A to Zoo Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times, program and curriculum planning, readers advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive, as opposed to formal catalog subject terms, to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons, or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles. *New Standards-Based Lessons for the Busy Elementary School Librarian* Joyce Keeling, 2020-02-06 Busy elementary librarians need help applying the new AASL Standards Framework, especially in collaboration with social studies teachers seeking to apply the social studies standards framework. This book shows a path forward for both. This book will be a tremendous help to the busy elementary school librarian who is working with busy elementary social studies teachers. As they are designing and co-teaching library-based lessons based on the Social Studies Standards Framework, the English Literacy Common Core Standards, and the new American Association of School Librarians AASL Standards Learners Framework, these reproducible lessons will enhance planning and implementation. You'll get ready-to-use lessons as well as model lessons to adapt to the needs of your own curriculum and students. All standards are applied with needed handouts and other tools, and current lists of recommended resources are provided. Lessons are coordinated to common elementary social studies curricula at indicated grade levels but can be adapted as template lessons as needed. Current resource lists aid librarians in collection development to support new and current standards. **Mr. Tanen's Ties** Maryann Cocca-Leffler, 1999-01-01 The students of Lynnhurst Elementary love their principal Mr. Tanen and his ties. But Mr. Apple from the school office does not love Mr. Tanen's ties. He insists that Mr. Tanen wear only blue ties from now on. **Books Kids Will Sit Still For 3: A Read-Aloud Guide** Judy
