Collea, Jr.,2018-10-08 Abraham Lincoln s presidency was bookended by a pair of dramatic railroad trips through the state of New York His first term began with a pre inaugural railway tour his second ended with a funeral train Each was a five day crossing of the Empire State These two journeys allowed thousands of ordinary Americans first to celebrate and later to mourn the great president and became indelibly etched in the memories of those who had the opportunity to stand along parade route Drawing on newspaper accounts memoirs and diaries this book brings to life the two epic and unique moments in both New York s and the nation s history **The Hour of Peril** Daniel Stashower,2013-01-29 It s history that reads like a race against the clock thriller Harlan Coben Daniel Stashower the two time Edgar award winning author of *The Beautiful Cigar Girl* uncovers the riveting true story of the Baltimore Plot an audacious conspiracy to assassinate Abraham Lincoln on the eve of the Civil War in *THE HOUR OF PERIL* In February of 1861 just days before he assumed the presidency Abraham Lincoln faced a clear and fully matured threat of assassination as he traveled by train from Springfield to Washington for his inauguration Over a period of thirteen days the legendary detective Allan Pinkerton worked feverishly to detect and thwart the plot assisted by a captivating young widow named Kate Warne America s first female private eye As Lincoln s train rolled inexorably toward the seat of danger Pinkerton struggled to unravel the ever changing details of the murder plot even as he contended with the intractability of Lincoln and his advisors who refused to believe that the danger was real With time running out Pinkerton took a desperate gamble staking Lincoln s life and the future of the nation on a perilous feint that seemed to offer the only chance that Lincoln would survive to become president Shrouded in secrecy and later mired in controversy the story of the Baltimore Plot is one of the great untold tales of the Civil War era and Stashower has crafted this spellbinding historical narrative with the pace and urgency of a race against the clock thriller A Washington Post Notable Nonfiction Book of 2013 Winner of the 2014 Edgar Award for Best Fact Crime Winner of the 2013 Agatha Award for Best Nonfiction Winner of the 2014 Anthony Award for Best Critical or Non fiction Work Winner of the 2014 Macavity Award for Best Nonfiction **Baltimore and Ohio Magazine** ,1921 **Catalog of Copyright Entries. With the Drift and Progress of American Opinion Respecting Human Slavery, from 1776 to the Close of the War for the Union Horace GREELEY, 1864      **The Lincoln Inaugural Train** Cam-Tech Publishing, Scott D. Trostel, 2011-11-25      *Abraham Lincoln in the Kitchen* Rae Katherine Eighmey, 2014-02-04

*Abraham Lincoln in the Kitchen* is a culinary biography unlike any before. The very assertion of the title that Abraham Lincoln cooked is fascinating and true. It is an insight into the everyday life of one of our nation's favorite and most esteemed presidents and a way to experience flavors and textures of the past. Eighmey solves riddles such as what type of barbecue could be served to thousands at political rallies when paper plates and napkins didn't exist and what gingerbread recipe could have been Lincoln's childhood favorite when few families owned cookie cutters and he could carry the cookies in his pocket. Through Eighmey's eyes and culinary research and experiments including sleuthing for Lincoln's grocery bills in Springfield ledgers and turning a backyard grill into a cast iron stove, the foods that Lincoln enjoyed cooked or served are translated into modern recipes so that authentic meals and foods of 1820-1865 are possible for home cooks. Feel free to pull up a chair to Lincoln's table.

**First Fallen** Meg Groeling, 2021-10-19. A well-written, superbly researched biography of the man who answered the call of his mentor Abraham Lincoln and became the first Union officer to die in the Civil War. News On May 24, 1861, Col. Elmer Ellsworth became the first Union officer killed in the Civil War. The entire North was aghast. This is the first modern biography of this nineteenth-century celebrity and mostly forgotten national hero. Ellsworth and his entertaining U.S. Zouave Cadets drill team had performed at West Point in New York City and for President James Buchanan before returning home to Chicago. He helped his friend and law mentor Abraham Lincoln in his quest for the presidency and when Lincoln put out the call for troops after Fort Sumter was fired upon, Ellsworth responded. Within days, he organized more than a thousand New York firefighters into a regiment of volunteers. When he was killed, the Lincolns rushed to the Navy Yard to view the body of the young man they had loved as a son. Mary Lincoln insisted he lie in state in the East Room of the White House. The elite of New York brought flowers to the Astor House, and six members of the 11th New York accompanied their commander's coffin. When a late May afternoon thunderstorm erupted during his funeral service at the Hudson View Cemetery, eyewitnesses referred to it as tears from God himself. But the death of the young hero was knocked out of the headlines eight weeks later by the battle of First Bull Run. The trickle of blood had now become a torrent that would not stop for four long years. Meg Groeling's biography is grounded in years of archival research and includes diaries, personal letters, newspapers, and many other accounts. In the six decades since the last portrait of Ellsworth was written, new information has been found that provides a better understanding of the Ellsworth phenomenon and his deep connections to the Lincoln family. *First Fallen* examines every facet of Ellsworth's complex, fascinating life and adds richly to the historiography of the Civil War. Poignant.

Groeling makes it clear why Lincoln was so powerfully drawn to the magnetic young man Michael Burlingame author of *An American Marriage The Untold Story of Abraham Lincoln and Mary Todd* Includes maps and photos [The Lincoln Conspiracy](#) Brad Meltzer, Josh Mensch, 2020-05-05 Brad Meltzer and Josh Mensch the bestselling authors of *The First Conspiracy* which covers the secret plot against George Washington now turn their attention to a little known but true story about a failed assassination attempt on the sixteenth president in *The Lincoln Conspiracy* Everyone knows the story of Abraham Lincoln's assassination in 1865 but few are aware of the original conspiracy to kill him four years earlier in 1861 literally on his way to Washington D C for his first inauguration The conspirators were part of a white supremacist secret society that didn't want an abolitionist in the White House They planned an elaborate scheme to assassinate the President elect in Baltimore as Lincoln's inauguration train passed through en route to the nation's capital The plot was investigated by famed detective Allan Pinkerton who infiltrated the group with undercover agents including Kate Warne one of the first female private detectives in America Had the assassination succeeded there would have been no Lincoln Presidency and the course of the Civil War and American history would have forever been altered [Lincoln in the Times](#) David Herbert Donald, Harold Holzer, 2005-11-15 A history of the sixteenth president's political rise administration and death includes coverage of such major events as his campaign the Gettysburg Address and Emancipation Proclamation and his assassination

[The World Who's who of Women](#) ,1974 **The First Lady and the Rebel** Susan Higginbotham, 2019-10-01 From celebrated author Susan Higginbotham comes an incredible book about Abraham Lincoln's First Lady and on the other side of the Civil War her sister A Union's First Lady As the Civil War cracks the country in two Mary Lincoln stands beside her husband praying for a swift Northern victory But as the body count rises Mary can't help but fear each bloody gain Because her beloved sister Emily is across party lines fighting for the South and Mary is at risk of losing both her country and her family in the tides of a brutal war A Confederate Rebel's Wife Emily Todd Helm has married the love of her life But when her husband's southern ties pull them into a war neither want to join she must make a choice Abandon the family she has built in the South or become a true rebel woman fighting against the sister she has always loved best With a country's legacy at stake how will two sisters shape history A Civil War book about two women determined to do the right thing **The First Lady and the Rebel** is sure to inspire fans of Marie Benedict and Stephanie Dray **The Real Lincoln; a Portrait** Jesse William Weik, 1922
