Shier, 2017-12-11 The American Civil War ended 152 years ago. Of the military men who served in this drama of untold suffering, little has been written about the experiences of the American Indian indigenous participants. Indigenous soldiers and sailors from various states served bravely for both the Union and the Confederacy. One such unit for the north was Company K of the First Michigan Sharpshooters, called the all Indian Company. Company K was unique because it was the only company in the entire sharpshooter regiment and in all other military units in Michigan that had only indigenous enlisted men on its roster. In *Warriors in Mr. Lincoln's Army*, author Quita V. Shier offers a comprehensive profile study of each officer and enlisted American Indian soldier in Company K, First Michigan Sharpshooters, who served in the Civil War from 1863 to 1865. The profiles of this all Indian Company include information taken from military service records, medical files, biographical and family data extracted from pension files, and personal interviews with some of the soldiers' descendants. The profiles feature the infantrymen known as grunts who bore the burden of fighting and dying in this conflict, and the officers who led them into battle. Shier shares insight into who these fighting men were, who loved them, and what happened to them.

avoid war but actually fanned the flames and often acted unconstitutionally in prosecuting the war once it had begun With a keen eye for the telling detail on the battlefield as well as in the White House this is revisionist history at its best not sparing anyone even Abraham Lincoln A brilliant narrative that reveals the possibilities of the past that were squandered by historical figures who seem so unassailable and godlike to us today Peter S Carmichael author of *The Last Generation* The most provocative account of events in 1861 in a generation Readers who think they understand the Civil War's first year and the roles played by Abraham Lincoln Nathaniel Lyon Charles Stone and a host of others should brace themselves for a bold new perspective A Wilson Greene author of *Breaking the Backbone of the Rebellion*

Embracing the Song of Expression: An Emotional Symphony within **Mr Lincolns Army**

In a world used by screens and the ceaseless chatter of quick interaction, the melodic beauty and psychological symphony created by the published term often fade into the back ground, eclipsed by the relentless sound and interruptions that permeate our lives. However, set within the pages of **Mr Lincolns Army** a wonderful fictional treasure full of organic feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, that fascinating masterpiece conducts viewers on a psychological trip, well unraveling the concealed tunes and profound impact resonating within each carefully constructed phrase. Within the depths with this moving examination, we can discover the book is main harmonies, analyze its enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
