Potter of Texas A Novel Sir I have something to tell you My heaven Is there a woman an English woman in this accursed place to night ejaculates the young man to whom she has spoken turning with a start and looking at her in amazed horror but still holding in his hand a revolver the cartridges of which he has been carefully examining I have come all the way from Europe to say to you something of great importance There is nothing of importance now but to save your life My life Is our personal danger so imminent There is death to every European man or woman in this city to night And they deserted you This last is said in surprised astonishment for he has noticed the unusual refinement and beauty of the woman speaking to him the richness of her dress and jewels though she is in the black of deep mourning and the latent appearance of haughty command in her pose notwithstanding there is in her manner and gaze as she addresses him a curious apologetic humility as if she were ashamed of an indefinite something About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

[Jamaica Kincaid's Writings of History](#) Antonia Purk, 2023-09-18 Jamaica Kincaid s works consistently explore how colonial history affects contemporary everyday lives Throughout her novels short fiction and non fictional essays Kincaid s texts engage with history through its medial

representations which are starkly determined by colonial perspectives This study examines the entanglements of temporalities in current perceptions of the past and how literary text intervenes in historical consciousness With a focus on the media text image and the human body the chapters of this book demonstrate how Kincaid s poetics of impermanence counter colonial representations of history with strategies of ambiguity repetition and redirection Kincaid s texts repeat and revise aspects of colonial history a process that decenters the totality of historical colonial ideology and replaces it with self determined versions of the past through a multiplication of perspectives and voices
