Thomas,Catherine Barr,2004 Because of their popularity books in series are great vehicles for fostering literacy among all types of readers who are almost always adamant about reading every title in the series in series order Yet traditional information sources on children's and YA literature include very little about series fiction so librarians often have difficulty managing this literature This guide will be a rich resource and time saver for librarians who work with children It introduces users to the best and most popular fiction series of today covering more than 1 000 series with over 10 000 titles appropriate for elementary readers Annotations also indicate series and titles accepted by some of the popular electronic reading programs e g Accelerated Reading Reading First A numbered list of titles in the series follows **The Ritchie & Fitz Sci-Fi Murder Mysteries Books 1-3** Kate MacLeod,2024-04-09 This bundle contains the first three books in the Ritchie Fitz Sci Fi Murder Mysteries Murder on the Intergalactic Railway For Murdina Ritchie acceptance at the Oymyakon Foreign Service Academy means one last chance at her dream of becoming a diplomat for the Union of Free Worlds For Shackleton Fitz IV it represents his last chance not to fail out of military service entirely Strange that fate should throw them together now among the last group of students admitted after the start of the semester They had once shared the strongest of friendships But that all ended a long time ago But when an insufferable but politically important woman turns up murdered the two agree to put their differences aside and work together to solve the case Because the murderer might strike again But more importantly solving a murder would just have

to impress the dour colonel who clearly thinks neither of them belong at his academy Murder in the Skies Murdina Ritchie put everything on the line to earn one chance to prove herself at the Oymyakon Foreign Service Academy Just one chance Despite the bad reputation that comes with her family name despite the bullies desperate to see her fail she refuses to back down from any opportunity to show her worth Everyone at the academy knows her skill knows her inability to compromise in the pursuit of excellence and knows her drive for success at all costs that borders on desperation But all of that common knowledge works against her when a bullying upper class cadet dies in a freak training accident that looks a lot like murder Because now everyone knows that Murdina Ritchie tops any possible list of suspects Suddenly she finds a goal beyond proving her worth proving her own innocence The Body in the Catacombs Murdina Ritchie and Shackleton Fitz IV start their junior year at the Oymyakon Foreign Service Academy finally feeling like they belong in that world They stand as equals among the other cadets And the crushing load of schoolwork Surprisingly manageable when you re not trying to solve a murder at the same time But the rumors of big changes in the political universe reach even the depths of the Academy Distrust and secretiveness invade the minds of all of the cadets Something dark and tumultuous hangs over all of them and not just the ever present storms of Oymyakon Then someone finds a body in the lower levels and the accusations fly A murder but committed decades before Long before the time of any of the cadets But not before the time of the instructors In fact exactly at the time Colonel Hansen was Cadet Hansen Can Ritchie and Fitz solve the coldest of cases and prove the colonel innocent Or worse guilty **Gardening World Illustrated** ,1891 [Live Stock Journal](#) ,1906 **Pop Flies and Grounders** Mark S. R. Peterson,2023-07-16 Twelve year old Cassidy Reed recently lost her father But when her mother Eve moves away from the hustle and bustle of the Twin Cities to quiet small town Minnesota Cassidy feels like her whole world is crumbling Her greatest pastime is softball It is then that she discovers that her new neighbor is an ex MLB player Max Coleridge and the two quickly become fast friends as he teaches her new skills But there are rumors about Max Rumors about why he was kicked out of the Major Leagues So Cassidy sets out to find the truth and along the way discovers even more secrets about this small town
