Mr Trumans War:

Mr. Truman's War J. Robert Moskin,1996 In his first three months in office President Harry Truman was forced to face the greatest challenges ever to confront a world leader including the decision to drop the A bomb the beginning of the Cold War and more Now the former foreign editor for Look magazine presents for the first time the dramatic story of Truman s first five months as president The Truman Years, 1945-1953 Mark S. Byrnes,2014-07-30 The Truman Years is a concise yet thorough examination of the critical postwar years in the United States Byrnes argues that the major trends and themes of the American history have their origins during the presidency of Harry S Truman He synthesizes the recent Truman literature and explains the links between domestic U S political and social trends and cold war foreign policy

American Radical D. D. Guttenplan,2024-05-01 Popular Front columnist and New Deal propagandist Fearless opponent of McCarthyism and feared scourge of official liars Enterprising independent reporter and avid amateur classicist As D D Guttenplan puts it in his compelling book I F Stone did what few in his profession could he always thought for himself America s most celebrated investigative journalist himself remains something of a mystery however Born Isidor Feinstein in Philadelphia raised in rural New Jersey by the age of 25 this college drop out was already an influential newsman and enjoying extraordinary access to key figures in New Deal Washington and the friendship of important artists in New York It is Guttenplan s wisdom to see that the key to Stone s achievements throughout his singular career and not just in his celebrated I F Stone s Weekly lay in the force and passion of his political commitments Stone s calm forensic yet devastating reports on American politics and institutions sprang from a radical faith in the long term prospects for American democracy His testimony on the legacy of American politics from the New Deal and World War II to the era of the civil rights struggles the Vietnam War and beyond amounts to as vivid a record of those times as we are likely to have Guttenplan s lively provocative book makes clear why so many of his pronouncements have acquired the force of prophecy Railway Age ,1948 *Harry S. Truman* Robert H. Ferrell,2013-07-22 Few U S presidents have captured the imagination of the American people as has Harry S Truman the man from Missouri In this major new biography Robert H Ferrell widely regarded as an authority on the thirty third president challenges the popular characterization of Truman as a man who rarely sought the offices he received revealing instead a man who with modesty commitment to service and basic honesty moved with method and system toward the presidency Truman was ambitious in the best sense of the word His powerful commitment to service

was accompanied by a remarkable shrewdness and an exceptional ability to judge people He regarded himself as a consummate politician a designation of which he was proud While in Washington he never succumbed to the Potomac fever that swelled the heads of so many officials in that city A scrupulously honest man Truman exhibited only one lapse when at the beginning of 1941 he padded his Senate payroll by adding his wife and later his sister From his early years on the family farm through his pivotal decision to use the atomic bomb in World War II Truman s life was filled with fascinating events Ferrell s exhaustive research offers new perspectives on many key episodes in Truman s career including his first Senate term and the circumstances surrounding the Truman Doctrine and the Marshall Plan In addition Ferrell taps many little known sources to relate the intriguing story of the machinations by which Truman gained the vice presidential nomination in 1944 a position which put him a heartbeat away from the presidency No other historian has ever demonstrated such command over the vast amounts of material that Robert Ferrell brings to bear on the unforgettable story of Truman s life Based upon years of research in the Truman Library and the study of many never before used primary sources Harry S Truman is destined to become the authoritative account of the nation s favorite president Book of the Society of Colonial Wars in the State of New Jersey Society of Colonial Wars in the State of New Jersey,1917 *LIFE* ,1956-02-13 *LIFE* Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **LIFE** ,1956-02-13 *LIFE* Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use The Presidency of Harry S.
