THIRTEEN STORIES

Mr Lincolns Wars A Novel In Thirteen Stories

Thomas F. Curran

Mr Lincoln's Wars A Novel In Thirteen Stories:

Mr. Lincoln's Wars Adam Braver, 2009-10-13 In this highly ambitious collection Adam Braver explores Abraham Lincoln's inner life and personal turmoils while also reflecting on the indelible impact Lincoln had on the nation during the last year of his presidency Braver brings the president to life not just as the strong and resilient leader of history books but also as a grief stricken father heartbroken over the loss of his young son Across a rich canvas of truth and imagination Mr Lincoln's Wars reveals a president within the White House walls We see Lincoln as he explores the meaning of loss through a chance encounter with the father of a slain soldier And a good hearted young Union soldier is quickly turned into a killer in the name of President Lincoln Finally there is the assassination and the autopsy as seen through the eyes of John Wilkes Booth Mary Lincoln the assistant surgeon general and one of Lincoln's closest friends Brilliant in its depiction of the country during the waning days of the war this book is an insightful and moving exploration of the myth of celebrity and the passions it arouses More than anything Mr Lincoln's Wars introduces a talented new writer whose storytelling ability knows no bounds *Not Even Past* Cody Marrs, 2020-03-24 How the Civil War endures in American life through literature and culture Recipient of the Eric Hoffer Award's Montaigne Medal The American Civil War lives on in our collective imagination like few other events The story of the war has been retold in countless films novels poems memoirs plays sculptures and monuments Often remembered as an emancipatory struggle as an attempt to destroy slavery in America now and forever it is also memorialized as a fight for Southern independence as a fratricide that divided the national family and as a dark cruel conflict defined by its brutality What do these stories myths and rumors have in common and what do they teach us about modern America In this fascinating book Cody Marrs reveals how these narratives evolved over time and why they acquired such lasting power Marrs addresses an eclectic range of texts traditions and creators from Walt Whitman Abram Ryan and Abraham Lincoln to Margaret Mitchell D W Griffith and W E B Du Bois He also identifies several basic plots about the Civil War that anchor public memory and continually compete for cultural primacy In other words from the perspective of American cultural memory there is no single Civil War Whether they fill us with elation or terror whether they side with the North or the South whether they come from the 1860s the 1960s or today these stories all make one thing vividly clear the Civil War is an ongoing conflict persisting not merely as a cultural touchstone but as an unresolved struggle through which Americans inevitably define themselves A timely evocative and beautifully written book *Not Even Past* is essential reading for anyone interested in the Civil War and its role in American history Lincoln and Shakespeare Michael Anderegg, 2021-02-19 It was the measure of Shakespeare's poetic greatness an early commentator remarked that he thoroughly blended the ideal with the practical or realistic If this be so Walt Whitman wrote I should say that what Shakespeare did in poetic expression Abraham Lincoln essentially did in his personal and official life Whitman was only one of many to note the affinity between these two iconic figures Novelists filmmakers and playwrights have frequently shown Lincoln quoting Shakespeare In Lincoln

and Shakespeare Michael Anderegg for the first time examines in detail Lincoln's fascination with and knowledge of Shakespeare's plays Separated by centuries and extraordinary circumstances the two men clearly shared a belief in the power of language and both at times held a fatalistic view of human nature While citations from Shakespeare are few in his writings and speeches Lincoln read deeply and quoted often from the Bard's work in company a habit well documented in diaries letters and newspapers Anderegg discusses Lincoln's particular interest in Macbeth and Hamlet and in Shakespeare's historical plays where we see themes that resonated deeply with the president the dangers of inordinate ambition the horrors of civil war and the corruptions of illegitimate rule Anderegg winnows confirmed evidence from myth to explore how Lincoln came to know Shakespeare which editions he read and which plays he would have seen before he became president Once in the White House Lincoln had the opportunity of seeing the best Shakespearean actors in America Anderegg details Lincoln's unexpected relationship with James H Hackett one of the most popular comic actors in America at the time his letter to Hackett reveals his considerable enthusiasm for Shakespeare Lincoln managed in the midst of overwhelming matters of state to see the actor's Falstaff on several occasions and to engage with him in discussions of how Shakespeare's plays should be performed a topic on which he had decided views Hackett's productions were only a few of those Lincoln enjoyed as president and Anderegg documents his larger theater going experience recreating the Shakespearean performances of Edwin Booth Charlotte Cushman Edwin Forrest and others as Lincoln saw them *American Short Story Cycle* Jennifer J. Smith, 2017-09-26 Explores the contradictory position of Arabic being both the official language and marginalized in Israel

Lincoln Participant, 2012-10-08 The First American Frontiersman and backwoods attorney Teller of bawdy tales and a spellbinding orator A champion of liberty some called a would be tyrant Savior of the Union and the Great Emancipator All these are Abraham Lincoln in his time America's most admired and reviled leader and still our nation's most enigmatic and captivating hero Timed to complement the new motion picture Lincoln directed by Steven Spielberg Lincoln A President for the Ages introduces a new Lincoln grappling with some of history's greatest challenges Would Lincoln have dropped the bomb on Hiroshima How would he conduct the War on Terror Would he favor women's suffrage or gay rights Would today's Lincoln be a star on Facebook and Twitter Would he embrace the religious right or denounce it The answers come from an all star array of historians and scholars including Jean Baker Richard Carwardine Dan Farber Andrew Ferguson Henry Louis Gates Jr Allen C Guelzo Harold Holzer James Malanowski James Tackach Frank J Williams and Douglas L Wilson Lincoln also features actor activist Gloria Reuben describing how she played Elizabeth Keckley the former slave turned confidante of First Lady Mary Todd Lincoln and a selection of speeches and letters that explore little known sides of Lincoln The Faces of Lincoln exploring his complex contemporary legacy Whether you're a lifetime admirer of Lincoln or newly intrigued by his story Lincoln A President for the Ages offers a fascinating glimpse of his many sided legacy *Funny Thing About the Civil War* Thomas F. Curran, 2023-07-14 Examining humor in depictions of the Civil War from the war years to the present this

review covers a wide range of literature film and television in historical context Wartime humor served as a form of propaganda to render the enemy and their cause laughable but also to help people cope with the human costs of the conflict After the war many authors and later movie and television producers employed humor to shape its legacy perpetuating myths and stereotypes that became ingrained in American memory Giving attention to the stories behind the stories the author focuses on what people laughed at who they laughed with and what it reveals about their view of events **Read**

On...Historical Fiction Brad Hooper,2006-03-30 Hundreds of popular historical fiction titles are described and categorized according to their underlying features and under topics not found in the library catalog such as women with true grit greatest war stories royalty rules and quick reads The Lincoln Anthology Harold Holzer,2009 For the bicentennial of his birth Lincoln and his enduring legacy are the focus of 85 major authors and important historical figures from his time to the present Among the writers included are Winston Churchill H G Wells Garry Wills and many others *The New York Times Index* ,1926 **The Publishers Weekly** ,1893 *Lincoln Lore* Louis Austin Warren,1929 **Lincoln Herald** ,2005

The Washington Post Index ,1989 **Bowker's Guide to Characters in Fiction 2007** ,2008-02 *Annual Report on English and American Studies* ,2003 **101 Great, Ready-to-Use Book Lists for Teens** Nancy J. Keane,2012-03-14 Building on the author s work in *The Big Book of Teen Reading Lists* this book provides 101 new and revised reading lists created in consultation with teachers and public librarians an invaluable resource for any educator who plans activities for children that involve using literature Nancy J Keane is the author of the award winning website Booktalks Quick and Simple nancykeane com booktalks as well as the creator of the open collaboration wiki ATN Book Lists With her latest book 101 Great Ready to Use Book Lists for Teens she provides another indispensable resource for librarians and teachers The lists in this book are the result of careful consultation with teachers and public librarians and from discussions on professional email lists These indispensable lists can be utilized in many ways for example as handouts to teachers as suggested reading to create book displays or as display posters in the library This collection will facilitate the creation of valuable reading lists to support the extended reading demands of today s teens *American Book Publishing Record* ,2003 **Library Journal** ,2003 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately Lincoln Mediated Gregory Borchard,David W. Bulla,2017-07-05 *Lincoln Mediated* provides new information about a historical figure everyone thinks they know It describes how Abraham Lincoln worked with the press throughout his political career beginning with his service in Congress in the late 1840s and detailing how his ties to newspapers in Illinois New York and Washington played a central role in the success of his presidency Gregory A Borchard and David W Bulla study how Lincoln used the press to deliver his written and spoken messages how editors reacted to the president and how Lincoln responded to their criticism Reviewing his public persona through the lens of international media and visually based sources a fascinating profile emerges The authors cite the papers

of Lincoln the letters of influential figures and content from leading newspapers The book also features nineteenth century illustrations and photographs Lincoln Mediated ties the president s story directly to the press illuminating his role as a writer and as a participant in making the news Lincoln s legacy cannot be understood without understanding the role the press played in helping shape how he was viewed As the authors show Lincoln was a man not just a political figure Lincoln Mediated is a worthy addition to Transaction s Journalism series Abraham Lincoln Civil War Stories Joe Wheeler,2013-06-11 Punctuation spelling and capitalization of the original stories were retained and not corrected Title page verso
