Mr. George Baker Amy Hest, 2007-06-12 A best selling author and illustrator pay tribute to the power of language and intergenerational bonds George Baker and Harry don't seem the likeliest of friends Yet sitting side by side on George's porch waiting for the school bus to come the two have plenty in common this hundred year old musician with the crooked fingers going tappidy on his knees and the young schoolboy whose shoelaces always need tying They're both learning to read which is hard but what's easy is the warm friendship they share In an inspired pairing a best selling author and illustrator pay tribute to the power of language and intergenerational bonds *Mr. George Baker , Comments of New York*
